RUPTURES
RADICALLY CURED!

Letter from Dr. W. T. Mills to the Editor of the Vicksburg Daily Sun.

VICKSBURG, Miss., May 8, 1860.

Hernia can be Cured Without Needle or Knife!

Mr. Editor: I deem it one to those afflicted with this terrible and painful disease, to inform the following statement: A negro boy, about 19 years of age, had been afflicted with the Hernia for the space of three years. The boy belonged to John Gaither, Esq., of Issaquena county. Two operations were attempted and pronounced his case hopeless. As there was a difference of opinion about the mode of treatment, I was suggested the use of the knife, to which I at first demurred, but finally yielded. I took him to New Orleans and obtained the Patent Truss of Dr. J. A. Sharrard, and after having used that instrument and the Hygienic Curative Medicine, which I brought with me, the boy was cured, and is now perfectly well. This was in the fall of '55. For the last three years he has been busy on his plantation, doing all the work of a full hand, rolling logs, etc., and has not heard incommoded. I give this statement for the benefit of those who have this disease and for my gratitude to Dr. Sharrard.
W. T. MILLS, M. D.

Extract from a letter Written Three Years Previous to the Above, in reference to the same boy.

Issaquena Co., Miss., May 8, 1857.

Dr. Sharrard, New Orleans:

Dear Sir—The boy Dorcey is perfectly cured of the rupture he is one of the finest hands I have on Deer Creek, and can do a much work as any man.
W. T. MILLS, M. D.

Letter from Dr. Thos. J. Harper, one of the most eminent Physicians in the South and Southwest.

VICKSBURG, MISS., March 3, 1860.

Dr. Sharrard—Dear Sir: I send the boy Dan to you to be cured of a rupture, which I performed the operation for, and failed which my skill is to blame for the failure. I am satisfied the plan is right, and that you can cure him. Please write to me by the time of the cure. Respectfully,
THOS. J. HARPER, M. D.

☞ This letter was in reference to a slave boy about 14 years old, who was ruptured on both sides, and who was subsequently returned sound. The following explains itself:

VICKSBURG, MISS., May 7, 1860.

Dr. Sharrard, New Orleans:

Hon. Mr. Chase sends me word to apply to him a suitable Truss. He has really been ruptured a short time. He was obtuse of every three State Truss. In them, however, I have but little confidence, but would gratefully receive one if it reach me in time. I send my son to you.
THOS. J. HARPER, M. D.

DR. BELDEN'S OPINION.

NEW ORLEANS, Jan. 6, 1860.

Samuel Davis, Esq.:

Dear Sir—Believing that Dr. Sharrard's Truss has supplied by him, will give relief more effectually than any other. I have therefore tried his on one of my patients. I know of several cures by the use of it and the machine. I recommend you to try one, but be sure Dr. Sharrard himself applies it, as much depends upon the fitting.
R. BELDEN, M. D.

☞ DR. SHERMAN respectfully informs ruptured persons or those having ruptured slaves, that he has returned to the city and may be found at his office, No. 207 CHARTRES STREET New Orleans, prepared to relieve and cure all cases of rupture by the application of his PATENT SILVER TRUSS and CURATIVE MIXTURE.
