Freshies and Sophs Beat Seniors And Juniors in Basketball Game

The interest in basketball at the university went to fever heat yesterday when the class series started with a double-header between the freshies and seniors and the sophomores and juniors. It was a glad day for the underclassmen.

The freshmen made 26 points and the sophomores 25, while the opposing teams made only 13 each. Since the freshies are trained for the high school tournament, it was thought that they would out-class any of the other class teams, but they were not a bit better than the soph team. Indeed it is a question if the sophs could not have whipped the freshies yesterday. Freshies 14, seniors 9, was the score in the first half.

In the second half of the senior-freshman game the underclassmen showed to advantage and they ran up 12 points. For the freshies Clarke, Beal, Hawley and McIntyre showed to best advantage. McIntyre and Hawley are old Salt Lake high boys, while Clarke comes from the L. D. S. and Beal from Richfield. Stars for the seniors were Cole, Paul and Peterson.

In the second game the juniors started out with a rush and looked sure to win, as they made three points before the sophs got busy at all. They retained the lead to almost the end of the half, when the sophs showed the best form of the afternoon and ran up a score of 12 to 8 at the end of the first half.

Again at the beginning of the second half juniors were the aggressors. They were not in as good condition as the sophs, though, and slowed up so much that the sophs ran the score up to 25 before the final whistle.

There were some men on the soph team who showed real basket ball ability and two of them will probably make letters on the varsity team before the season closes. These men are Skidmore and Abbott. Skidmore came from Logan, where he played for several years for the championship B. Y. C. team. He plays guard and plays it well. He is exceptionally fast on his feet and throws baskets with as much accuracy as most forwards. Abbott is also a guard. Though small, he is tenacious and the man who gets away from him is doing well. Abbott played with the freshmen last winter and played a few minutes with the varsity team, although he did not play long enough to win his "U." Miller for the sophs was very sure of his baskets and scored a large number of points for his team.

The freshmen and the sophs will meet Thursday for the class championship and the seniors will meet the juniors to see which team wins the cellar championship. Friday afternoon the freshmen will play the fast L. D. S. team in the Deseret gymnasium. The lineups yesterday:

FLYNN EXPECTS FAST BOUT, BUT SHORT ONE

(Continued from Preceding Page.)

day night, after finishing work, and that is that I go into the ring without a worry on my mind," was McCarty's statement tonight.

"I've been hit harder right in my training camp by 'Bull' Young than Flynn will ever hit me. Young weighs 240 pounds. After handling him for two weeks Flynn will feel like a boy to me.

"I'm not coaching my friends to bet on me, because I don't believe in betting. But I am sure that I will win. Flynn is easy to hit, and every man that I have landed on yet has taken the count.

"How long will it last? Until I lay my first clean punch on Flynn's chin."

One of these big men is going to suffer a keen disappointment before bedtime tomorrow night.

BRESNAHAN MAY GET $40,000 DAMAGES

(Continued from Preceding Page.)

board of directors of the National league are Barney Dreyfuss of Pittsburg, C. H. Ebbetts of Brooklyn, August Herrmann of Cincinnati, C. W. Murphy of Chicago and Cornelius J. Sullivan of New York.

Among the other matters disposed of by the National league directors today the most important was the filing of Umpire Charles Rigler's claim for $2200 from the Phillies. Rigler declared this sum had been held out from him by Horace Fogel. He had been promised $2500 for signing Keppa Rixie, the demon southpaw from the University of Virginia, where Rigler acts as coach. Of this amount $300 was paid. In dismissing Rigler's claim the National league decided that its umpires had no business to act as scouts for league presidents. Rigler had Lynch's permission to conduct the negotiations.

In the routine matters New York was awarded the pennant of 1912, and Secretary John Heydler instructed to send a check of $100 for the purchase of it. Tomorrow the annual meeting of the National league will open, at the conclusion of what is believed will be a very short session of the board of directors.

Captain Steunenberg will be requested in future not to sign his poems as an officer of the United States army.
