FINANCE AND COMMERCE

THE CLOSING QUOTATIONS OF MONEY.

Offerings and Sales at the Richmond Tobacco Exchange—Internal Revenue Collections—Foreign Advices.

NEW YORK, May 19.—The improvement in the stock market made further progress to-day. The relations resulting from realizations or from bear raids were less pronounced than of late, and seemed to stimulate purchases by those who have recently espoused the bull side. The engagement of $2,000,000 gold for shipment by to-morrow's steamers had little or no effect, money on call being extremely easy and funds on time believed more freely than of late. The advance was equal to ¼@4¼ per cent, and everything on the list participated in the rise. Manhattan, Pacific Mail, the Vanderbilts, Lackawanna, the Western Union, Cigar and General Electric Companies were real leaders of the market, closing at or near the best figures of the day. The commission houses had many orders than for some time, and the bears covered freely. Distillers added 2¾ per cent, at the opening to 14, on the proceedings instituted by the attorney-general of Illinois for the annulment of the charter, but subsequently receded 1¾. The demand during the last hour was more active than at any previous time of the day. The sales footed 278,000 shares, of which 20,000 were sold short. Speculation closed strong in tone.

Money on call has been easy, ranging from 2 to 2½ per cent., last loan at 2 per cent., and closing offered at 2 per cent. Prime mercantile paper, 6@8 per cent. Sterling exchange is firm; posted rates, 483½@486; commercial bills, 483@483¼. Government bonds have been dull. State bonds have been dull. Railroad bonds strong.

Sub-Treasury Balances—Coin, $58,125,000; currency, $15,083,000.

Corn sympathized with wheat, ruled steady and closed with ⅛@¼c. advance. A feature to-day was the relative firmer tone of July, compared with September, the difference most of the time being ⅝c.

There was a fair trade in oats and a steadier feeling. May and June showed more strength and advanced ½c., while the other futures were up ⅛@¼c., and the close was steady at nearly the top.

VIRGINIA NEWS NOTES.

Items Gathered Here and There and Everywhere Throughout the State.

Mr. Thomas D. Gold, the former treasurer of the company, has been appointed receiver of the Berryville Land and Improvement Company.

The dwelling of J. G. Buford, near Big Island, Bedford county, was burned Saturday, together with all of his household furniture.

It is expected that nearly one thousand firemen will attend the State Firemen's Convention to be held in Staunton June 7th and 8th.

The Iron Gate Furnace Company, of Craig, has leased the old Grace Furnace tract and have set about the construction of a three-mile narrow-gauge railroad to connect the mines with the Craig Valley railroad.

The annual meeting of Friends, held in Hopewell church, about six miles north of Winchester, Saturday, was largely attended, the crowd being estimated at from four to six thousand.

Near Raleigh Springs, Rockingham county, on the 6th instant, Buster Payne and Charles Baily shot and killed a large female bear and captured her three cubs. Both shot at the same time, and both inflicted fatal wounds. They were accompanied by A. M. Newman and Joe Gladwell, the latter of whom had seen the bear near that place the evening before.

The oldest church existing in the United States is situated in Smithfield, Va. It was built in the reign of Charles I., between the years 1630 and 1635, the brick, lime and timber being imported from England. The timber is English oak, and was framed in England. It is a brick structure, erected in the most substantial manner. The mortar has become so hardened that it will strike fire in collision with steel.

A. Broaddin (Rep.) and S. J. Richey (Dem.), opposing candidates for clerk of the Page County Court, have entered into an agreement, sworn to and subscribed before a notary, obligating themselves not to levy or procure votes for money, whisky, nor through any other unlawful means, and to prosecute any one, friend or foe, who shall buy votes for them. A deed of trust in the penalty of $5,000 has been executed by each to the other on their homes, conditioned to meet the full requirements of the agreement. The latter sets forth plainly that money can only be used to defray legitimate expenses.

A warrant for lunacy was sued out against Mr. D. Pierce Crockett, of Wytheville, and he was tried Wednesday before Esquires Obenchain, Brown and Cooper, and adjudged insane. He was ordered to be removed to the asylum at Marion. Mr. Crockett was tried some years ago in Montgomery county for killing a man named Hall, and was then adjudged insane and committed to the asylum at Staunton. After remaining there for several months he was released on bond, but recently his lunacy has been so alarming as to cause his friends to have him again confined.

On Saturday last a personal encounter took place in the streets of Marshall, Fauquier county, between Mr. William A. Fishback and Mr. James Glasscock, both of them young men. Mr. Fishback received a severe knife wound in the stomach, and his life was at one time despaired of. Three doctors were with him during the night. It seems there was a misunderstanding between the young men on account of Mr. Glasscock having worked for Mr. Fishback, and there being an unsettled account between them. We are informed that Glasscock was under the influence of liquor at the time. A warrant was issued, and he was examined by Justice W. H. Lake, who sent him on for examination by the grand jury at May court. W. T. Kerrick, constable, brought him to Warrenton, where he will remain in jail until the fourth Monday.
