MONROE DROPS THREE IN A ROW

Record Breaking Crowd Witnessed Tuesday's Double Bill. Black Giants Split With Visitors In Two Hard Fought Battles. Port Arthur Is Next Attraction.

Concluding with Tuesday's double bill the Monroe, (La.) Giants closed their engagement here with the Dallas Black Giants.

Sunday's twin bill was rained out, the playing field at the hour sheduled for play resembled a site for Water polo. Long before the hour of play there were more than a hundred fans having assembled, braving the storm like clouds that hung heavily over the city a few hours before playing time, eager to witness the second start of the visitors who showed on a previous day to have been a very tough nut.

The hand full of fans present were disappointed when old Jupiter Pluvius ,hero in many battles interfered by sending down a steady stream of liquid drops that moistened the earth freely.

The locals annexed the opening game Saturday 7 to 6, ten innings. Vance and Williams performed on the hill for the visitors with Sneed and Long waging the heavy end of the fight for the Goliaths. Top Carrington and Dewitt Owens broke up the affair in the tenth.

Bullet Proof Jess Ming let the visitors down Monday with two hits and a shut out; score 6 to 5.

The visitors broke even in Tuesday's double bill with the Giants winning the first tilt 2 to 1 and the visitor the second game 5 to 2.

Winning pitchers: Vance, Williams and Bell. Losing pitchers Banks, Harris and Long. Long went in second game of first inning with one man down and four runs registered and the bases choked. He allowed only one run off his delivery which was a home run drive over left field wall by short stop Orange. Harris whom he relieved was knocked out of the box in one-third inning. Harris is a youngster and has ear marks of a comer.

Here is the outcome of the series:

MONROE 6; DALLAS 7.

The Dallas Black Giants won the opening game from Monroe Giants here Saturday at Riverside Park, 7 to 6, ten innings. In an effort to cop the initial fracas, both clubs used two pitchers.

Carrington's walk and Owen's two-base drive to left field scored the winning run for the locals in last half of tenth.

MONROE 1-5; DALLAS 2-2.

More than five thousand interesting fans saw the local club down Monroe Giants in the first game of a double bill here July 4 with Pitcher Bell, one of the Giants' star left-handers standing on the hill. It was a two to one affair.

Banks was the pitching idol from the time it Carey, who's Manager Bob Sloan sent out Pitcher Bell for five innings it was a nothing and nothing fracas until first of the fifth when pitcher Bell threw the ball away trying to force a visiting player at first. It was a costly error giving the visitors their only run of the game after which Bell tightened up and pitched a masterly game.

Pitcher Vance was bumped in the ninth round for a marker as a squeeze was brought into play in the last of the ninth and Hamilton came across with the wining run.

The visitors knocked Harris out of the box in the first inning of the second game and was relieved by the veteran Byrd Long. Harris yielded four runs. Errors aided the visited from runs. Errors aided the visitors in piling up the huns. Long went in with one down and the bases choked and got away in the round without being scored upon. He was stung in the third frame for a home run drive by Short Stop Orange of the visitors. This was the only yield he allowed.

Pitcher Vance for the visitors was sent to the showers also after the first stanza. He was hit hard by the local batsmen. He was relieved by Williams who held the Black Giants runless the balance of the go.

SPORT SALAD WITH DRESSING.

"Vash" Harris started the fire works again Monday in the second wanna that resulted in the home squad annexing two markers. It appears that "Vash" carries a wicked wallop at times.

"Bullet Proof" Jess Ming is carrying an awful kick in that old right wing, that is a hundred proof irrespective of bottle or bond. If this bird can keep going at such a terrific clip, he will be heralded as one of the greatest right handers in the Lone Star loop.

Manager Bob Sloan, fly wheel of the Giants wrecking Crew and Manager of the club is driving his men in a satisfactory manner. He is working his men in a way that the best results are obtained.

Say what's the matter with Mrs. Carey's goat, Molke? Come, get the cotton out you're eye. Pat! are words very often heard out at Riverside park, when Dickson Green, ground-keeper, yells from the press box.

Top Carrington and Dewitt Owens are two valuable additions to the club and these bugs are going like a house a fire.

Pitcher Bell pitched one of the best articles of base ball in the last series with Sand Crabs ever seen here. Bell was invincible throughout the entire twelve innings of play. Bell when right is hard to beat.

Jess Ming held big Emmett Scott of Monroe in the palm of his hand Monday. Struck him out three times.

Hubbard was sent to the showers early in Monday's game and Williams who relieved him failed no better; bother were pounded hard and often.

Demon Joe Goodrich, Dallas' speedy third baseman is delivering in timely fashion. Joe keeps plenty of pep and fire in the game.

Jerry Williams is still playing his bang up game at the key-stone station.

Froncell Manley's work as an arbitrator is proving more satisfactory each day. He is handling the indicator justly and in a satisfactory manner.

A resolution has been passed in both houses of fandom, that President Strickland allow the rooters a chance to root some. The bill has been enacted and will become effective Sunday.

Chicago, Ill., July 6.—Losing two games to the Cuban Stars of Havana, Cuba caused the American Giants of Chicago to go into fourth place in the league race when Detroit won from St. Louis and the Monarchs of Kansas City kept up their dizzy pace by taking four straight from the leaders in the Negro National league. The upsets came as a surprise to the fans.

The Cubans have found their stride. Their double victory over Chicago club sent them into fifth place.

The American Giants play a double bill with the St. Louis club and then go into the hardest series of the year when on July 8-9-10-11-12 Kansas City comes here. This series will place either one of the two clubs in a hard position to land the pennant. On the other hand prior to their coming Kansas City faces Detroit in Kansas City and then Detroit on July 4, comes for a four game series here with Foster's men. St. Louis is in Kansas City on the fourth while the Cubans will try and pull the A. B. C's out of first place at Indianapolis on the same date.

Fans believe that unless there is a sudden reversal of form shown by some of Foster's players, they will be looking for other jobs. For some reason they are not playing their usual game. Changes in other clubs are follows; Jess Barber has been released as outfielder of the Detroit club after failing to report for duty in the last game against Pittsburgh in the Smoky City; Anderson, second baseman for the Monarchs secured from a white club of Denver, has been released and John Donaldson, outfielder and pitcher of the Monarchs has quit and will manage the All Nations baseball club; Joseph, a hustling youngsters replaces Anderson. In Chicago, Johnny George of New Orleans is working out at short for Foster, while Mariarcher, spiked by Moore in the games with Kansas City here, is covering second, owing to the illness of Capt. DeMoss.

The Kansas City club surprised the followers of the league by taking three out of five from Foster and so did St. Louis, who won three out of four. Force of Detroit entered the hall of fame Tuesday against St. Louis in Detroit when he pitched a no hit, no run game, only three men reaching first base.

The Bacharachs of New York are headed West. Again they face the American Giants on a five game series. With Treadwell, Redding, Roberts and Winters in tip top form, Connora expects to repeat his feat of May when he took four out of five games from Rube Foster. The New York club will play Pittsburgh on July 6-7-8; at Cleveland on July 9, 10, 11,12, and on July 23, 24, 25, 26, 27 the American Giants at Chicago.

Chicago, Ill, July 6.—Romeos, white, gave Union Giants a 11 to 0 trouncing in a twilight game at Justin Park last night. Dick Cantwell worked seven innings and allowed one hit. Thompson poled two homers.

Birmingham, Ala., July 6.—Nashville strengthened its hold on the Southern League leadership Monday, when they beat Birmingham 7 to 6.

Although the Black Barons lost Monday, one thing must be said of them they never know when to quit. With the score heavy against them, the locals started in to overcome the big lead and came within one tally of doing that very thing.

The game was a thriller from the start to the thrilling finish and kept the fans on their toes throughout the innings of real baseball. Everything in the diamond sport was in evidence in Monday's battle.

The wielding of Juran at first and Geechee at short for the Black Barons were especially bright lights in the locals' play.

The Nashville team is leading the Southern Negro League and are but a game and a half away from the top.

KEYSTONE-HOMESTEAD GRAY BASEBALL GAME ENDS IN NEAR RIOT.

(Preston News Service)

Pittsburgh, Pa., July 6.—Playing the first of a scheduled three game series at Central Park Friday evening, a near riot between the players of the two teams and spectators was stopped only through the timely arrival of a large squad of police.

The game, one of the most hectic ever played at the home of the Keystones, stood 12-13 in the eighth inning.

In the ninth inning, the Grays shoved two runs across the plate on clean hits after two men had been retired. With Barber on second and "Mo" Harris at bat, a slow grounder was hit to second base. Burnett fielded the ball, and Umpire Smith called the runner safe at first when Barbour juggled the ball. Burnett and the rest of the Keystone team ran in and began protesting. "Cum" Posey, the Gray's manager, also began to argue. It is said he made some remark to Burnett who knocked to the ground with a short right to the jaw. At this juncture the excited fans surged on the field. Order was restored only through the prompt arrival of the police. Umpire Stoner then called the game.

Second Baseman Gooden Hurt by Pitched Ball.

Ernest Gooden, flashy secind baseman of the Keystones, was hurt in the eighth inning of the game here Friday afternoon by a pitched ball from Pitcher Canady of the Homestead Grays. With the count two and two, Canady shot a fast ball down the lane. The pitch was wild and caught the batter Gooden a glancing blow inflicting a painful cut just above the right eye. A stitch was required to close the wound.

PRIZE RING.

New York, N. Y., July 6.—Jack Dempsey, heavyweight champion has finally agreed to meet Harry Wills, the "Black Panther," in battle for the title "champion of the world." His acknowledgement of Wills' challenge has been announced by the New York State Boxing Commission. Wills posted $2,500 some time ago for a match and the commission issued a proclamation, that, unless Dempsey before July 10, accepted reasonable conditions, his title would be declared forfeited as far as New York State boxing territory was involved.

In accepting the challenge, Dempsey, through his manager, Jack Kearns requested that a conference between the principals be held soon.

No date for this conference was mentioned in the statement issued by the boxing commission, but it is understood the managers of the two heavyweight will meet and arrange the necessary preliminary deals within the next ten days.

Manager Mullins, speaking for Wills, said that he desired a bout before fall, but such appeared improbable. Tex Richard, the promoter from whom, it is understood, both heavyweight expect an offer, stated emphatically that he would not be interested in a contest before next summer.

"It is entirely too late," he said, "to attempt to stage a bout of this caliber this year.

"In order to meet the terms of Dempsey and Wills it would be necessary to hold a match in the open air and make numerous arrangements for handling a huge crowd of spectators. As a result of my experiences in the Johnson-Jefferies Dempsey - Willard, and Dempsey-Carpentier bouts, I know it would require fully six months properly to prepare the arena and boxers for this contest.

Issue Forced on Commission.

A number of circumstances are said to have contributed to forcing the fight to an issue. The New York State boxing commission has been none too friendly toward Colored boxers and has prohibited mixed matches, thus giving Colored boxers no chance against the titles or big purses battled for the white boys. But a hard political battle is in sight and it is rumored that the political wiseacres advised the boxing commission to be a bit more liberal in its attitude. Governor Miller stated that the entire matter was in the commissions hands, and that he had no objection of his own to mixed matches.

Putting the bout off for a year has its disadvantages many followers of the game feel. First Wills, whom most Colored fight experts feel is hardly a match for Dempsey because of the former's far greater age, will be still older. Second, opportunity will be given for the politicians to switch their position. In the meantime, the attention of the sporting world will be on Harry Wills, the modest gentlemanly fighter who is to have his chance for a place in the sun.

Henderson, Texas, July 6.—The Henderson base ball club won five more games, Two from Tyler, one from Dallas All Stars, one from Jacksonville Black Tigers and one from Chicken Feathers Nine| Losing only one game to Jacksonville 6 to 8.

KNIGHTS OF PYTHIAS PICNIC AND BALL GAME.

Patton's Pythian Giants swamped Jim Talbert's Damons at Riverside Park Tuesday afternoon by giving them a 17 to 4 trouncing.

Judging from yesterday's scores Jim's starters are no match for Patrace horses.

Featuring the occasion was John Brown's work at first base, Allen Gibson work at short, both for the Pythian Giants. They hit the ball in timely fashion.

Dr Howell of the Damons played a bang up game at third base.

Will Ewing in left field had three chances but failed to accept either of them. Pitcher Mathis for Damons was knocked out of the box. John Jacob the famous third base star pitched for the balance of the go for the Damons. The game was very interesting from start to stop. We noticed Wednesday an increased sale of wizard oil. Sloan's liniment and other rubbing drugs were in evidence. There were also prevalent a few old stiff joints.

The annual picnic in the amusement park was largely attended. A large and enthusiastic crowd greeted the Knights and Calanthes. Right fielder, Whitley and center fielder Moore got a few chances also.
