BOY SCOUTS FIELD MEET AT MOUNDSVILLE JUNE 20

A field meet in which all of the Boy Scout troops of Moundsville will take part, will be held on the Moundsville high school athletic field on Tuesday, June 20th, at 6:30 o'clock. The program will consist of a number of field events and the presentation of loving cups by Dr. Samuel Martin Gibson. Six troops of the Mound City will participate in the events and the public is cordially invited, admission free. The judges of the field events are: John C. Davis, A. S. Adams, E. C. Jepson and W. C. Dannenberg.

The following program will be carried out:

For All Troops

1. Knot Tying Contest.

Two Scouts from each troop may enter. One stands with the staff held horizontally. The tyer ties two half hitches on the left end of staff, ties the following knots in order: An overhand knot, bowline, halter, figure eight, sheer bend, sheep shank, and tie a clover hitch to right end of staff. Six feet of clothesline. One knot improperly tied will disqualify. Speed event.

2. Dressing race.

One entry from each troop. Contestants must wear hat, neckerchief, shirt belt, high shoes and stockings.

At word "Go," contestant runs forward ten yards, and deposits hat, ten yards and removes neckerchief and belt, ten yards removes one shoe, ten yards removes other shoe, ten yards removes stockings, ten yards, both feet over line; returning to starting point, putting on each article of apparel in turn. On reaching finish line contestant must stand with hands above head until he has been inspected. Hat must be on straight, shirt buttoned completely, belt closed, neckerchief and shoes laced tied, stockings in place. Any Scout contestant touching clothing or failing to pass inspection upon reaching the finish line will be unqualified.

First place, 10 points; second place, 8 points, third place 6 points.

3. First aid contest.

Five Scouts constitute a team in this event, one patient, two stretcher bearers, and two bandagers. The patient is placed on a line supposedly unconscious and suffering from a bruised head, a sprained right arm and a simple fractured left lower leg. The stretcher bearer runs forward, and makes a short stave litter, carrying the patient to the first aid station where his injuries are treated, and back to the starting point. Neither the patient nor the stretcher bearers are to assist in the bandaging. Bandages, staves, splints and slings are to be furnished by the contestants.

Eight minutes will be allowed in which to complete the dressing. Contestants who have not finished in time will be disqualified. The bandages will then be examined and points awarded for neatness, adaptability and general knowledge of first aid displayed.

First place, 25 points; second place, 18 points; third place, 11 points.

4. Fire building and water boiling contest.

Each troop may enter one team of five Scouts in this event. Each team will be allowed one match. Contestants must furnish their own wood for fire) and implements needed. One Scout of team builds the fire, three gather wood, and one gets water. A pint can with bale handle hung from tripod must be furnished and used by team for boiling water. When the fire is lighted the water is heated until it boils over.

Spilling water or using other than properties mentioned with the exception of a Scout knife will disqualify. First can to boil over wins contest.

First place, 20 points; second place, 15 points; third place, 10 points.

It is understood that the various teams extinguish their fire at the end of this contest.

5. Crab Race.

One entry will be allowed from each troop. Contestants take position on hands and feet, with face up, toes on the starting line. Contestant touching goal first wins.

First place, 5 points; second place, 6 points; third place, 4 points.

Special Demonstrations

Troop No. 1 Drill, consisting of any movements listed on pages No. 355 to 359 handbokks for Scoutmasters.

Troop No. 2, Fire by Friction—Three Scouts, see Page 321 handbook for Scoutmaster.

Troop No. 3. Three Scouts to construct their own oven or reflector. Bake a batch of biscuits and one batch of flap jacks, using their own recipe and methods. This should be practiced in advance until good results are promptly secured.

Troops No. 4, 5 and 6. Rescue Race Page 320 Handbook for Scoutmasters.

TRAFFIC CLUB ANNUAL MEETING ON JUNE 20

The annual meeting of the stockholders of the Wheeling Traffic club will be held in the assembly room of the Chamber of Commerce, Market auditorium building on the evening of June 20th. The election of directors to serve during the ensuing year will be held and action taken upon such other matters as may come before the meeting.

The polls for the election of directors will remain open from 7 o'clock p. m. until 8 o'clock p. m., and at 8 o'clock the regular annual business meeting will be held.

Music is broadcasted from 10:00 to 10:15 a. m. and from 12:30 to 1 p. m.

The Westinghouse broadcasting station's call is KDKA, operating on a wave length of 360 meters, located at East Pittsburgh, Pa.

WHAT CHURCH IS FOR REV. FIELD'S SUBJECT

(By W. S. STANTON)

If anyone asked you what the church was for, what would you tell them?

Ask a dozen people and you would probably get a dozen different replies.

On Sunday morning Rev. W. H. Fields will have for his sermon topic, "What Is the Church For?"

All who are interested in an answer to this question by one who has given it twenty years' study, should attend this service at First Christian church.

In the evening, Rev. Fields will deliver the memorial address to the Protected Home circle and his theme will be, "What God Hath Wrought."

Automatic Cigar Dispenser Feature at Peerless Store

One of the most novel and latest things in cigar cases has been installed at the new Peerless store.

This case holds over fifty boxes of the dusky beauties that Kipling wrote about.

The case is made entirely of glass, which is arranged in tiers like a pair of stairs.

The patron indicates his choice by the fore finger judiciously placed over the section containing his choice. be it a Romeo and Juliet or a more modest priced Wheeling Tobe, one touch of a lever and the glass cover silently and mysteriously disappears and the customer is at liberty to select from any box in that section of the case.

An electric humidor automatically keeps the required amounts of moisture in each compartment.

A trip through the new store will prove interesting as well as educational.

DISCHARGE BANKRUPTS

The following four orders of discharge in bankruptcy were received and recorded by United States Deputy Clerk John H. Conrad yesterday morning: J. J. Burns, of Moundsville, laborer; Leda B. Rogers, former proprietress, of the Court Cafeteria; W. J. Saiger, of Smithfield, laborer; and John J. Foran, of this city, laborer.

GOOD HELP IN SUMMER.

Indigestion causes worst headaches, sick headaches, bilious attacks, furred tongue, bad breath, blue feelings, constipation and constant drowsiness. Thomas, 1002 Harrison Ave., Roxbury, Mass., writes: "Since taking Doctor Charlie Tablets I feel fine." They help the bowels, sweeten the stomach and invigorate the liver. Free to parents, no nausea. Not habit forming; just a good, wholesome physic. Sold everywhere.—Adv.
