Public Roads.

Mebane, N. C., Jan. 22, 1902.

Mr. Editor—Dear Sir: I have lately been examining my works on Good Roads and Engineering, and had occasion to examine some of the principal roads in Alamance county, and I am satisfied that it is possible for us to have better roads in Old Orange. While we may not be able at present to make regular gravel roads, with some additional expense we could prepare much better dirt ways. I think it would be essentially necessary to have at least two good engineers to personally superintend, who have some practical knowledge of grades, levels, draft, &c., and a small amount of machinery, a roller, scraper and plow, which if properly attended to, might be used for different sections. There has lately been a road, leading from Mebane to Haw River, made of dirt, and I think a horse to a buggy could very nearly trot over every yard of it, and a team could perhaps draw at least a third more on it than on the average roads in our county. I have traveled over and examined all the roads in Orange county and know whereof I speak. The work that we have done, for want of proper engineering, leaving the road bed in dish shape without water breaks, &c., results in a total loss of perhaps not less than twenty five per cent of the work done. I have heard some of the farmers say they would be willing to pay some additional tax to have better roads, and it is apparent to all that bad roads are a severe tax to any people, and especially to farmers. It may be claimed that we are not able at present to make improvements. The main point appears to us to be are we able to do without good roads as such are doubtless a means of prosperity to any people? I suppose in the spring of the year would be the proper time for the principal work to be done. I submit these ideas respectfully that they may lead others to consider and some good may be done in this direction.

Respectfully yours,
GEO. W. TATE.

The General G. B. Anderson Chapter of the U. D. C.

The annual election of officers was held by the Gen. George B. Anderson Chapter of the United Daughters of the Confederacy on Monday afternoon, January 20th, at the residence of the Misses Cameron, and resulted in the re-election of the old board, viz: Mrs. George P. Collins, President; Mrs. Thomas Ruffin, 1st Vice President; Mrs. Robina N. Webb, 2nd Vice President; Miss Rebecca Cameron, Recording Secretary; Miss Anna Alexander Cameron, Corresponding Secretary; Mrs Mary Ruffin Hill, Treasurer, and Miss Margaret Norwood, Historian.

There was a very full attendance of members and an extremely satisfactory and harmonious meeting.

The annual reports showed a very creditable year's work, and satisfactory condition of Chapter affairs.

All dues had been promptly paid to the State Division and Gen. Order, and all pledges redeemed.

The Treasurer reported $61.30 as raised and disbursed, of which $21 90 went to the support of the Soldiers' Home and Hospital; $6.00 to the Davis Monument Fund; $2.00 for the support of the North Carolina Room in the Confederate Museum in Richmond; $1.00 to the Bull Run Cemetery Committee, and $19.65 was added to the fund for the furnishing of the Sitting Room at the Soldiers' Home, to be known as "The Orange County Room."

The Chapter proposes to itself as its next work the purchasing of markers for the graves of all the Confederate Soldiers—the men, who, in the early sixties, "Marched away to the fair fields of fighting men"—that are within their reach.

The election of officers being over, and the reports having been made, on motion of Miss Anna A. Cameron a unanimous vote of thanks was tendered to Mr. Joseph A. Harris, editor of the Orange County Observer for his patriotic action, and uniform kindness in not only publishing all notices of meetings, etc., but in allowing us the use of his columns for the furtherance of any Chapter object.

A resolution of approval and sympathy and a hearty endorsement of the action of the Lexington Kentucky Chapter U. D. C. in protesting against the presentation of the drama of "Uncle Tom's Cabin," was passed on motion of the Corresponding Secretary, who was instructed to communicate said resolution to the Lexington Chapter, and assure them that we will endeavor to have similar action taken by our State Division.

Donations to the fund for the Orange County Room were received from Dr. and Mrs. Wm. Strudwick, and Miss Hamilton, and the collection taken up for the same object resulted in a sum sufficient to complete the amount pledged by the Chapter for this purpose, over which there was much rejoicing.

The following invitation was then read:

"68 Rutledge Avenue,
Charleston, S. C., Dec. 13, 1901.

Mrs. George P. Collins, President Gen. George B. Anderson Chapter, U. D. C, Hillsboro, N. C.

Dear Madam:

The Woman's Department of the S. C. Interstate and West Indian Exposition having invited the South Carolina Division U. D. C. to name a day as Daughters of the Confederacy Day to be celebrated by the Chapters of that Order throughout the States, April 12, 1902, has been chosen and we cordially extend to you, your officers and members, an invitation to visit Charleston on that day and join with us in its celebration. We wish to bring the Chapters of our neighboring States in closer intercourse with those of South Carolina, and surely no more fitting place and time could be chosen for their meeting.

Hoping to welcome you then and extend to you every courtesy and pleasure possible,

Very truly yours,
LEE C. HARBY,
Chairman Convention Committee."

And the Corresponding Secretary instructed to make suitable acknowledgements for it.

There being no other business the meeting adjourned until February 13th.

REBECCA CAMERON,
Recording Secretary Gen. G. B. A. Chapter.

The Presiding Elder will preach on Saturday and Sunday, and the business meeting will be held immediately after his sermon Saturday morning. All of the official members of the churches on this Circuit are earnestly requested to attend.

—On account of the South Carolina Interstate and West Indian Exposition, Charleston, S. C, the Southern Railway will sell round trip tickets to Charleston and return at greatly reduced rates From Durham, season ticket limited to June 3, 1902, $13 50; 10 day ticket, $9 90; 7 day ticket, sold on Tuesdays and Thursdays, $7 00. At proportionately low rates from all other stations. For further information call on any agent of the Southern Railway.

A PROFITABLE INVESTMENT.

"I was troubled for about seven years with my stomach and in bed half my time," says E. Demick, Somerville, Ind. "I spent about $1,000 and never could get anything to help me until I tried Kodol Dyspepsia Cure. I have taken a few bottles and am entirely well." You don't live by what you eat, but by what you digest and assimilate. If your stomach doesn't digest your food you are really starving. Kodol Dyspepsia Cure does the stomach's work by digesting the food. You don't have to diet. Eat all you want. Kodol Dyspepsia Cure cures all stomach troubles. W. A. Hayes.

—Mr. Z. T. Lloyd, of Franklin Texas, who has been visiting his father-in-law, Mr. W. D.
