LOCAL & GENERAL NEWS.

THE Police Court will hereafter open at 9:30 o'clock, A. M.

THE Portuguese Band wants to join the Honolulu Rifles.

MR. J. Lyons holds a special auction sale at 11 o'clock to-morrow.

HACKFELD'S steam scow took out 350 tons of coal in bags to the Triumph yesterday.

MR. Geo. Beckley says the Kinau will return next Sunday morning with 14,000 bags of sugar.

THE Royal School has a new Vice-Principal, Mr. C. H. White, who went on duty in that capacity yesterday.

THE Chinese theater on Queen street is no more. The building will be used as a business house by Quong He Ong & Co.

THE Missionary barbentine Morning Star is still on the Marine Railway being repaired. She will receive a 12-inch shoe to her heel.

CAPTAIN Bray, who has resigned the mastership of the Morning Star, intends to leave, by the Zealandia, to settle in Oakland, California.

THE "Friend" and "Anglican Church Chronicle" for May are out and are well filled with the usual variety of interesting matter.

HAWAIIAN Lodge of Masons is called to meet at 4 o'clock, P. M., every day this week for Instruction, conducted by the Grand Lecturer.

OWING to the number of events taking place this week, the "Myrtles" have decided to change the night of their Ball to Thursday, May 13th.

MESSRS. Enoch Johnson, James H. K. Kaiwi, and J. Haleakala Barenaba, have been admitted to practice, as barristers, in inferior Courts of the Kingdom.

KANEOHE and Hecia mills, Koolau, have stopped grinding for the season, and Eleele and Kekaha mills, Kauai, have suspended operations for a few days for repairs.

AN earthquake that occurred at Kaneohe several days ago, shook the houses pretty much, and the people working in the fields ran to the mill, thinking the boiler had burst.

MESSRS. J. D. Spreckels Bros. will act as agents of the Alden Fruit and Taro Company, for the Pacific Coast, and Messrs. Irwin & Co., are to be sole agents for the Hawaiian Islands.

DURING the opening of the Legislature last Friday, Mr. J. Williams took a magnificent photograph of His Majesty and staff in official uniform, at the entrance of the Government Building.

MR. R. C. Bamfield has just completed two beautiful sketches, in water colors, of the residence of Theo. H. Davies, Esq., at Waikiki, from the long bridge, and of Diamond Head, as seen from Mr. Davies's residence.

THE Admiral, Captain and officers of H. B. M. S. S. Triumph, accompanied by H. B. M. Commissioner Major Wodehouse, and H. B. M. Vice-Consul T. H. Davies, paid a visit to His Majesty at the Palace this morning.

A GENTLEMAN received a box of California oranges by the Zealandia Saturday. They were in good condition, and it is believed that if the fruit can be received here in good order from the Coast the price of Island oranges will be lessened.

THE final concert of the subscription series was given by the Campobello troupe last night, and was, in point of merit, all that could be desired. A farewell concert will be given to-morrow, at reduced prices, and it is to be hoped that the Opera House will be jammed full on the occasion.

THE S. S. Australia will sail from San Francisco for Honolulu on May 15, in charge of Capt. Webber. She has been thoroughly renovated, as her sister steamship, the Zealandia, will be on returning to the Coast, and both will sail under the Hawaiian flag. The Zealandia sails hence on Friday next.

THE steamer Jas. Makee, that arrived this morning from Kauai, brings news of a bold robbery at Kapaa last Sunday night. A store owned by a Chinaman named Alama was entered through a window, and about $380 worth of watches and jewelry stolen. There seems to be no clue to the robbers, who were too knowing to leave traces.

HIS Honor Justice Preston goes to Hilo, by the Kinau, to-day, to hold the May term of the Third Circuit Court. Mr. W. A. Whiting will attend for the Crown, and W. H. Halstead as interpreter. Five murder cases are to be tried. The prisoners, T. Curly, a white man, three Chinese and a native, will be taken from the jail here, in charge of Officer Fehlbehr.

THE schooner Malolo, Harry Swinton, master, arrived this morning from Laupahoehoe with 2180 bags of sugar. She made the round trip in 6 days, which include the time consumed in discharging 25,000 feet of lumber and a large quantity of general merchandise, also receiving 2180 bags of sugar. She made a good run up, and was 11½ hours loading, but on her return she was about 60 hours on account of light winds. While heaving anchor at Kaiwilahilahi her anchor hooked a chain, and after working at the catch for several hours, an unexpected squall came, carrying away straps and tackle, which let go the chain. It was discovered, however, that this chain had an anchor on one end and a buoy on the other. It was moored there four years ago by Captain H. Swinton, when Kawilahilahi machinery was landed, and the buoy no doubt became leaky and filled with water.

NEW STEAMSHIP LINE.

A London despatch to the Toronto *Globe* says:—"Truth to-day states that the imperial government has decided to subsidize a new line of steamers between British Columbia and Hongkong and Australia by paying £100,000 annually for 10 years. The steamers must be first-class and capable of carrying guns and troops. If required, the government will have the right to use the steamers in the event of war." Very probably this line will make Honolulu a calling port.

at less expense than any other farinaceous preparations.

Highly recommended by physicians as an invaluable diet for persons suffering from disordered stomach or bowels, as well as a nutritious food for the healthy.

For Sale by all Grocers.

DIRECTIONS FOR MAKING POI.—Take the desired amount of flour and mix very thin with cold water, being sure there are no lumps. Confine this in a bag or cloth and place in a kettle of boiling water, and let it continue to boil 1½ to 2½ hours, according to quantity used, care being taken to place a piece of perforated tin at the bottom of the kettle so as to prevent the cloth from burning. When done (while warm) stir with a stout spoon, adding a little water until the whole is well mixed. Let this stand from five to six hours. Then add water in small quantities, mixing thoroughly and kneading until the desired consistency is obtained. Owing to its purity it takes from three to four days to become acid or sour. [313 3m
