Special to The World

MIAMI, June 7.—According to information imparted by Max Paul, vital statistician for Ottawa county, the number of births during May was nine and the number of deaths was 13, whereas there are usually about three births to one death. There is suspicion that some physicians failed to report births. In the birth record there were five girl babies and four boys.

RAID 'CHOC' JOINTS

Legion Men Participate in Tuesday's Liquor Raids in Which More Than Five Barrels Are Taken

Five barrels of "choc" beer were confiscated and four men, three negroes and one white, arrested in a raid on a "choc" joint at the Hickory cow ranch, four miles southeast of Tulsa, Tuesday afternoon. Members of the American Legion led by Lieutenants Bachelor and Bushell, conducted the raid.

Three of the men, John Doole, white, J. M. Yancy and Floyd Robinson, negroes, were arrested on a charge of possession. Tom Carter, the other negro, was booked on a charge of bootleg.

Two of the barrels were identified as being owned by Yancy and Doole. The other three were found cached in a ravine some distance from the joint and the owners failed to put in their appearance as their property was destroyed by the men.

In the bootleg quarters at 1124 South Boulder avenue, raiding officers found 14 gallons of "choc" and a great number of apples, lemons and raisins, the former chopped, giving evidence of more "in the making." Mary Thomas was arrested on a charge of possession. In the municipal court Tuesday afternoon, Judge F. D. Prentiss assessed a fine of $10 and costs to the woman for possession.

In a shed on East Washington beyond the devastated district of "Little Africa," six gallons of "choc" were confiscated. The owner of the house in which the "choc" was found, however, had left and could not be located.

AGENCIES CO-OPERATE

Red Cross to Form Nucleus for Central Employment Agency Functioning Through Committee

A central employment bureau with the double aim of securing work for idle negroes and putting those who need to work in touch with those who want employees has been established. Plans for the bureau were worked out Monday afternoon at a meeting of representatives from the federated employment agency, the Red Cross, the Y. W. C. A. and the Y. M. C. A. It will function through a permanent committee headed by W. A. Ellis, representing the federal state employment agency, and on which R. A. Hogg, representing the negro Y. M. C. A., Elder Jones, representing the negro Y. W. C. A., Elsie Williams the Y. M. C. A., Mrs. Victor Hunt the Y. W. C. A., Jeremy Moore the open shop, G. J. Jakore the labor unions and T. C. Hopkins the American Legion.

According to the plans worked out at the Monday meeting, the committee will make a survey of the white residential and business district in order to get into touch with those needing workers, and place the negro district in order that refugees may know where to go to get jobs. The majority of the negroes, said N. A. Thompson, who is in charge of the employment department of the Red Cross, want to go to work, once having found their old relations. All employment is to be received through the Red Cross employment office in order to avoid duplication.

The Y. M. C. A., according to the schedule worked out, will fill calls only for temporary day work for negro men. Headquarters are at the corner of Easter and Easton. The negro Y. W. C. A., at the corner of Cincinnati and Archer accepts all calls but will fill only those for permanent work for negro women; the federal state employment agency takes all calls but fills only those for temporary day work for women, and permanent work for negro men. Calls of all kinds are needed and all will be received through the central agency of the Red Cross.
