WATERFRONT NOTES

THE PACIFIC MAIL liner Siberia will arrive off the port at an early hour on Monday morning according to the latest advices received at the agency of H. Hackfeld. The steamer should be granted a prompt practique and be along side the Aiakea wharf by eight o'clock. It is the present intention to hold the vessel at the port for twenty four hours and in that case she will be dispatched for the Far East about seven o'clock on Tuesday morning. The steamer is reported as bringing 525 tons of general cargo from San Francisco.

PURSER PHILIPS reports the following sugar as awaiting shipment at Hawaii ports of call visited by the steamer Mauna Kea: Olaa 19,600; Waiakea, 14,000; Hawaii Mill 4800; Wainaku 5500; Onomea 18,600; Pepeekeo 8600; Honomu 8500; Hakalau 7800; Laupahoehoe 11,900; Ookala 4000; Kukaiau (D) 1486, (H) 5627; Hamakua 12,580; Paauhau 5600; Honokaa 2000; Kukuihaele 1495; Punaluu 4656; Honuapo 3028 sacks.

NORTH WINDS and moderate seas have been encountered by the Pacific Mail steamer Siberia, according to late wireless messages. At 9 o'clock last night the vessel was 918 miles off the port, steaming from San Francisco. The steamer is due to arrive at Honolulu early on Monday morning and will be dispatched for the Orient on Tuesday morning.

THE FREIGHT list of the steamer Mauna Loa, from Kona and Kau ports included the following items: 3210 bags sugar, 648 bags coffee, 107 packages bananas, 67 bales tobacco, 17 cases sisal, 73 cases liquor, 11 boxes of pigs, 16 boxes chickens, 288 packages sundries. Purser J. L. Friel reports 34,387 bags of sugar awaiting shipment.

THE MATSON NAVIGATION S. S. Lurline, reported last night as 1350 miles from Honolulu, is due to arrive here on the morning of July 6. The vessel is bringing a general cargo from San Francisco. Castle & Cooke announce that the Lurline will sail on a return voyage to the Coast taking a full list of cabin passengers.

THE UNITED STATES army transport Sheridan, from Manila by the way of Nagasaki, Japan, is due to arrive here on Sunday evening, according to a wireless message from that ship received at the office of the quartermaster. The Sheridan was 500 miles off the port at 9 o'clock last night.

THE OCEANIC steamer Sierra, en route from Honolulu to San Francisco, is reported by wireless as follows: "880 miles from Honolulu; fresh northeast breeze, moderate sea, hazy clear weather; barometer 32, temperature 66."

AFTER A PASSAGE of twenty-one days, the schooner Camano, leaving here on June 9, after discharging a shipment of lumber, has arrived at Port Gamble.

THE DEPARTURE of the Matson Navigation freighter Nevadan from Kahului with a shipment of sugar is reported. The vessel is destined for San Francisco.

A WIRELESS from the Matson Navigation steamer Hilonian states: "385 miles off the port; pleasant weather, will arrive Tuesday morning."

HEAVY RAIN squalls were met with along the Kona coast during the last homeward trip of the steamer Mauna Loa.

Special embroidery sale at Jordan's on Tuesday.

Tin Soon, who is said to be on board the Sierra, has other charges to face after he has served his one year for horse stealing, and the added sentence for escaping from prison.

H. L. Holstein, the national committeeman of the Republican party, arrived this morning from Kohala on the Mauna Kea. He will probably leave next Tuesday for his Hawaii home.

The petition of Robert Wallace, ancillary administrator of the estate of Clement Sneyd Kynnersley, to carry on the coffee plantation at Kealakekua, Hawaii, was granted today by Judge Robinson.

The Onoto self-filling fountain pen is far in the lead in public favor. That's because the Onoto is by far the best fountain pen in the market. Full line at A. B. Arleigh & Co.'s, Hotel street, opposite Union.

Anderson Grace is said to have cabled a straight tip on the Jeffries-Johnson fight and the much wanted one says Johnson will win in a canter. Grace is at present at the hot springs where he is recuperating after his long sojourn in Hawaii.

Marie Davis was today granted a divorce from her husband, Peter Davis, by Judge Robinson, the ground being desertion and failure to provide. The couple were married on October 18, 1909, and on February 6, 1910, the husband deserted his wife.

District Magistrates William Weiner of Hanalei and Kapahee of Koloa, Kauai, are in town, having returned yesterday from Kalihi, where they have been attending the evangelical convention. They will leave for their homes on Kauai next Tuesday.

KUHIO IS COMING

(Continued from Page 1)

The yachts sail from San Pedro on July 9, and will take at least twenty days for the trip across the Pacific. Tuesday will bring Kuhio home after the prohibition plebiscite on July 26.

John G. Woolley, the promoter of the prohibition propaganda, has declared repeatedly that Kuhio would make it a point to be back in Hawaii some weeks before the plebiscite and would take the stump in support of the enactment of a prohibitory law.

It now seems that Mr. Woolley is somewhat shaken. Instead of following the Woolley program, the Prince is going to "take his trick at the wheel" of the good yacht Hawaii in an effort to bring the Territory's representative first across the finishing line in the annual yachting event of the Pacific.

Until the cable was received by Long it was expected that the Prince was on the Siberia with Secretary of War Dickinson and General Edwards.

The Prince will probably see the Jeffries-Johnson fight and then turn his face toward San Pedro.

Fit for An Emperor

You get more than good Havana tobacco in Van Dyck "Quality Cigars."

You get the choicest leaves of Cuba's finest crops, and only the choicest;

—tobacco that is selected for its rare perfection in flavor, its exquisite fragrance.

Royalty commands no better.

Van Dyck

"Quality" Cigars

Not if you were to pay $1.00 apiece, could you get a cigar that afforded greater luxury, more thorough enjoyment, more enduring satisfaction.

Yet you will pay half for these cigars what you would for equal quality in the imported.

The difference lies in the duty which we save by making our cigars in Tampa, Florida.

In all other respects, they're the same as the imported. We even employ Cuban experts in the making.

And there's a Van Dyck Quality Cigar for every taste—from the thin, mild panetela to the fat, full-flavored perfecto.
