That Little Hacking Cough

Hard coughs are bad enough, to be sure. But it's often the little, hacking, tickling, persistent cough that means the most, especially when there is a history of weak lungs in the family. What should be done? Ask your doctor. He knows. Ask him about the formula on the label of every bottle of Ayer's Cherry Pectoral. Ask him if this medicine has his full approval for throat and lung troubles. Then do as he says.

TWO AVIATORS ARE KILLED

(Associated Press Cable.)

PARIS, June 18.—Two aviators killed and four injured in a most sensational manner marked the start of the great air race from Paris to London, Eng., and return, today.

It is estimated that nearly one million spectators watched the beginning of the race, in which there were fifty starters, and saw the tragedies of the air.

Burned in Midair.

Captain Pinctau of the French army had risen in his biplane to a considerable height when his motor exploded and the unfortunate man was hurled to the ground, literally burned to death in midair before his body reached terra firma.

Aviator Lemartin, after proceeding a short distance, lost control of his machine and was dashed against a tree and crushed under the motor of his biplane.

Fatally Injured.

Still another aviator was fatally injured when the gasoline in the tank of his machine exploded and he was severely burned, the machine being only a short distance above the field at the time.

Within a short time after the start three other aviators fell in their machines, but it is believed they have escaped fatal injuries.

SMITH TRIES TO SIDESTEP.

WASHINGTON, D. C., June 18.—The special committee of Congress which is investigating the sugar trust is determined to secure every item of information possible, and will accept no excuses from any witness it desires to have before it to testify.

Representative T. W. Hardwick of Georgia, chairman of the committee, yesterday telegraphed to Joseph F. Smith, president of the Utah and Idaho Beet Sugar Refining Company and head of the Mormon church, that he must be present in Washington and ready to testify before the committee, as to the connection of his company with the trust, on next Thursday.

Asked to Be Excused.

President Smith wired back to the committee that he could not possibly attend at that time, as he was suffering from an attack of rheumatism, and he asked to be excused on the ground of ill-health.

The reply of Chairman Hardwick was that Smith would have to attend or an officer of the House would be sent to bring him to Washington. Then it was that President Smith wired back that he would be on hand.

COLLAPSING BULLPEN CRUSHES PRISONERS

WAYNESVILLE, N. C., June 18.—Four shackled convicts were killed and twelve other convicts and guards were injured here today when the mountain bullpen, in which they were confined, collapsed.

The crash came with very little warning and the four prisoners in the cells had no chance for life. It is stated that the cause of the accident was the heavy roof, which crushed in the building. An investigation will be made to fix the responsibility.

CARRIED CREW OF STRIKEBREAKERS

NEW YORK, June 18.—The steamship Momus, Captain Boyd, sailed from this port today for New Orleans manned with strikebreakers. Her sailing was delayed, but the steamer got away without trouble. The striking members of the International Seamen's Union have so far preserved order.

WILL CURTAIL ON RAILWAY PAYMENTS

WASHINGTON, D. C., June 18.—Postmaster-General Hitchcock, in a statement issued today, declares that many railroads are greatly overpaid for carrying the mails and asserts that by a reorganization of rates he hopes to save nine million dollars to the post-office department.

FITZSIMMONS INJURED IN AUTOMOBILE ACCIDENT

BATAVIA, N. Y., June 18.—Robert Fitzsimmons, the noted pugilist and ex-champion heavyweight fighter of the world, was severely injured here today by the overturning of an automobile in which he was riding.

CORONATION DECORATIONS ATTRACT THOUSANDS

LONDON, June 18.—Millions viewed the wonderful decorations along the streets today. So great were the crowds at times that traffic was frequently suspended.

HAMMOND WILL BE THERE.

LONDON, June 18. — John Hays Hammond, special ambassador from the United States to the coronation of King George V., is due here Monday and will be tendered a reception by Lord Sandhurst on behalf of the King.

Ambassador Whitelaw Reid is confined to his home by sickness, but is improving and is expecting to attend the reception to the Indian and other monarchs and potentates next week.

MONEY BUYS REVOLUTIONISTS.

MEXICALI, Lower California, June 18.—The band of sixty Magonists, which has been holding this town for some weeks, has accepted $600 to lay down arms, march across the border and keep on moving. The money was paid by agents of Madero.

SUBMARINE MAKES RECORD.

GLOUCSTER, Mass., June 18.—All submergence records by submarines was broken yesterday, when a flotilla of seven submarine torpedo boats made the run here from Newport, R. I., one of the submarines being submerged for eleven hours.

MAY CHANGE CABINET.

MEXICO CITY, June 18.—It was rumored here this evening that changes in the cabinet of Provisional President Francisco Leon de la Barra are probable within a few days.
