A. BROOMHALL, Sec.

The Missing Bride is the title of a work in the press of T. B. Peterson. It is from the pen of Mrs. *E. D. E. N. Southworth*, a writer who has gained an enviable reputation as a writer of fiction. Her works are of thrilling interest, so much so that the interest never flags from beginning to end.

It is only necessary for us to give some of the many expressions of Mrs. S's talent from the press of the country.

"The best American writer of the age."—*Phil. Merchant.*

"A woman of brilliant genius."—*Olive Branch.*

"The best fiction writer in the country.—*Buffalo Express.*

"The author holds a vigorous pen.—*Bell. American.*

"She is a writer of genius and originality, and has no superior in depicting character and scenery."—*Buffalo Courier.*

The work is complete in one large volume, neatly bound in cloth, for $1,25, or in two volumes paper cover for $1,00.

Copies of the work will be sent to any part of the U S. *free of postage* if the price of the edition is sent by letter to

T. B. PETERSON,

Philadelphia.

☞*H. M. B. Clagland*, has been re-elected one of the Board of School Directors for the Town of St. Clairsville.

☞*Wm. Rice* has been appointed Marshal, and *John L. Frint*, Treasurer of the Corporation, by the new Council.

☞We invite the attention of our lady readers to the Advertisement of Miss Faris, in another column. Any one wishing anything in the Milliner's line can be accommodated to a nicety by calling on Miss F.

☞At the request of a friend we insert the following articles, which we think are sufficiently plain without much explanation from us. It appears that after the election at the time specified below the Editor of the *Gazette & Citizen* gave what he claimed was a history of the case, but which differed very materially from the present advices. Which is the correct side we leave the reader to judge after reading all the facts.

The first article is a true copy of the notice posted up to call the meeting, and in which it has been claimed there was a mistake. There had been a small American flag made down on the corner of the paper on which the notice was written, which seems to have excited the wrath of some one, for it had been disfigured by numerous marks and blotches.

The second article is a true copy of the proceedings of the meeting taken from the minutes kept by the District Clerk.

The Editor also stated in his article that the Know Nothings now seek to have a "Director appointed by the Township Clerk." How much truth there is in that assertion may be seen by reference to Mr. *Glover's* certificate, which follows in the same connection.

As for the communication of "A Looker on" we know nothing of the provocation to his article, but he assures us it is ample.

We have no desire to become embroiled in this quarrel, but we have a desire to see justice done, no matter who is affected thereby. For this reason we publish the following articles.

Notice! Notice!! Notice!!!

The householders and resident tax payers of sub-district No 14, Richland tp. Belmont County, Ohio, will take notice that the annual District meeting will be held at the school house on the second Monday of April, at 1 o'clock P. M.. All are invited to attend as there are two Directors to elect and other business of importance to be attended to. Dated this 9th of March 1825.

By order of Directors.
H. B SMITH. Dist. Clerk.

We the undersigned have examined the above notice for a meeting to elect School Directors, and so far as we are capable of judging believe it to be correct and too plain to admit of any cavilling. The hour mentioned is undoubtedly 1 o'clock, P. M., in the manuscript.

H. M. B. Clayland.

School District No. 14, Richland Tp., Belmont Co. Ohio. At a meeting of the legal voters held at the School House pursuant to public notice, the meeting was organized by electing Robert Clark to the Chair, and H. B. Smith, acting as Secretary, on motion of Thomas Turk the voters proceeded to ballot for Director, persons being present that was not willing to vote peaceably and quietly it was moved and seconded that the polls be kept open until 11 minutes after 2 o'clock, some claimed that the notice was not legal it was moved by one of the directors and seconded and unanimously carried that meeting adjourn and a special meeting be called at another time. About this time some persons came in, the 11 minutes being out, swearing they would vote; damning the K N's, swearing they could whip any thing in the house, &c. Some exciting conversation followed and a riot was about to be raised by David Darrah an Irishman a little inclined in that way. The meeting broke in confusion

Robert Clark, Chairman.
H. B. Smith, Secretary.

St. Clairsville, April 17th, 1855.

I hereby certify that on the 9th day of April, A. D. 1855, Robert Darrah, and a Mr. Harvey called upon me at my office in St. Clairsville, and requested me to appoint school Directors for Sub-District, No. 14.—Mr. Harvey, at the time solicited me to appoint Robert Darrah as one of the Directors for said Sub District. I declined making any appointment at the time and advised them to call an especial meeting and elect their own Directors. I further certify that the said Darrah and Harvey are the only persons that even called upon me and solicited the appointment of Directors for said sub-district, even to this day.

M. J. W. GLOVER, Tp. Clerk.

"There seems to have been some misunderstanding as to the hour the election was to commence. Some said at 10, and others at 1 o'clock."

"The ballot box was then carried off by a Know Nothing Clerk, to a fence corner."

[*Gazette & Citizen.*

Now the question is where did the Editor get this information—did he get it from the old man that squeaks a little when he talks—that voted for the polls to be kept open 5 minutes and then close, and then denied it—or did he get it from the Irishman all shaven and shorn, that had the dog all forlorn, that brought the cows so early in the morn, and yoked the oxen, and fed them their corn, and run the sheep till their necks were torn, that lay in the house that Jack built! Or was it from the bully from the white house that d—d the know nothings, and swore he could whip the best one in the house! Or did he get it from a rowdy Irishman that wears very little hair on his head and very little brains in it, and whose word is valued by every body—over the left! Or did he get it from the man that collects the boys money, and took a little too much tea, on the rail road and laid in the woods something near a half day, feeling up for the ground, and also tele his neighbor at the time that this self same dog worried his sheep and that he wo'd not have had it done for twenty five dollars, and then when he was asked upon oath if his sheep were much injured, he said he could'nt say that they were, and accused his son of swearing a lie, when all believed he swore the truth! Now if it was from any of these men, although they are all members of church except baldy, we will let it go to balance the dog money (amount $3 —over the left.)

SPECIAL NOTICES.

☞FOR BRONCHITIS, Throat Diseases, Hacking Cough, and the effects of impudent use of Mercury, no medicine has ever been discovered which has effected such cures as Carter's Spanish Mixture.

Throat diseases produced by salivation, Hacking Cough, Bronchial Affections, Liver Diseases, Neuralgia and Rheumatism, have all been relieved and cured in a wonderful manner, by the great purifier of the blood, Carter's Spanish Mixture.

The case of T. H. Ramsey alone should satisfy any who doubt. Call on the Agent and procure a pamphlet containing cures, which will astound you. See advertisement.—March 29—1m.

☞The best evidence that can be adduced in favor of the efficaciousness of Hoofland's German Bitters, prepared by Dr. C. M. Jackson, is the unprecedented demand for them from all parts of the Union; and although there may be many compounds prepared and represented as being worthy of a liberal patronage, yet we feel constrained to remark, that the vast number of testimonials with which the worthy doctor has been honored, by persons of the highest character and respectability, who found it necessary to have recourse to his preparation, is testimony sufficiently conclusive, that a more effectual remedy for the almost immediate relief of those afflicted with that direful malady, dyspepsia, has never been discovered. DR. STROBLE'S CELEBRATED PILE LINIMENT.

FOR

Internal and External Piles.

THIS Liniment has been long used only as the private prescription of an eminent Physician. It has been used in this way more than eight years, during the whole of which time, although prescribed in a great number of cases, it has never, in any instance, been known to fail.

Many of the cases which have been effectually cured by this Liniment, have been of more than thirty years standing, causing great suffering and producing considerable ravage upon the system. These chronic cases have yielded as readily to the virtues of this remedy as those of more recent date. Experience warrants the assertion, that there cannot be a case of Piles, uncomplicated with other diseases, which will not be forced to yield before the well-tested powers of this medicine.

Warranted to cure, where the directions are strictly followed. Price $1.

April 12 1855.—3t.

Special Notice to Army Officers, Soldiers, Volunteers, Teamsters, Naval Officers, Seamen, Marines and Navy Clerks, and their Surviving Widows or Minor Children.

YOU are now entitled to a Land Warrant for 160 acres; and if you have already received 80 or 40 acres, you should not be satisfied with quantity, equal to others. Whether you desire to sell or locate your Warrant it is important that it should be properly located. Many are now induced to W. Warrants which are thrown upon the market, from want of a locality (about their county) to be located in. We have recently opened an Agency in WASHINGTON, No. 425, Broadway, New York, who have added arrangements with the Department to enable him to procure Warrants with the least possible delay.

If the applicant is required to furnish a name, age and residence (in their own words) and state, the company, regiment and war in which he served, and the name of the company officer the applicant enlisted under, and on what day, and year, and for what term, whether he was ever recruited any Warrant, and if so, for how many acres, and what has become of such Warrants. If the claim is based upon the navy, the enlistment must be varied according to the facts of the case.

If a widow applies, she must, in addition, give the place and time of her marriage, the name and official title of the person who performed the ceremony, together with the time and place of her husband's death.

On receiving the data, Mr. Livingston will send to the applicant, duly prepared, and ready for execution, all the necessary papers, with full instructions. These papers, when executed by the applicant, will be returned, and either the Warrant itself, or the money therefor, as may be ordered, will be forwarded to the applicant or his attorney. Regular correspondents who prepare the cases of soldiers, and forward them to the undersigned, will be liberally dealt with.

By having all the necessary blank forms, and being fully advised of the decisions of the Courts, and by arrangement being complete, applicants can avoid much of the uncertainty and delay which might otherwise occur.

Counsellor at Law, Solicitor,
