Group Withholds Support Of Move to Probe Police

The Columbia Heights Citizens' Forum last night rejected a motion to support the resolution of Senator Ball, Republican, of Minnesota to have a Senate committee investigate the Metropolitan Police Department.

The motion had been referred to the Appropriate Committee of the forum at a previous meeting, and this committee had refused to report it out. Brought up at last night's meeting, the motion was declared out of order.

The forum also turned down a motion to approve giving ambulances the right to go through red lights. The Health and Safety Committee declared more lives would be lost through this practice than would be saved by the added speed of the ambulance.

Three talks were heard at the meeting. The first, on the Metropolitan Police Boys' Club, was accompanied by a moving picture, and was given by Lt. F. L. Binswanger. The second, on the X-ray drive, was given by Walter J. Mack of the Survey Speakers' Bureau. Mrs. Lila Updike spoke on her trip to Mexico and showed color slides.

The meeting, held in the Powell Junior High School, was conducted b Dr. C. J. Fernald, president.

Military Road Bus Line Extension Backed by Group

The Dahlgren Terrace Citizens' Association went on record last night as favoring the proposed extension of the Military road crosstown busline to connect the existing busline, now serving the Northeast area.

At a meeting in the Noyes School, Tenth and Franklin streets N.E., the association voted to write to the Public Utilities Commission, indorsing the plan to extend the Military road line east, to North Capitol street, then south over North Capitol and Hawaii avenue and east over Taylor street to connect with the Northeast busline.

The association also approved the proposed amendment to the traffic regulations, designating Tenth street N.W. as one way southbound and Twelfth street N.W., one way northbound, between Pennsylvania and Vermont avenues.

A motion held over from the last meeting, which would have required all prospective new members to take a "non-Communist oath," was defeated.

Last night's meeting was conducted by Gerald F. Colfer, president.
