We Know By Experience

Wise men use the experience of others and make it their own.

Those who have taken Hood's Sarsaparilla are the ones who are competent to speak of its merits.

The testimonials of cures by Hood's constitute a vast mass of testimony which proves the power of this medicine to cure a great variety of diseases.

These cures often seem marvelous, yet they are perfectly natural and are easily explained. They are the necessary result of purifying and enriching the blood.

"I have been troubled with scrofula all my life, and it effected my eyes so that I was obliged to remain in a dark room. I began taking Hood's Sarsaparilla. Now my eyes are so strong that the light never troubles me, and my health is good." MRS. CARRIE WEEKS, Lompoc, Cal.

ABOUT OLAA SQUATTERS

Land Agent Brown was seen yesterday in connection with the matter of the Olaa lands now taken up by squatters. Mr. Brown seemed to look at the whole thing as a huge joke on the squatters and spoke of their attempt of taking up land in the following language:

"There is no question in the minds of the Government and the people of the Land Office as to the rights in the matter. In fact we have not been in doubt for a moment. Not only will the would-be squatters have to act under the land law of Hawaii which does not allow any such schemes as they have been trying to set on foot but if they do act under the laws of the United States they can only take up a certain class of unsurveyed land. The Olaa lands upon which they are now squatting are not only surveyed but the Government intends to open them up in the near future as has been done with other lands in the district mentioned.

"I can sum up the thing in a moment. The men who have squatted have no confidence in their move. They are simply there in the event something does turn up in their favor. Why not very long ago one of the men who is now squatting came to me and said that he had taken up the land before anyone else in order that he might have first say in the matter should there be any decisions from Washington but he had no confidence whatever in his right to hold the land. He stated that the others were of the same mind.

Mr. Brown would not give out the names of the men who are squatting but remarked casually that whoever they might be they would have to cease squatting in the near future or when the court should see fit to decide in the matter.

These opinions given by a man who knows all about the matter should go far to quiet the minds of those who have been a bit "rattled" since the squatters took possession of the land.

In connection with what he said Mr. Brown hinted very strongly at an attorney and another Hilo citizen who are wont to make frequent trips to Honolulu as being connected with the squatter movement.

Pantographs are largely used as a source of amusement by young and old while they guide the unskilled hand in making enlarged drawings from smaller pictures by a mechanical process. KING BROS., have them for sale. 110 Hotel street.
