With the view of extending the circulation of the RICHMOND ENQUIRER in the Southern States, the Proprietors have commenced the issue of a WEEKLY PAPER which contains nearly all the reading matter of the Daily and Semi-Weekly editions.

It is devoted to the political character of the RICHMOND ENQUIRER, which is now what it was half a century ago. We may state that it is the purpose of the Editors to devote all their energies to the discussion of the issues which Know-Nothingism has brought before the country.

The Weekly Enquirer is published every Wednesday morning at $2 per annum if paid in advance, or for $2.50 if payment is not made in advance. A deduction is made in favor of clubs, in the following ratio: for $10 six copies of the Weekly Enquirer will be furnished; for $20 twelve copies; for $40 twenty-four copies, and so on in the same proportion.
