THANKS TO GENERAL NETTLETON.

The letter of thanks from the Brownsville Business Men's Club to General A. B. Nettleton which is published in THE HERALD this evening is but an echo of the sentiment of all Brownsville. It is felt by all of our people that this testimony in behalf of our injured and misjudged town, coming from a source at once so high and so disinterested, cannot fail to have the effect of convincing [illegible] partial readers of the inno- [illegible]nsville and of the [illegible] black fiends [illegible]" [illegible] of [illegible]lassed [illegible]onal in- [illegible] months [illegible] committed, [illegible]ettleton, char- [illegible] by calm dignity [illegible] constitutes a de- [illegible]nsville and a justifi- [illegible] the President which [illegible] refuted. Brownsville has [illegible]ndeed to be grateful to [illegible]ral Nettleton.

RAIN in Brownsville resembles very much the tears of child-hood—very noticeable and real while they last, but soon dispelled and all traces lost except the added beauty and brightness of the eyes.

THE assassination of Judge Welch has left the tongues of people and been dropped from their conversation but in their memories it is fresh and vivid and will there remain longer than the lives of many of us.

THE time is near at hand when everybody will realize that they cannot get along without land in this country. Our soil will germinate, grow, and produce in perfect form anything planted—a good place tolive and die and be buried.

COMPLIMENTARY RECEPTION.

A Number of Guests Entertained By Mr. and Mrs. B. Kowalski.

A delightful social event was a reception at the home of Mr. and Mrs. Benj. Kowalski which was tendered to their cousin, Miss Mayme Alexander of Laredo. After being duly presented to the fair honoree of the occasion, the guests were entertained with a game of the ever popular High Five, card tables being conveniently placed about the large parlors. When the pretty score cards were consulted at the close of the contest their record showed Miss Rose Hooks to be the winner of the first ladies' prize, a box of fine handkerchiefs, Miss Hetty Dougherty taking the second, a bottle of exquisite perfume. Miss Anna Kenedy had the honor of cutting for the second prize. Messrs. Goldsmith and Sauder cut for the first gentlemen's prize, an elegant shaving set, tne first named winning. Messrs. Emile Wise, McGary and Wayne Wood were claimants for second honors, the first winning on cutting, the prize being a silver penholder. A bouquet of magnificent La France roses was presented to Miss Alexander.

Some excellent music, both instrumental and vocal was rendered by various members of the guests after the game was over.

Fruit punch was served to the participants while they were playing cards, and later they were also refreshed with ice cream and cake.

It was about midnight when the guests finally dispersed, with many thanks to their host and hostess [illegible] charming hospitality. [illegible]ipated, besides [illegible]t of honor, [illegible] Hicks, Julia [illegible]a L. Bollack, [illegible] Goodrich, Mena [illegible]nedy, Hetty Dough- [illegible] Stowe, Rosa Stowe, [illegible]r, Elsie Neale, Katie [illegible] Rosa Hooks and Teresa- [illegible]; Messrs. Emile Wise, [illegible]rles More, McGary, Edgar [illegible]icks, Elkins, Bernard Kowalski, A. W. Wood, Jesse Dennett, Sauder, Wagner, Goldsmith, Stowe, David and Gustave Kowalski and Cole.

LETTER OF THANKS.

Gen. A. B. Nettleton Thanked by Citizens for His Letter to Secretary of War.

General A. B. Nettleton,
Brownsville, Texas.

Dear Sir: At a meeting of the Business Men's Club expressly convened for the purpose, it was decided unanimously that a cordial vote of thanks be tendered you for the interest that you have taken in Brownsville in defending its fair fame against the aspersions of the negro miscreant soldiers who recently shot up our town and in disapproval of the ill advised action of sympathisers of these murderers in the north and east.

Your able letter to the Secretary of War is heartily commended, and your vindication of Brownsville deserves our heart-felt thanks.

It is melancholy to think that upon vague and doubtful testimony people in the north and west who claim to represent public sentiment should, under such conditions, either justify the action of the murderous negroes or sympathise with them in any way.

Your comprehensive letter which brings out the facts clearly and without bias, will do much toward dispelling this wrong impression, and it is difficult to feel that any one, whatever his feelings may have been heretofore, can come to any other conclusion after perusing your letter, than that President Roosevelt is right in his decision.

Again thanking you for your splendid vindication of the citizens of Brownsville, we have the honor to remain.

Yours very truly,
Brownsville Business Men's Club.
By P. E. Blalack, President.

P. S. It is directed that a copy of this letter be formally inscribed on the minutes of the Club.

THE PERFECT WAY.

Scores of Brownsville Citizens Have Learned It.

If you suffer from backache,
There is only one way to cure it.
The perfect way is to cure the kidneys.
A bad back means sick kidneys.
Neglect it, urinary troubles follow.
Doan's Kidney Pills are made for kidneys only.

Manuel Reyes, baker of 500 Lincoln Ave, Laredo, Texas, says: "I was feeling run down and not at all as I should and the kidney secretions were altogether too frequent. My back hurt me at times with sharp shooting pains that almost took my breath away. I came to the conclusion that my kidneys were out of order so procured a box of Doan's Kidney Pills. They did the work in a short time, clearing up the kidney secretions and removing the pain in my back. To anyone suffering as I did my advice is to use Doan's Kidney Pills.'

Plenty more proof like this from Brownsville people. Call at J. L. Putegnat & Bro.'s drug store and ask what customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Hard to Find.

"Thought you said you were a mind reader?" said the caller.

"So I am," replied the professor.

"Well, why do you hesitate? Why don't you read my mind?"

"I'm searching for it."—Yonkers Statesman.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the resnlt, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cnre. Send for circulars jree.
