**Grain Palace Music.**

As time draws near for the Grain Palace exposition it is apparent that it will be the grandest of its kind ever held in Aberdeen. Besides the excellency of the exhibits the attractions will be more varied and numerous than ever. Standing out preeminent as one of the great features is Watson's Military band, a musical organization of about fifteen pieces, which is the peer if not the finest band in the whole northwest. This feature alone is worth coming many miles to see. Members of the organization will form an orchestra and play for the Andrews Opera company during their engagement here.

The bursting of a blood vessel at the base of the brain is said to be the cause of the stroke.
