LOCAL NEWS.

THE CONTINUED STORY OF CURRENT EVENTS.

Dog license is now due.

J. W. Lavender came in last Wednesday from a trip to Durango.

Excursion rates to the Mancos races will be found elsewhere in this issue.

John Kellenberger was in this city, yesterday, smiling and looking happy.

Attorney S. W. Carpenter was a business visitor in this city on Tuesday last.

"Squire" Wallace can't stay away from Mancos while the races are in sight.

The regular meeting of the town board of trustees occurs next Monday night.

Mrs. O. E. Lavender was a passenger to Durango on Monday last and returned Wednesday.

Miss M. L. Agnue came in from Cripple Creek last Wednesday, and went to the valley.

Exon & Rush are building a smoke house back of their meat market. It will be of stone and fire proof.

Chris Hoppe has been obliged to put in another log wagon in order to keep his mill running full capacity.

One of C. B. Kelly's teams came over from Mancos last Wednesday evening, loaded with drummers and trunks.

Mrs. Squires returned to Telluride yesterday after a short visit here with her sister, Mrs. McKibben, and her mother, Mrs. Tucker.

County Superintendent A. T. Samson returned home yesterday from a trip to Stoner creek and Bear creek, where he went to visit the schools.

The Durango Democrat says the injuries sustained by I. W. McGrew in a runaway near Arriola, last week, are internal and may or may not be serious.

Black Jack was the first criminal hanged for lo! these many years who did not claim that the beautiful gates of heaven were ajar for him.—Postscripts.

Nathaniel Kilbourn left yesterday for Telluride, where he expects to work at carpentering. Nat has to move the scaffold frequently or stand on a sheet of paper.

Chas. Poulot arrived in Dolores last Monday from a trip to Paris and left Tuesday morning for his uranium properties below the mouth of Disappointment creek.

The photographers have moved to Cortez. They do good work and it would be a shame for Mel Springer to put them to the expense of buying a new camera, by trying to get his "phiz" on a dry plate.

Thos. Rockwood, the Durango real estate and insurance man, was in this city last Monday looking after his business. He was accompanied by a Mr. McDonald of the Continental Farm Insurance Co., and went to Cortez on Tuesday.

A petition for the removal of the Humane Society agent, who recently caused the county to have to pay a fair sized bill of costs, received nearly seventy signatures here this week. These agents are a good thing at times, but an unnecessary luxury at others.

Old Soldier's Experience.

M. M. Austin, a civil war veteran, of Winchester, Ind., writes: "My wife was sick a long time in spite of good doctor's treatment, but was wholly cured by Dr. King's New Life Pills, which worked wonders for her health." They always do. Try them. Only 25c at M. H. Ordway's Drug store.

A Trip Down the River.

On Saturday last we threw care to the winds, hired one of Ed. Moore's livery rigs and took the family on a visit down the river as far as Geo. P. Moore's place. It was our first visit to that vicinity, but we found the trip a very pleasant one and well worth the time.

The valley lies between lofty hills and is very picturesque. In places it narrows up noticably, but its average width permits an almost continuous chain of good ranches, which produce excellent hay and potatoes, and some small fruits. From the condition of the weather and usual temperature it would seem that nearly all kinds of fruit could be grown successfully, but there have been few, if any experiments in this line. Several of the ranchmen have good houses of modern pattern and others are making preparations to build. The close proximity of the valley to the summer ranges makes it an ideal place for those who wish to engage in cattle raising.

We were treated right royally by those whom we visited and were obliged to refuse several hospitable invitations on account of our limited time.

If you are not satisfied with them after trial wear we will refund your money. If you are pleased with them and wish more, insist on your local dealer procuring them for you, and insist on him getting our Empire brand of hosiery. Write us today, mentioning this paper, as the offer is limited. A beautiful little booklet, telling how our hosiery is made, mailed free to you on request. Address this way,

The least in quantity and most in quality describes DeWitt's Little Early Risers, the famous pills for constipation and liver complaints.—J. J. Harris & Co.

The New York Sun declares that young men may safely marry on $20 a week. It no doubt means some young men.—Postscripts.

DeWitt's Little Early Risers search the remotest parts of the bowels and remove the impurities speedily with no discomfort. They are famous for their efficacy. Easy to take, never gripe.—J. J. Harris & Co.

St. Louis surgeons succeeded in sewing up a knife wound in a man's heart, but they are not boasting of the job. A surgeon never boasts over a new made grave.—Postscripts.

Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeits. If you get DeWitt's you will get good results. It is the quick and positive cure for piles.—J. J. Harris & Co.

It may not be so difficult for pretty American girls to secure presentation at court under King Edward as it was under his less appreciative queen mother.—Postscripts.

Mr. W. J. Baxter of North Brook, N. C., says he suffered with piles for fifteen years. He tried many remedies with no results until he used DeWitt's Witch Hazel Salve and that quickly cured him.—J. J. Harris & Co.

An Indiana couple who have been divorced three times have wisely concluded that divorce is more of a failure than marriage and are now having clothes made in which to again face the preacher.—Postscripts.

"Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered," so writes A. L. Spafford, Chester, Mich.—J. J. Harris & Co.

An Eastern scientist claims that the women of today are outstripping the men. We have observed this at grand opera shows.—Postscripts.

"I have been suffering from dyspepsia for the past twenty years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for twenty years. I cannot praise Kodol Dyspepsia Cure too highly," thus writes Mrs. C. W. Roberts, North Creek, Ark.—J. J. Harris & Co.

Aguinaldo's love for the American flag is like the first love of the schoolboy. Too gushy to be permanent—Postscripts.

Shudders At His Past.

"I recall now with horror," says Mail Carrier Burnett Mann, of Levanna, O., "my three years of suffering from Kidney trouble. I was hardly ever free from dull aches or acute pains in my back. To stoop or lift mail sacks made me groan. I felt tired, worn out, about ready to give up, when I began to use Electric Bitters, but six bottles completely cured me and made me feel like a new man." They're unrivaled to regulate Stomach, Liver, Kidneys and Bowels. Perfect satisfaction guaranteed by M. H. Ordway. Only 50 cents.

You are much more liable to disease when your liver and bowels do not act properly. DeWitt's Little Early Risers remove the cause of disease.—J. J. Harris & Co.

A "mothers' congress" is to meet in Cleveland next month. For the benefit of the uninformed it may be well to state that a mothers' congress is a meeting of a large number of babyless women who endeavor to formulate rules that will teach mothers how to raise children.—Postscripts.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach or waterbrash, caused by indigestion or dyspepsia. A preparation, such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good.—J. J. Harris & Co.
