EVENING REPORT.

Money 3½@4 per cent., closing at 3½ per cent. Prime mercantile paper 5½ per cent. Sterling exchange, bankers' bills strong at $4.83; do. ex. demand, $4.86.

Governments ¼ per cent. lower for threes and fives; otherwise unchanged.

Bonds—Railroad bonds moderately active and firm.

State Securities—Without feature except Alabama class Bs, which advanced to 101⅝.

Stocks—In the stock market the net results for the noon's business was an advance of ¼@1⅝ per cent., the latter for Oregon Transcontinental and Michigan Central. Between 12 and 2 o'clock the market was less active and weaker, with a net decline of a fraction in the general list and 1⅛ per cent. in Michigan Central, 1¼ per cent. in Chicago, Burlington & Quincy and 1½ per cent. in Delaware, Lackawanna & Western. In the last hour the market was more active and stronger and the net result was a general advance of ¼@1¼ per cent., making the closing prices ½@1¾ per cent. above the closing yesterday. Union Pacific was exceptionally strong and advanced 1⅝ per cent. Western Union Telegraph was also active and strong and advanced ⅝ per cent. in the last hour. Chicago, Burlington & Quincy was weak and declined ⅞ per cent. to-day. Delaware, Lackawanna & Western was generally weak during the day but closed strong, as also the general market.

The *Evening Post* says: The decline in the last month is very insignificant in puoportion to the influences said to be at work. If we except Lake Shore, Chicago & Northwestern, Chicago, St. Paul, Minneapolis & Omaha and Louisville & Nashville, for the decline in which there was a special reason, and Union Pacific, for the decline in which there was no sufficient reason, the decline on the rest of the market is very small. The real fact is, the Northwestern railroad war and its consequences upon Chicago & Northwestern, Chicago, St. Paul, Minneapolis & Omaha and Chicago, Milwaukee & St. Paul, together with the compulsory purchase of Nickel Plate, demoralized the speculating ard investive public and prevented the usual January rise in stocks. There has been a substantial bottom to the market or it would have declined a great deal more under exaggerations.

The *Post* also says: If a settlement of the legal fight between the Western Union and Mutual Union Telegraph companies is completed in a basis upon which all the negotiations have been settled except signing the documents, it will result in the consolidation of offices and lines so as to reduce the expenses of both companies from $300,000 to $500,000 and consequently leave that much more net income.

MINING STOCKS.

Mining stocks to-day dull; Sierra Grande sold at 260, Robinson Consolidated 105, Little Chief 40@42, Navajo 575, Bulwer 90 cents and Sonora Consolidated 22 cents. Sales for the day, 87,015 shares. Pipe Line certificates dull and steady at 103¾@103⅞, closing on call at 103¼.
