ONE MONTH LATER!

FROM the "Photographic and Fine Art Journal," published in New York City, November number, page 352:

"THE MELAINOTYPE.

"This style of picture we have spoken of in a former number, and we can only add here that our prediction as to their capability of superseding the Ambrotype, is fast becoming realized. There is a pleasing artistic effect about them that can never be produced by the Ambrotype. This, together with the perfect ease with which they can be made, the certainty of their everlasting quality, and the impossibility of their destruction by any of those accidents which would be the ruin of an ambrotype, will secure their general adoption."

W. H. DeSHONG,

181 Main street, opposite Worsham House, Memphis, Tennessee, has the exclusive right of that city for the MELAINOTYPE PATENT. They are much superior to the Daguerreotype, Ambrotype or Sphereotype, and cost just the same. Give him a fair trial. n49-1y

BOOKS! BOOKS!

C. C. CLEAVES] [R. A. SELDEN

Cleaves & Selden,

BIBLIOPOLISTS,

241 Main st., Memphis, Tenn.,

Will, for the future, present rare attractions to the Bibliographer and Bibliomaniac. Mr. Cleaves' experience, (from assiduous and unremitting attention to the business for fifteen years past) and Mr. Selden's acknowledged energy and activity, are the surest guarantees to the community for the fulfillment of their promise to make their establishment the exclusive of the literary world. Having now "ample room and verge enough" to give scope to their cherished intention of exhibiting to the Southwest a Bookstore in the broadest sense of the phrase, they now ask respectfully that all will call and determine for themselves whether "the performance is in keeping with the high-sounding manifesto."

For the Religious World:

Protestant and Catholic, Methodist, Presbyterian, Episcopal and Baptist, of whatever sect, we propose keeping the standards of their respective faith, and the "vade mecumes" of their daily life.

The World in General!

Such as desire an acquaintance with the extensive range of literature at the present day, will find upon our shelves all that the Press, that mighty engine of knowledge, sends forth of ancient or modern classics, of history, poetry, philosphy or belles lettres.

Professional Men

Will be furnished with all the authors, legal or medical, ancient and modern, European and American, which may be desired. Particular attention will be given to this hitherto neglected branch of the trade. In a word, our purpose is to keep always on hand Religious, Political, Scientific, Mechanical, Legal, Medical, School and Miscellaneous Books.

Stationery.—Foreign and American Blank Books, of all kinds and sizes; Copying Presses; Bank Checks and Notes; Pencils, Pens, Ink, Paper—letter, note and cap; Envelopes, of all sizes; Wafers, Sand, etc., to furnish to the trade in the city and out, and to individuals, at wholesale or retail, as reasonably as may be desired; to supersede, in brief, the necessity of going elsewhere to supply their wants.

All our departments are complete. We solicit a continuance of the liberal patronage we have heretofore received, that we may have inducement to keep them so. *Call and Examine.*

THE HEALTH OF MISSISSIPPI.

This section of country has never been so healthy as has been this season, and the cause of it is the large quantities of

M'LEAN'S

Celebrated STRENGTHENING **Cordial and BLOOD PURIFIER**

That has been used. Now it has become an indispensable remedy in every family. For children having the Summer complaint, Hives, Blotches on the skin, &c., it is an infallible remedy. When taken it neutralizes any morbid or billious matter in the stomach or bowels, strengthens and invigorates the digestive organs, and causes healthy secretions of the liver and kidneys. This is the reason why it has proved so efficacious in curing Diarrhœa, Dysentery, Bowel Complaint, Pain in the Stomach, &c.—It has cured many that were afflicted for years with Chronic Diarrhœa.

M'LEAN'S STRENGTHENING CORDIAL,

Is a certain remedy for Weakness, Faintness or Debility, Sick Stomach, Billiousness, Headache, Bad Breath, Dizziness, Dyspepsia, Sour Stomach, or any disease of the kidneys, womb or bladder. It will restore the feeble, sickly, pale and emaciated to health and strength. There is no mistake about it—we can refer to thousands to prove that fact.

One tablespoonful taken every morning, fasting, is a certain preventive for Cholera, Chills and Fever, &c.

Also, M'Lean's Volcanic Oil Liniment.
