Wynkoop's Iceland Pectoral.

Diseases of the throat, chest and pulmonary organs are ever prevalent, insidious and dangerous. The properties of a medicine to alleviate, cure and uproot these complaints, must be expectorant, soothing and invigorating, too—filling the mucus of the throat, and imparting tone to the entire system. No discovery in medical science ever mastered this class of diseases like Dr. Wynkoop's Iceland Pectoral. It is used with the most astonishing results in all cases of bronchial affections, whooping cough, diphteria or putrid sore throat, asthma, croup, coughs, colds, nervous irritability, &c.

The Rev. J. J. Potter certifies that, "I have used Dr Wynkoop's Pectoral for several years, myself and in my family, for severe pulmonary complaints, and have recommended it to many others, and have never seen its equal." Rev. J. J. Potter, Brooklyn N. Y.

Hundreds and thousands of important testimonials could be produced, showing its remarkable cures and that it never fails.

It is composed of pure Iceland Moss, Balm of Gilead, Peruvian Balsam, Elecampane, Comfrey, Burdock, and other invaluable expectorant and tonic ingredients. Its harmless, prompt and lasting. Invalids and sufferers cannot afford to neglect a trial. Every family should have it. It is remarkable for croup. Full descriptions, recommendations and directions accompany each bottle.

Sold in Dayton by W. W. Stewart and all principal druggists.

Ætna Life Insurance Company

OF HARTFORD, CONNECTICUT

EVERY MAN SHOULD INSURE HIS LIFE.

THE Ætna grants policies FOR LIFE, for a term of years, Endowment policies and children's Endowment. Also, Non Forfeiting Policies, on which no payment is required after ten years.

Five thousand dollars paid on two losses in this city within the last six months.

Among all the contrivances of men to protect the family circle from want, none can be found more simple in its character, noble in its features, or certain in its results, than Life Insurance. It is the prop which the dying husband leaves to

SUPPORT THE WIFE OF HIS BOSOM

It is the unseen hand of the provident father, reaching forth from the grave, and still nourishing his offspring, and keeping together the family. By it, the faithful son

PROTECTS HIS AGED PARENTS

Even where he has preceded them into eternity; yet the honest debtor satisfies his confiding creditor, when fate seemed least propitious. In a moral and worldly sense, it is one great weapon by which to rob death of his sting.

Lastly husband, father, son, ask himself, "If I was to die this night, would those who are dear to me

BE SAFE FROM THE PANGS OF WANT!

Would these children have a comfortable home, and the means of education? Would this wife be independent of the cold charities of the world. Would this aged and feeble parent be provided for? Would my estate pay my debts? Would there be the sacrifice of property by forced sales or an administrator to meet the demands of creditors—sales made when the market tends downward, and fair prices cannot be realized? How few can answer these question to their satisfaction! They fear to ask them, and cherish the belief that they have a long lease on life. This is both foolish and cowardly. The brave man

LOOKS THE DANGER IN THE FACE,

That he may grapple with it, the wise man, that he may study its nature and palliate its threatening. The means of palliation are at hand, of easy access to all—it is

LIFE INSURANCE!

Young men just starting in business, whose chief capital is their energy and integrity, should insure their lives to the amount of half their liabilities. Such an act of disinterested honesty, when known to their creditors, would justly increase their confidence in them. It would show that they did not wish to leave their best friends exposed to any avoidable contingency; and the

How to Keep in Good Health

AND

WHAT IS THE CAUSE OF DISEASE

THE primary cause of every disease that flesh is heir to is impurity of the blood. The blood becomes impure from many causes. Impure air or change of weather, unwholesome food and exposure are among the principal causes of impurity of blood. The symptoms are giddiness, headache, confused thoughts, sydull and heavy drowsiness, constipation of the bowels, bad taste in the mouth, foul tongue, liver complaints, pains in the back and legs, loss of appetite, sleepless nights, colic, cramp, pain and tightness of the chest, heartburn, gout and rheumatism, pimples and purging, chills and severe more or less accompanying these, and a long train of troublesome and dangerous affections, all of which may be prevented and cured by taking a few doses of Dr. STRICKLAND'S VEGETABLE PURIFYING ANTI-BILLIOUS PILLS. They will purify the blood and put the stomach, bowels and liver in a healthy condition. They are particularly suitable for chronic and nervous diseases. Every family and every soldier should keep a supply of these Pills, as many diseases are contracted by their use. They are a mild and safe medicine, and can be taken at any time without danger of taking cold.

Sold by all druggists, or sent to any part on receipt of twenty-five cents and a stamped envelope, addressed Dr. STRICKLAND, 6 east Fourth street, Cincinnati, Ohio.
