INDIANS ENSNARED IN MAZE OF SPIDER WEB

Shift Formations Bewilder William and Mary, and Pitt Outguesses Opponents to Tune of 48 to 0—Spider Calamities a Myth—Passes Feature.

Eleven Red and Blue Spiders, acting singly and concertedly, wove a maze of web, in the guise of shift formations, delayed triple forward passes and quick kicks, about the feet of an apparently disorganized tribe of Indians at Broad Street Park yesterday afternoon, and in various and sundry ways held the Indians helpless while they romped through the tribe to the tune of 48 to 0. The fracas hardly could be called a football game—it simply was practice for the Spiders, and not unusually good practice at that.

After the first half-dozen plays had been run off, there were few in the park but realized that William and Mary was hopelessly outclassed by Richmond College. The victor was never in doubt, but several times the Indians threatened to push a man over the Spider goal line. Each time, however, they fumbled or held an opponent, and the ball was recovered by a Spider or the Williamsburg eleven was penalized so far down-field that they found it impossible to regain the lost ground.

The Spider machine showed but slightly the effects of the calamity reported to exist at Westhampton. The loss of several players as a result of injuries was not evident against William and Mary, nor was there manifested that lack of pep on the part of the men and the student body that had been complained of. The machine kept on the move, the rooters kept on the howl, and every now and then one of the players kept diving through the weak opposing line for a touchdown.

William and Mary lived up to the reports sent out from the college in all but one respect. It had been reported the eleven had strengthened considerably during the past week. Perhaps it had. There are men on the team who played good ball yesterday, men who fought hard and who performed noticeable stunts, but as for a team at William and Mary this year, that is something yet to be developed. It appeared that the men lacked training, that they had not been coached in concerted effort, for as individuals practically all of the players worked hard throughout the game. But the team lacked punch, it was run poorly on the field, general lacked plays that could have been used to advantage.

Pitt Has Field Day.

So evident was it toward the close of the first half that the Spiders had all the best of the battle that Dobson sent practically all of his second-string men into the game. They did not do quite as well as did the regulars, but it appeared they were capable of protecting the Spider goal line and of crossing that of their opponents.

Richmond College puzzled, tricked, caught off their guard and massacred the Indians with their shift formations. All of the back-field men lanced the opposing line for gain after gain on these shifts, while Carter and Robins, in stately fashion, romped through holes through which a limousine might have been directed by a child. Seldom it was that one of the Spider men was downed until after he had passed the first line defense by several yards. When this did occur it was due to some individual like Wilson, Close or Goslee, who had charged straight forward and had met the runner singly, while his teammates hustled to the opposite side of the line to grapple with a fake attack.

Young Mac Pitt had a picnic all to himself during the greater part of the afternoon. He jockeyed with the opposing eleven, outguessed them in the directing of his team, dodged them time after time, while carrying the ball in a broken field, once saw that it was impossible for him to complete a forward pass after running back about eight yards and then essayed an end run which netted him a twelve-yard gain. And then he closed the afternoon's work by scoring three touchdowns. Pitt eased through the Indian line on straight-line bucks consistently, ran back punts well, and used excellent judgment in the directing of the play.

Forward Passes Bewilder Indians.

Carter and Robins gained considerable ground and were strong on defense, Milbourne and Whittet again upheld the reputation they made in the earlier games. Broaddus, who substituted for Whittet, did well also and made the best tackle of the battle. Shepherd was in the game throughout, while Miller, Jolliff and Fanney carried the ball excellently. Fanney especially has a habit of running low and unusually hard, and, but for his inability to decipher signals as quickly and as accurately as do some of the other backs, probably would be a regular.

In the use of forward passes, Richmond College showed it had paid attention to the reports of the Indian Yellow Jacket melee of the preceding Saturday. Pitt used them often and most of the time they were successful. That triple and delayed forward pass that finally is meant to reach Pitt, who started the play, was worked twice yesterday for good gains. Pitt shot another pass to Whittet on which the end scored by stepping over the line. Another pass, a low hard drive to Miller, was successful also. The Williamsburg eleven seemed bewildered by the forward-pass attack and more than half of the attempts were successful.

Only one of the quick punts was used by the Spiders, but that caught the Indians so decidedly off guard that the play was driven back into the shadow of their goal and play was kept there until another touchdown resulted. Whittet's kicking of six out of seven goals was noticeable also, too, was the manner in which the kick-offs were executed. In punting from regular formations, though, neither of the eleven had much on which to brag. The Spiders probably had something of the better of William and Mary, even in this department.

But the Indian attack was a disappointment, decided and real. They lacked drive, punch, pep or whatever that quality is called that is essential to a winner. The backs often stopped in their tracks before they were tackled. They ran against a mass of grappling players and were thrown back of the point at which they started. The Spider ends were not blocked and more than once broke up plays or tackled the runner far back of the scrimmage line. And but few

YELLOW JACKETS LOSE TO TIGERS; SCORE 14 TO 6

Randolph-Macon Boys Fight for Every Yard in Championship Game at Hampden-Sidney.

TOUCHDOWN IN THIRD PERIOD

Ball Carried Over by Use of End Runs and Forward Passes—Presbyterians Win With Straight Football and "Center Bucks."

HAMPDEN SIDNEY, VA., October 28.—With the Randolph-Macon Yellow Jackets fighting for every yard, the Hampden Sidney Tigers won out this afternoon by the score of 14 to 6. Their touchdowns were made in the first and fourth periods, and were the result of straight football "off tackles" and "center bucks." Randolph-Macon gained her touchdown in the third period, by the use of end runs and forward passes.

The contest was on with the Yellow Jackets kicking to the Tigers. Captain Thurman ran the ball well back, and then began to drive his backfield pellmell through his opponent's line. In five minutes, Huddle had hurled himself across for the first score. Porter made it one more by kicking goal.

In the second quarter, Hampden Sidney was held on the twenty-yard line and Harvey was called on for a drop. The goal was narrowly missed. Then Randolph-Macon took the leather, and relying on short passes and aided by a fifteen-yard penalty, advanced for the first time a few yards into Tiger territory. The half ended with the ball about midfield.

In the third period, Hampden Sidney kicked off to Randolph-Macon, and, after carrying the ball for a good distance into her opponent's field, was forced to punt. Again the Tigers began to romp through the lighter line, but a fumble lost them possession of the ball. Then Captain Cogbill began to reel off his forward passes, and occasionally on a fake formation, to send his full back through the line. Within ten yards of the goal, and, finding a stone wall in the Tiger line, the plucky little Yellow Jackets' captain called for his favorite play, and Full Back Randolph shot a pass to him across the coveted line. The goal was missed.

Hampden Sidney received the wick, but soon lost the ball. Passes and end runs put the Jackets within ten yards of the goal, but the ball went to the Tigers on the next play, because of an illegal pass. Huddle, Crisp and Warren plugged successively at the line, and when the last quarter started, the ball was not far from Randolph-Macon's portion of the gridiron. Straight attacks gradually pushed back the game Ashland boys, and once more Huddle drove through for a touchdown. Thurman kicked goal.

Randolph-Macon received the kick off and was held for downs soon afterwards. A punt was high and short and fell into a bunch of players. Huddle pounced on the oval. With just a few minutes to play, Hampden Sidney started on a forty-yard drive for a third touchdown. Randolph-Macon fought harder than ever. The whistle put an end to it, with the ball two yards from the goal.

Huddle starred for Hampden Sidney, with Crisp, Adams, Allen and Lyle close seconds. Cogbill and Randolph played brilliantly for the losers. The line-up:

H. S.	Position.	R. M.
Gillespie	right end	Moss
Adams	right tackle	Hudson
Allen	right guard	Merberg
Lyle	center	Creekmur
Hoshead	left guard	Morton
Porter	left tackle	Copley
D. Warren	left end	Christian
Thurman (capt.)	quarter back	Cogbill (capt.)
Harvey	right half back	Young
Huddle	left half back	Waters
Crisp	full back	Randolph

Summary: Substitutions—Parrish for Harvey, Graham for Parrish, Warren for Graham, Herzig for Porter, Scott for Adams, Godsley for Gillespie, Wilson for Warren, Palmer for Wilson, Goodrich for Godsley. Touchdowns—Huddle (2), Cogbill. Goals from touchdowns—Porter, Thurman. Referee—Morris, Davidson. Umpire—Robertson, Davidson. Head linesman—Curry, Davidson. Time of quarters—15 minutes.

HERMITAGE TOURNAMENT IS NOW IN FULL SWING

Many Golfers Make Round of Course in Qualifying Round—Gordon Wood Turns In Lowest Score.

Golfers who aspire to be the champion of the Hermitage Country Club by winning the fall tournament, played the qualifying round Friday and Saturday, and a good crowd was out each day. Forty-five cards were turned in for the qualifying round with Gordon F. Wood, one of the younger golfers, turning in the lowest score.

Pairings in the next match will be as follows:

Class A—C. C. Vaughan vs. R. H. Meade, R. B. Valentine vs. J. A. Belvin, E. T. Harrison vs. J. C. Robertson, J. S. Jones vs. Douglas Call, Gordon Wood vs. M. M. McIntire, William Wallace vs. M. Peck, O. J. Sands vs. Peter Winston, O. B. Hill vs. Rives Fleming.

Class B—Wins: Wilson vs. H. W. Hazard, Dr. S. B. Moon vs. John B. Swartwout, G. H. Winston vs. C. B. Dunnaway, T. Garnett Tabb vs. Washby Jones, L. C. Caldwell vs. L. B. Gilliam, Morris Langhorne vs. Paul Mayo, R. C. Duval vs. Joseph L. Anderson, W. C. Lacker vs. J. B. Duval.

Class C—F. S. Valentine vs. D. Handy, S. B. Love vs. Bye, W. C. Whitner vs. Bye, Preston Belvin vs. A. Carlton McKenney, E. P. Laird vs. H. C. Rucker, Young Tyree vs. Bye, M. Call vs. William Rueger, Hunsden Cary vs. D. H. Rucker.

Class A players contest for the championship of the club. Classes B and C play on handicaps, three-quarters of the difference to apply. Choice of three days is allowed for each match, the last day to be default day.

Prizes will be awarded in each sixteen and in the defeated eight.

OLIPHANT DOES MOST IN DEFEATING VILLANOVA

[By Associated Press.]

WEST POINT, N. Y., October 28.—The Army buried Villanova, 69 to 7, to-day. Oliphant scored six touchdowns and kicked nine goals for a total of forty-five points. He skirted the ends, smashed through center and hurled the forward pass.

ATHLETICS FOR GIRLS

PUBLIC SCHOOL LASSIES SHOW INTEREST IN SPORT

Department of Physical Education Offers Opportunities in Various Branches Under Supervision.

An important step toward the development of athletics for girls is being taken by the physical education department of the Richmond public schools. At Bellevue and Fairbridge the girls have already signed their names in the initial canvass. The object of this movement is to create a healthy interest, under proper supervision, in athletic activities suited to their ability.

The rules under which they compete are few and simple, and are based on the principle of the New York girls' branch of public school athletics. At the present time the activities will be limited in number, with the object in view of later widening the field. The competition will also be confined to their respected buildings.

The following is given as an illustration of the competition: All the "1-A" and "1-B" group in the buildings elect captains for basketball, volleyball, endball, relay races and folk dances. Then the captains select their teams, and these teams play a series of games with one another. A record of attendance is kept of all competitors and, if a girl attains a certain grade of efficiency, she is rewarded at the close of the season.

Fairbridge entries follow: Ruth Coverstone, Jettie Thompson, Pansy Burke, May Persey, Ida Byord, Evelyn Jones, Ela Simpson, Mamie Ride, Evelyn Gregory, Virginia Masten, Agnes Lanham, Mary Moore, Gladys Madison, Elizabeth Holland, Thelma Roper, Etta Tally, Elizabeth Swaim, Ruth Fowler, Grace Smith, Estes Newell, Anne Foster, Annie Carmon, Ethel Curley, Edith Maitland, Marie Windle, Lean Woods, Arnette Windle, Gertrude Reynolds, Zoe Neal, Thelma Selph, Colonia Robertson, Eva Craig, Sallie Fisher, Lucy Kidd, Lois Carr, Ruby Jones, Virginia Vaden, Ernestine Chaton, Vira Copley, Elsie Lawson, Cecil Davis, Ruth Johnson, Janie Barnhill, Mae Query, Edna Payne, Cecille Britton, Virginia Reams, Bernice Adams, Elsie Jones, Annie Rowland, Virginia Harrison, Marie Moore, Maxey Bowzie, Mary Williams, Nina Meeks, Alma Lester, Ellen Woodall, Isabella Ellison, Lewis Robertson, Susie Crooks, Marian Shiflett, Ruth Lane, Gladys Fowlkes, Martha Holland, Mildred Brown, Eleanor Schutte, Marie Jones, Estelle Purdue, Minnie Aters, Venella Walton, Louise Wilkinson, Helen Franklin, Leone Bishop, Frances Maurice, Beulah Robertson, Carlotta Dixon, Maggie Garnett, Celia Want, Mary Young, Virginia Campbell, Lena Pinchbeck, Margaret Wright.

CLOSE SHAVE FOR CADETS

TOUCHDOWN NEAR CLOSE PREVENTS LOST CONTEST

Fake Formations Allow Keller to Score Twice for Benedictine Against Heavy W. & M. Academy.

[Special to The Times-Dispatch.]

WILLIAMSBURG, October 28.—Benedictine Military College sent a squad of gridiron warriors here to-day to do battle with the local Academy team, and the best that the Richmonders could do was to tie the score at 12 all. A long run by Keller, of the visitors, coming in the last few minutes of play saved the day for them.

Benedictine was the first to score, and shoved Keller over the line in the first few minutes of play on a fake formation. The local team scored its first touchdown in the second, when it sent Weikert over the Cadets' goal after a series of line plunges.

The locals were considerably heavier than the visitors, and, finding that the Richmond line was much lighter than their own, kept hammering away until Weikert scored the second touchdown in the last quarter.

The Richmond team took a brace after this second touchdown of the locals and managed to hold them during the remainder of the game. Keller, who made the first touchdown for the Cadets, was sent across the line on another fake formation in the last few minutes of play, and the game ended in a tie.

Following is the line-up of the teams:

Benedictine.	Position.	W. & M. Acad.
Keller	left end	Chappell
Moore	left tackle	Gray
Nolle	left guard	Thomas
Koster	center	Alout
Schaff	right guard	Beauck
Kleveshal	right tackle	Acree
E. Sanjour	right end	Hunter
Bauer	quarter back	Armory
Asher	full back	Weikert
S. Sanjour	right half back	West
Hading	left half back	Wormen

Summary: Touchdowns—Keller (2), Weikert (2). Referee, Gaddy, William and Mary. Umpire, Dr. Stryker, William and Mary. Head linesman, Doss.

EPISCOPAL HIGH WINS

Augusta Military Academy Shut Out in Clean and Hard-Fought Game. Baltos' Work a Feature.

[Special to The Times-Dispatch.]

ALEXANDRIA, October 28.—Augusta Military Academy's football team went down in defeat here this afternoon before the terrible rushing of Episcopal High School and, when the referee's whistle ended the melee, the score stood 13 to 0 in favor of the Alexandria team.

The game was clean and hard fought throughout with neither team having a decided advantage. The work of Baltos, for Augusta, was of the highest order, while Dunn was the star for the Episcopalians.

FINE BREAKS AT TRAPS

GUN CLUB SEASON ENDS WITH BLAZE OF GLORY

Storr Wins Crenshaw Cup After Remarkable Performance—Other Cup Winners.

The half-a-day's shoot at the West End Gun Club on Saturday finished the most successful year in the history of this club. From shooters' standpoint, the season closed in a "blaze of glory." Even the non-winners were highly pleased, for none of them made bad scores, and those who luckily won were delighted, for they had to do the best shooting they had ever done to take down the trophy cups.

Class "A" men promptly faced the traps when their squad was called. L. Rueger and William A. Hammond, Jr., tying on 49 flat each, were high men.

In the shoot-off at twenty-five targets, L. Rueger broke twenty-four and Hammond, Jr., twenty-three, giving the Newlan silver loving cup in this class to L. Rueger on the splendid score of 73 out of 75.

In class "B," Dr. Brookwell won the Lumsden silver loving cup trophy with 48.4, his four and four-tenths added targets pulling him by Joe Crenshaw's higher flat score of 46, and just half the added target handicap accredited to the medico, a regular heart's disease finish.

In class "C" there was another tie, between Doswell with 10.4 added birds and J. F. Sheppard with 5.8 added birds. The first shoot-off of this tie resulted in a deadlock, but in the second shoot, Jack ran twenty-four out of twenty-five flat and walked off with the Schwartschild cup.

In class "D," C. R. Moore won with an easy margin, going straight with his handicap and selected the Buchanan silver loving cup.

When these matches were over, the "News-Leader special" distance handicap match was shot. The News Leader silver loving cup was won by W. A. Hammond, Sr., shooting from the twenty-yard mark, who made the good score of 46, one target ahead of William Rueger, Jr., shooting from the eighteen-yard line, whose card of 45 won for him the silver loving cup donated by Jahnke.

The Crenshaw silver loving cup, shot on a distance handicap basis, guns being held below the elbow and targets thrown out of the trap just as fast

GENERALS TIE TECHS

ALL SCORES MADE DURING FIRST MINUTES OF FRACAS

Young, Bethel and Adams Aid Virginians Materially—Georgians Score on Forward Pass—Score 7 to 7.

[By Associated Press.]

ATLANTA, GA., October 28.—In a game filled with thrills from start to finish, the Washington and Lee and Georgia Tech football teams played a 7 to 7 tie here to-day. All the scoring was done in the first ten minutes, although desperate efforts were made by both eleven to count again.

Captain Young, Bethel and Adams, of the Generals, and Strupper, of Tech, were the individual stars. Young paved the way for the Generals' touchdown by returning a punt to Tech's thirty-seven-yard line, and in two more plays placed the ball on the thirty-yard line, where Adams in three plays carried it over. Young kicked the goal.

Strupper did most of the work of getting the ball in position for his forward pass across the goal line to Bell. Preas kicked goal. Washington and Lee threatened to score throughout the second period, but after that was on the defensive most of the time. Gaill, of Tech, missed a field goal by inches, while Captain Young attempted to place a kick which went wide.

The line-up:

W. & L.	Position.	G. T.
Larkin	left end	Dunwoody
Young	left tackle	Black
Bryan	left guard	Alexander
Picotte	center	Phillips
Moore	right guard	Lang
Ignico	right tackle	Carpenter
Neffen	right end	Bell
Bagley	quarter back	Morrison
Young	left half back	Strupper
Adams	right half back	Johnston
Sorrels	full back	Glover

Score by periods:

Washington and Lee	7	0	0	0—7
Georgia Tech	7	0	0	0—7

Referee, McCollman (Michigan); umpire, Jones (Penn State); field judge, Phillips (Sewanee); head linesman, Hamilton (Vanderbilt). Time of periods, 15 minutes each. ROANOKE COLLEGE BEATEN FOR FIRST TIME AT HOME

[By Associated Press.]

ROANOKE, VA., October 28.—Numerous fumbles and a line that was broken almost at will, lost the game for Roanoke College here to-day to Davidson, 20 to 0. Only once was Davidson's goal really in danger. It was the first time that the teams of the colleges had met, and the first game Roanoke College has ever lost here.

YALE SECURES REVENGE

WASHINGTON AND JEFFERSON ELEVEN TROUNCED AT LAST

Team That Will Oppose W. & L. Here Beaten 36 to 14—Forward Passes Play Conspicuous Part.

NEW HAVEN, CONN., October 28.—Yale to-day avenged itself handsomely for its failure to defeat Washington and Jefferson in one of its three annual gridiron meetings. The bulldog humbled the Pennsylvania eleven, 36 to 14 in a game featured by brilliant Yale hammering and end-running, and by persistent, although frequently, incomplete passing by the visitors.

The visiting rush-line was unable to stem the tide. Five times the Yale backs went over the Washington and Jefferson goal line, and once Harry Legore, Yale's most brilliant back field performer, lifted a field goal. Three times Charley Comerford kicked goal following touchdowns, accounting for Yale total.

Twice Lloyd McCreight, the all-round Washington and Jefferson star, went across the Yale goal line, registering touchdowns.

The Washington and Jefferson backs were unable to gain consistently. During the entire afternoon not a first down was recorded by rushing. The forward pass was played by the visitors as their only trump card, and twice they displayed a brilliant series of consistent gains.

Both their scores were earned by clever manipulation of the forward pass game, and they escaped scoring a third time only by two scant yards when Nuss, after receiving one of McCreight's brilliant forward passes, was run out of bounds at the very portal of the Yale goal line and injured so badly that he was carried from the field. Fully 15,000 persons saw the game, including the Second Connecticut regiment, which has just returned from the Mexican border. The line-up:

Yale.	Position.	W. & J.
Gates	left end	Whitehill
Taft	left tackle	Henry
Black	left guard	Wimberley
Hutchinson	center	Guy
Grant	right guard	Drew
Babbidge	right tackle	Clarke
Comerford	right end	Treisell
Smith	quarter back	Stumm
Carey	left half back	Rubble
Legore	right half back	Hale
Jacques	full back	McCreight

Substitutions: Washington and Jefferson, Whitehill for Wickersham, Nuss for Hale; Yale, Meacle for Gates, Neville for Legore, Gates for Comerford, Laroche for Smith, Fox for Babbidge, Lynch for Church; Zenger for Black.

Summary: Touchdowns—Carey (2), Legore, Neville, McCreight (2). Goals from touchdowns—Comerford (3), McCreight (2). Goal from field—Legore.

CURRY AGAIN DASHES DESIRE OF VIRGINIA

His Great Runs and Goal Kicks, With Cody's Field Goals, Vanquish Orange and Blue—Sparr Makes Only Virginia Score After Lengthy Run.

[By Associated Press.]

NASHVILLE, TENN., October 28.—Captain Rabbit Curry, whose sensational open-field running last year prevented Vanderbilt from being shut out by Virginia, again dashed the hopes of the Orange and Blue to-day when by great runs he put the Commodores in the way of a 27-to-6 victory over the Old Dominion eleven. Curry, besides making runs of sixty-one, forty and eleven yards, kicked three goals and participated in a forward pass that netted twenty-five yards.

Curry was aided greatly by the accurate drop-kicking of Cody, who twice in the second period sent the ball between Virginia's goal posts. One of the kicks was from the twenty-yard line and the other from the twenty-five-yard line.

Floyd scored the first touchdown for Vanderbilt in the opening period, when he plunged through tackle after Curry had raced forty yards through the Virginia team. Curry then kicked an easy goal.

Virginia came back strong. Wagenknight returned a punt forty yards, and Sparr added thirty-five more around end, bringing the ball to Vandy's five-yard line. Here the Vanderbilt team was penalized twice for offside play, and after five successful plunges at the line, Sparr rammed through tackle for a touchdown. This was Virginia's only score, and from then on they were mainly on the defensive.

Vanderbilt added six points in the second period. A forward pass, Curry to Cohen, netted them twenty-five yards, then Virginia held. Cody dropped back to the twenty-five-yard line, from where he drop-kicked an easy goal. Four minutes later he repeated it from the twenty-yard line.

Ward opened the third period by booting across Vanderbilt's goal line. The ball was put in play on Vanderbilt's twenty-yard line and Curry then made a spectacular run of sixty-one yards through the Virginia team. Wagenknight stopped him with a great tackle. Floyd then skirted Virginia's right end for forty yards and his second touchdown. Curry kicked a goal.

Curry squirmed eleven yards through tackle for Vanderbilt's final touchdown, and then kicked goal. The line-up:

Vanderbilt.	Position.	Virginia.
Hayes	left end	White
Cody	left tackle	McKay
Williams	left guard	Coleman
Hamilton	center	Cheselman
Carmen	right guard	Thurman
Lipscomb	right tackle	Wood
Cohen	right end	Dareth
Curry (Captain)	quarter back	Wagenknight
Floyd	right half back	Russell
Zerfoss	left half back	Smith
Ray	full back	Sparr (Captain)

Score by periods:					
Vanderbilt	7	6	7	7	27
Virginia	0	0	0	6	6

Summary: Referee, Barry (Georgetown). Umpire, Hackett (Army). Head linesman, Watkins (Sewanee). Field Judge, Cogwell (Alabama). Time of periods, 15 minutes. Vanderbilt scoring: Touchdowns—Floyd (2), Curry. Goals from field—Cody (2). Goals after touchdowns—Curry (4). Virginia scoring: Touchdown, Sparr.

Substitutions: Vanderbilt—Beasley for Floyd; Adams for Hayes; Geer for Carman; Norman for Ray. Virginia—Hagar for Darwin; Carrington for Wagenknight; Kinsolving for Smith; Stewart for McKay; Gooch for Steward; Calvert for Ward.

VIRGINIA TECHS WIN HANDILY FROM AGGIES

Carolina A. & M. Outclassed and Opponents Pile Up 40-to-0 Score Without Trouble.

RODEN PLAYS MOST OF GAME

Lancaster Sent In During Last Quarter and Makes 30-Yard Pass for Touchdown—Aggies Fail to Make Single First Down.

NORFOLK, VA., October 28.—The Virginia Polytechnic Institute eleven clearly outclassed North Carolina Agricultural and Mechanical in this afternoon's game, winning by the score of 40 to 0. The Techs kept the ball in Carolina's territory throughout the four quarters, their opponents failing to score a single first down. Reed, Gardner and Younger were the stars of the game, pulling off clever plays for the victors. Lancaster, who went into the game in the final quarter, negotiated a successful thirty-yard forward pass to Gregory for a touchdown.

The game was won by the largest score in the history of the six years of interteam clashes between the two elevens, and before 3,000 people. Not a single first down were the Aggies able to make, something like a record in their games with the Techs. V. P. I. registered sixteen first downs, and suffered the loss of ninety yards on penalties to twenty for the Aggies.

In rushing the ball from scrimmage, the Techs registered 249 yards to the Aggies' eighty.

Nelson outdistanced Rice and McDougal on an average of fifteen yards to the punt, the Tech line held firm, and the Tech flankers were deadly in their tackling, as the absence of first downs for the Aggies shows. But the most important fundamental in which the Techs outclassed their opponents was in clean handling of the ball, for the Down Homers committed fumble after fumble in their own territory, and successive Poly backs soon converted these faults into points.

In the final period, the Techs scored three touchdowns, even it their coach was using second and third-string substitutes, while the Aggie reserve proved unequal to the task of stemming the attack.

Van Brocklin, the red-headed star of former years for the Aggies, was used more than half the time in the Carolina attack, but was not able to pierce the Tech line, or circle the Virginia flanks. He got away for a thirty-five-yard run on receiving a kick-off in the fourth period. He did yeoman work on the defensive, but could not stem the rising tide singlehanded.

The line-up:

V. P. I.	Position.	A. & M.
Gregory	left end	Pearson
Parrish	left tackle	Honewood
Treakle	left guard	Lawrence
H. Moore	center	Whittaker
P. Moore	right guard	Nance
Caffee	right tackle	Cook (Captain)
Younger	right end	McMurray
E. Roden	quarter back	McDougal (Captain)
Foothouse	left half back	Rice

YELLOW JACKET TENNIS PLAYERS EASILY BEATEN

Trinity Representatives Outclass Randolph-Macon in Both Singles and Doubles.

[Special to The Times-Dispatch.]

TRINITY COLLEGE, October 28.—The Trinity tennis team easily defeated Randolph-Macon in both doubles and singles on the local courts yesterday afternoon. Young and Larkin, for Trinity, completely outclassed the Randolph-Macon pair, and were never in danger at any period of the match.

By consistent teamwork and the terrific serving of Young, Trinity took the first set, 6-4. Newman and Swift, for Randolph-Macon, were lost before the smashing attack and superior net work of Trinity. The next set came even easier than the first, Trinity taking this, 6-1.

In singles, Young found Newman rather easy. He took the first set, 6-1, by keeping his opponent in the back court. Although Newman won the first game of the second set, he was unable to take another game after this, and lost this set, 6-1. Larkin played an unusually steady game, and won from Swift in two straight love sets.

JOHNNY AITKIN SMASHES EVERY SPEEDING RECORD

Wins Harkness Cup at Sheepshead With 108-Mile-an-Hour Clip From Large Competing Field.

NEW YORK, October 28.—Johnny Aitken, in a Peugot car, smashed all records in the race for the Harkness cup at Sheepshead Bay to-day by covering 100 miles in 56.37 seconds, averaging 108 miles an hour. Incidentally, Aitken defeated a field of twenty-two fast cars and drivers and took the lead for the championship from Dario Resta, his chief rival for racing honors.

Frank Galvin, in a Premier car, astonished the crowd by finishing in second place in 56 minutes and 45 seconds, only eight seconds behind the winner.

Wilcox, in another Peugot, finished third in 57 minutes 10 seconds. Henderson, in a Maxwell, was fourth in 58.14, and Defore, in a Dusenberg, was fifth in 59.22.

Resta, who was a favorite with the crowd, led for the greater part of the race up to the sixty-mile mark, when he had tire trouble. He had to withdraw four miles further on when he broke the crankshaft of his car. At that, Resta won something like $1,500 in lap prizes to console him for his defeat.

The real race of the day was between Aitken and Resta, who drove at a terrific pace from the start, averaging better than 109 miles an hour for more than fifty miles, when both met with tire trouble. Then came the Resta accident, which put him out of the running.

Only a handful of spectators occupied the huge grand stand, despite perfect weather conditions.

Outside of the Harkness cup race there were eleven starters in a fifty-mile special race for nonprize winners in the main event.

This was won by Devigne, who drove Harry Harkness's car to victory in 28 minutes and 40 seconds, averaging 104 miles an hour. Milton, in a Dusenberg, was second, Meyers, in a Peugot, was third, and Charles J. Dolin, in another Dusenberg, was fourth.

Down the Alleys

A number of old bowlers of this city met last Friday night at the home of Willie Spillings and organized a club known as the Richmond Social Bowlers Club. The club has been divided into two teams, and will roll once a week on the Palace Alleys.

The rules of the league in general are as follows:

First, Bowlers absent on the night of the match will count as 150, and no charge shall be made for the alleys if bowlers are absent.

Second, The losing side shall pay 50 cents a night for each man, and the absent bowlers will have to pay that amount if their side loses.

Third, The tournament each night shall consist of three games, and the side which wins two out of the three games will be the winner.

Fourth, Tournaments shall be held every night until thirty-six games have been played.
