General News

Mrs. Fannie V. Archie, Vivian and Kathryn Wiggins spent Sunday, March 5, visiting Miss Earnestine Archie at Piney Woods school.

Everyone is doing their bit to stay on the road to "Victory." They are doing their bit to keep our boys fit.

We were proud to have our exclassmate, Pvt. J. L. Lindsey, to look in on us Friday. We were also proud to have Calvin and Curtis Rogers, of Milon, Tenn.

Pvt. H. P. Collins of the U. S. Marine Corps, was a visitor in our schol. S. P. Johnson of Tougaloo high school was in our midst Friday. We were proud to have him look through our school before being inducted into the service.

Pvt. Al Lloyd was a week-end visitor in the city.

Fashions

All the members of the Senior class seem to be getting glasses. Are they for sport or for personal use? The Senior girls are really rushing ear bobs and purses. Naimi Lloyd looks neat in her plaid skirt. Lynell Sharpe's black velvet dress is becoming.

The Gossiping Gossipers

It seems as if Willie Phillis is very fond of Kathryn Bilbrew. Now what's your story, Angie Lee?

Annie P. Gordon isn't rationing her love to Abe Davis, but the certain hep chick Annie Lee Smith says she's going to give her a ration book, especially on that piece of meat.

Eddie Harris, Jr. seems to be playing Dorothy Mae Chambers and Naomi Lloyd for a side kick, but who he's really interested in is Velma Ree Ware.

Percy Johnson who is it Vera Mae Bennett or Unteal Bridgmon? You seem to like to play ball with them a lot. Why not throw the ball to one and let it remain.

Ruth Reeves is singing "No Love, No Nothing." The Eagle is wondering who she is singing to. Could it be Arthur Brumfield?

Marion Singleton is very proud of his sweet heart Mae B. Watts. Onteal wanted to sell Percy Johnson to Vera for $1.00, but Vera didn't agree on that bargain.

The Eagle flys and sees, and has found a new romance—Rosie Lee Smith and William Thompson.

Ruth E. Watson you had better get wise, because Hazel Davis and Levern Adams is strictly keeping Mr. Wilks on the solid side, so get hep to yourself and stop using his name so rapidly.

Earl Cotton it's high time you got all the way up to the stars with one chick, and stop going half way and letting them fall.

Marie Roundtree was seen out with John Henry Sims of Brookhaven, Miss. Better watch yourself Marie, Boy Lyles may not like it.

Fannie Mae Baily certainly is interested in William Thompson. Thelma Lee Harvey was very sorry she couldn't entertain James Kermit Sunday afternoon.

What Would Happen?

If Frankie Macky could really win Jessie Jackson's heart?. James Miller would get hepped to his self and get him a girl friend? Alther Lee Mitchell would stop doing the Canal street and sand in school? Rosie Lee would stop pretending, that William Thomas is her boy friend?

It seems that Fred Lane has an afafir and don't know anything about it. The lucky lady is Fannie Mae Baily (so she thinks). She seems to want to hitch him whether he says so or not. Watch yourself, Fannie Mae, the boys may not like you. Percy Winters and Robbie Rogers are really on the beam.

Sports

The Goodman Athletic Club motored to Richland Thursday, returning a game of ball. We enjoyed it very much yet the visiting team lost both games.

The Bethlehem School athletic boys were on Goodman campus Friday evening for a game. The visiting team lost the game.

Everybody's Business

Malvas Sander's boy friend seems to be all upset for real about Jessie Earl Delany's presence in Malvas' face so regular. Holy smoke, can't he take a joke.

K. T. Brown is forming a habit of kissing Edna Denay lately.

Seems as if Mattie Mae McGrome has decided to trouble Lillie Mae Aden now with Willie C. Delany.

George Smith seems to be enjoying Mrs. X here of late, we wonder if Ruth Thelma Peppers can get hipped to the jive.

J. B. Ambrose seems to have forgotten that A. L. Barnes still goes to Goodman school. He is actually giving George Lee trouble with Thelma Morgan.

After all, Ruby McGrome has decided to accept Taylor Ambrose for a spring change.

Jimmie Lightfoot wishes that Susie Mae Ambrose would take her mind off of Harold Southerns and see him now.

Was that true girls that Bennie Will paid Lillie's fare to Richland?

A certain Miss E. wishes that a certain Miss N. would dress neat like her.
