☞NOBLE COUNTY.—A friend writing to us from Enoch, Noble Co., on business, says:

We are now in the midst of an abundant harvest, the wheat Crop in Noble Co., will be fifty per cent. better than last year. Oats will be about 75 per cent better than last year. There is a good prospect of a large crop of Corn this fall.

G. GIBSON.

☞A friend just returned from the west with the Ague, says the west *is* great *shaker*.

☞Owing to the severe illness of Judge HARRIS, there was no session of the Probate Court on Monday last.

☞The OHIO STATE JOURNAL may be considered one of the best political papers in the State, & in the present crisis, is doing good service in the Republican ranks. It should receive from the friends of the Republican movement a liberal support, and one worthy the ability with which it is conducted, and the importance of the present election campaign.—See the prospectus.

WE WERE honored a day or two since, by a visit, from WM. T COGGESHALL, editor of the *Genius of the West*, published in Cincinnati. Mr. COGGESHALL is a talented writer, an accomplished lecturer, and altogether a gentleman and a scholar. He seems sanguine of the success of his enterprise, and is enthusiastic in his devotion to the interests of literature and education. May he live a thousand years, and grow rich publishing the *Genius*, is our earnest wish in his behalf.

☞We do not now, nor did we ever harbor so unkind a feeling toward a man, that we could coolly and maliciously, wish him to be a patron of any kind of a Drug Store, but if a man should, by any unfortunate concatenation of circumstances chance to have his "internal arrangements" *disarranged*, then let him go forthwith to H. Alexander's Drug Store, and get something to put him right. He has Books, wall paper, and a general assortment of Hardware, also, which we can recommend purchases to examine,

☞A friend of Hon. *J. Scott Harrison*, writing to the Cincinnati Commercial, says Mr. H. will not be a candidate for Governor against Mr. *Chase*, and he will so declare himself when the proposition is made to him.

☞We learn incidentally that Dr *Wilson* of Cadiz, was seriously injured on last Saturday, by being kicked and trampled upon by a horse. Several of his ribs and his collar bone were broken, and he was much bruised and cut about the face, and on the body.

☞JOHN WOODS, formerly Auditor of State for several years, died at his residence in Hamilton, on the 30th of July aged 61 years. *Woods* was a man of energy, and his loss will be keenly felt in the city of his residence.

PROSPECTUS

OF THE

OHIO STATE JOURNAL.

Published at Columbus, Ohio, Daily, Tri-Weekly, and Weekly.

TERMS INVARIABLY IN ADVANCE.

Daily,	$6.00 per year.
Tri-Weekly,	3.00 per year.
Weekly,	2.00 per year.

Weekly Campaign paper, for three months, from the time of subscription,	50

☞Clubs of 10 or more, subscribing for three months, can have the privilege of continuing to the end of the year, if desired, by paying $1.00 in addition.

The present proprietors of the OHIO STATE JOURNAL have hitherto made no extraordinary effort to secure an increased subscription to the paper. They desired its character should be established and its claims acknowledged by the requisite trial, in present hands, before they made any appeal to the public. A large expense was incurred in its outfit a year ago; and at no time, since the establishment of the paper, has so large an expenditure been made for its editorial management The low terms at which the paper is furnished render necessary a much increased subscription list, in order to afford adequate returns to the proprietors for labor bestowed and capital invested.

It seems now, on the threshold of an important & exciting election, a fitting time to appeal to its friends for a generous effort in its behalf. The position and character of the JOURNAL are too well known to require any pledge in relation to its future course. Entirely independent in its position, it will as it has done, approach the discussion of all subjects that may fall within its range, of State or National concernment, in a free and independent spirit.

To the maintenance of the principles which gave rise to the Republican organization, the JOURNAL has pledged. *Its past course must stand as a guarantee for the future.*

The Telegraphic columns of JOURNAL contain full reports from the East, the South and the South-West up to the hour of publication. A special report of the Cattle market, prepared for the JOURNAL with great care, will be found in our Commercial columns.

The Proprietors of the STATE JOURNAL, being desirous that the friends of the Republican party should have the opportunity of judging for themselves of its merits, have adopted the plan of sending their regular issue, containing an amount of reading matter not equaled by any paper in the West, rather than make a mere political sheet for the Campaign. The enhanced cost we are confident will be made up by the increased number of its patrons.

☞Our warmest thanks are due our whole-souled friend *T. W. Fawcett*, of Belmont, for a club of *eleven* new subscribers, and a promise of more. This is the way to push on the Republican ball.

Our papers were forwarded to Belmont at the usual time last week. We are entirely out of our last week's issue.

TENNESSEE.—The K N. ticket is probably defeated, though the result is doubtful.

SPECIAL NOTICES.

THE CIRCULATION OF THE BLOOD is justly esteemed the greatest ordination of Divine Providence; by that beating engine, the heart, it is driven to all parts of the system, giving vigor and strength to the complicated machinery of man. This living flood, whether we sleep or wake, sallies briskly through the arteries and returns softly through the veins. How necessary that it should be kept free from all impurity, and yet how negligent many are respecting this great essential to the enjoyment of perfect health. Derangement in the Liver and Nerves is generally the primary cause; and Jaundice, Indigestion, and all the harassing feelings attending Dyspepsia, which make life a burden, result from it. Suicide would rapidly follow suicide, if there was no cure. No one would suffer long, if he is able to obtain a bottle of Hoofland's celebrated German Bitters, prepared by Dr C M Jackson, Philadelphia, they rarely fail in effecting a permanent cure. See advertisement.

PALSY.

ANOTHER INSTANCE OF THE LOST FACULTIES OF THE HUMAN SYSTEM RESTORED BY THE FOREST REMEDIES.

Mr JOTHAN P CONDIT, a respectable citizen of Orange, N J, sends us the following Certificate of the cure of Mrs Condit of Palsey, by the use of the FOREST WINE and PILLS:—

ORANGE, N J., Feb. 14th, 1854.

Dr. G. W. HALSEY.— Dear Sir:—My wife had a stroke of Palsey, so severe that her whole system was completely paralysed. She continued to grow weaker for nearly two years, losing all use and sensibility of her body and limbs. We almost despaired of her recovery. At this time she began to take your Medicines. Their good effects were soon experienced She began gradually to improve in health, and in a few mon hs recovered entirely.—The extraordinary effects of your Wine and Pills in curing my wife of a complaint which we never expected her to get the better of, induces me as a duty we owe to yourself and the public to send you this certificate:

JOTHAN P. CONDIT.

I am acquainted with Mr. Jothan P. Condit, and know the above to be true.

H. P. HERDMAN, Esq.

The case of Mrs. Condit is a striking coincidence of the power of the Forest Remedies in restoring the lost energies of the animal economy. They exert a peculiar influence on the nervous system and blood, penetrate the minutest vessels that verge to the skin, equalizing the circulation and resuscitating the vitality of every part of the body. In all Nervous Disorders, Debility, Affections of the Kidneys, Dyspepsia, Low Spirits, Constitutional Weakness, and various other complaints, these remedies have proved eminently successful.

PETITION FOR DIVORCE.

Thomas Butler vs. Bridget Butler } The above named Deft. will take notice, that on the 14th day of July, 1855 a petition was filed in the Court of Common Pleas of Belmont County Ohio, by the above named plaintiff, praying for a divorce, in the words and figures following, to wit:

Thomas Butler, vs. Bridget Butler. } To the honorable, the Judge of the Court of Com. Pleas, within and for the County of Belmont and State of Ohio.

Your Petitioner Thomas Butler, of the County of Belmont and State of Ohio, hereby complaining, states and shows the Court here, that your Petitioner is a resident of the County of Belmont, aforesaid, and he has been a *bona fide* resident of the State of Ohio, for more than twenty years past before the filing of this his petition. That your Petitioner is the husband of Bridget Butler; that your Petitioner was legally joined together in marriage with the said Bridget on the——day of Feb. A. D. 18——; that the said Bridget Butler, shortly after her marriage with your petitioner, commenced a course of dissipation and continued therein, wholly unfitting her for the discharge of the duties which the marital contract imposed upon her; and your Petitioner alleges and avers the fact to be, that the said Bridget has been guilty of habitual drunkenness for more than three years last before the filing of this petition; and that, also, the said Bridget has been guilty, towards your Petitioner, of gross neglect of duty in this to wit: that the said Bridget would become intoxicated and wholly incapable of discharging the duties of a wife towards your Petitioner, in manifest and open violation and disregard of the marital rights of your Petitioner, and the said Bridget has left your Petitioner and gone to parts unknown to your Petitioner. Your Petitioner, therefore prays, that the said Bridget Butler, be made a party defendant to this petition, that she may answer, all and singular, the allegations aforesaid; and that, on the final hearing thereof, for the causes aforesaid, that your honor would grant a divorce, to your Petitioner, from the said Bridget, dissolving the obligations of their said marital contract, now subsisting between them; and that both parties be free from the obligations thereof, and for such other and further relief as to your honor may seem right and proper in the premises, and your Petitioner will ever pray &c. and the said deft. will also take notice, that at the next term of said Court a decree will be asked for in accordance with the prayer of said petition.

PROF. WOOD'S HAIR RESTORATIVE.

THIS preparation, although less than two years before the public, owing to the wonderful effects upon the human hair and scalp, has already obtained a celebrity and sale perfectly unparalleled. That this preparation will actually

Restore Gray Hair to its Natural Color,

produce luxuriant growth upon the heads of the bald, prevent the hair from falling off, and when used as a toilet article produce a continual flow of the natural fluids, and thus render the hair soft, glossy and wavey, destroy diseases of the scalp and expel dandruff, the certificates of distinguished gentlemen and ladies in every part of the country, who have tried it, and therefore speak what they know, most fully attest. That by a proper use of the restorative the hair can be made to remain in natural color to almost any age allotted to humanity, by removing the cause of the disease from the scalp no matter how long standing—the concurrent testimony of the press and the testimonials of numerous respectable individuals of both sexes leave no doubt. Circulars containing full particulars relative to the use of this curative, as well as the recommendations of editors and certificates before alluded to, can be had of all agents. For sale by
