Tiffin Weekly Tribune.

LOCAL & MISCELLANEOUS.

THURSDAY, MAR. 9, 1865.

Removal.

BROM. & BROWN have removed their stocks of Groceries, from room recently occupied by them, below Shawhan House, formerly occupied by L. ROSS as a clothing store.

"JOHN BROWN'S soul is marching on."

Surprise.

On last Sabbath, a week, the Rev Kefauer, Pastor of the 1st Ger. Reformed Church, found upon his pulpit an envelope containing $125 addressed to him, as a token of the kind regards of his congregation.

This is a pleasant way of making the pastor a present, and manifesting an appreciation of the parties labor of care.

Tiffin Agricultural Works.

As will be seen from a notice in another Column of this paper, this Company hold a Special meeting of the Stockholders at the Office of SMITH, BARNES & Co., on Saturday next, at 11 o'clock A.M. The subscription books will remain open until that time, and all persons wishing to subscribe should do so previous to that time, or on that day, that all may have an equal voice in the Election.

Subscription Books are open at the office of SMITH, BARNES & Co.,

Social Ball.

We have been requested to announce that there will be a social ball on Friday evening, March 10th, 1865, at Hedges' Hall, for the benefit of Thomas Kaup—who was a member of the 101st O. V. I. and while serving in his regiment, was so severely wounded as to confine him to the house for twenty-two months.

We hope to see a full turn out. Admission $1.

Promoted.

At an election held on the 1st of March, to fill the vacancy caused by the resignation of Lieut. McAdoo—Thomas C. Heslengton was elected 1st Lieut. of Co. A. 49th O. N. G.

This is a deserved promotion. "Tom" is every inch a soldier. He surrendered gracefully after being called upon by the members of the Co. and informed of his election, and passed the "lager" around.

Out of the Draft.

We are informed that Clinton, 2d Ward, Scipio, Loudon, Liberty, and Eden are out of the present draft.

The 1st Ward will soon fill its quota. No efforts, we believe, are being made in some of the other townships, whilst others are working vigorously. With a combined effort the county may be cleared of the draft.

Recruiting.

Volunteering is progressing rapidly, and if other quarters of the State are moving as our patriots are here, there will be but a small prospect of a draft in Ohio. "Rally round the standard, boys" that you may share in the glory of crushing the rebellion.

Insure your Property

It is every man's duty to insure his property. In one short hour the earnings of long, weary years of labor may be destroyed by fire, and all lost, when if you have insured in some good company, you can get nearly all paid back to you. Therefore we say insure in time.

A. H. Byers will insure you on good terms.

New Auditor.

John T. HEILMAN, entered upon the duties of his office, Auditor of this County, on last Monday. This is one of the most important offices in the County, and we trust that the present incumbent will endeavor to make it a pleasure to have any business to do in his office. One public servant forgot too often, that all parties have an interest in, and business with the office, and that it is an insult direct to the people to have bills and caricatures of a political character posted up in their offices. And while it can do no good, it certainly shows that they feel that the office is exclusively theirs.

Rich.

Not long since, a company of negroes was raised in the town of Piqua, who were to join a certain colored regiment being organized in Massachusetts. The night preceding their departure for the camp of rendevous, a meeting was held in the African Church, at the close of which the venerable minister, in a prayer, made the following remarkable request: "That when these men went on the battle field they might be as bold as lions and as HARMLESS as DOVES!"

File your Newspapers.

Many people take the newspapers, yet but few preserve them; yet the most interesting readings are a file of old newspapers: it brings up the very age with all its bustle and every day affairs, and marks its genius and spirit more than the labored descriptions of the historian Who can read a paper printed some fifty years ago without the thought that almost every name then printed is now cut upon a tombstone. File your newspapers, and in future years, a perusal of them will amply repay you for your trouble.

The National Exchange Bank of Tiffin.

Successor to Bank of Tiffin. Lately organized under the National Banking act will soon be ready to commence business under the new arrangement.

OFFICERS,

John D. Loomis, President.
A. G. Sneath, Cashier.
E. B. Searles, Asst. Cashier.

DIRECTORS,

R. W. Shawhan, Abel Rawson,
J. M. Naylor, R. Smith,

John D. Loomis

Capital paid in $125,000, with privilege of increasing to $200,000.

A TALE OF WOE.—I clasped her tiny hand in mine, I clasped her beauteous form; I vowed to shield her from the wind, and from the world's cold storm. She set her beauteous eyes on me, the tears did wildly flow, and with her little lips she said "Confound you! let me go."

To all Whom it may Concern.

Miss MARY WIER, has arrived in Tiffin, and will call on the inhabitants of the city and vicinity for aid in behalf of sick and wounded soldiers. She has been laboring in the army of the Cumberland and Virginia Valley, since 1861, was at that time employed by the Government, and has discharged her duty satisfactorily. We hope she will obtain liberal contributions, as all gifts will be faithfully applied for the relief of the sick and suffering.

Court.

Common Pleas Court was in session during last week, Judge Whiting presiding. It adjourned last Friday evening, until the 4nst inst., and will then complete the business of the docket. But little business was transacted. The following are some of the cases passed upon:

Sarah A. Vrooman vs Charles H. Vrooman—decree for divorce.

Martin Adams vs George Adams—to compel conveyance by deft. to pltf. of land formerly belongidg to Shippey heirs, purchased by the deft. at sale in partition, alleged by pltf. to be for him—reserved by the Court for decision.

Era Youngpeter vs Michael Youngpeter—decree for divorce and alimony—decreeing twenty acres of land on which defendant now lives, to petitioner.

Sandusky, Dayton and Cincinnati R.R. vs J. W. Shaw, Treasurer—Heard on motion to make Asa Way deft., motion overruled.

Whitsel vs Magers and others—Jury disagreed.

Several important case will be heard at the adjourned term, as follows;

Poncamon vs Lugenbeel—damages caused by dam in Sandusky river.

Samuel Engle vs Garret Sirgler—for destruction of mill on Honey Creek.

Interesting Question and Answers relative to the 7.30 U. S. Loan.

MR. JAY COOKE, of Philadelphia, who for so long a time had the management of the popular 500 million 5.20 Loan, has just been appointed by SECRETARY FESSENDEN, the GENERAL AGENT to dispose of THE ONLY POPULAR LOAN now offered for sale by the Government, viz.: the "SEVEN-THIRTY."

In entering upon his duties he desires to answer plainly the large number of questions daily and hourly propounded to him, so that his fellowcountrymen may all understand what this "Seventy-Thirty Loan" is what are its peculiar merits, how they can subscribe for or obtain the notes, &c.,

1st. Question. Why is this Loan called the "Seven-Thirty" Loan?

Answer. It bears Interest, in currency, at the rate of Seven Dollars and thirty cents, each year, on every hundred dollars; making the interest as follows:

One cent per day on each $50 note.		
Two cents " " "	100	"
Ten " " " "	500	"
Twenty " " "	1,000	"
One dollar " " "	5,000	"

2d Question. When and how can they be obtained?

Answer. They are for sale, at par, and accured interest, by all Sub Treasuries, National and other Banks, and all Bankers and Brokers.

3d Question. When is the interest payable and how can it be collected?

Answer. The Coupons or Interest Tickets are due 15th of February and 15th of August in each year, and can be cut from the note, and will be cashed by any Sub-Treasurer, U. S. Depository, National or other Bank or Banker.

4th Question. When must the Government pay off these 7.30s?

Answer. They are due in two years and a half from the 15th of February, 1865; viz.: on the 15th of August, 1867.

5th Question. Must I receive back my money so soon as 1867?

Answer. No! not unless you yourself prefer to do so the Law gives you the *right* to demand from the Government, at that time, either your money or an equal amount at *par*, of the famous and popular 5.20 *Gold Bearing 6 per cent. Loan.*

6th Question. How much do you consider this privilege of conversation, into 5.20 Loan to be worth?

Answer. 5.20s bearing Gold Interest from 1st of November, are to-day worth 9 per cent. premium. If they are worth no more at the end of the two years and a half, when you have a right to them, than they *now* are, this premium added to the interest you receive, will give you at least 10 per cent. per annum for your money but the opinion is that they will be worth more than 6 per cent. premium at that time.

7th Question. What other advantage is there in investing in the 7 30 Loan?

Answer. It cannot be taxed by States, Counties, or Cities, and this adds from one to three per cent. per annum to the net income of the holder, according to the rate of taxition in various localities. All bonds and stocks, except those of the United States, all mortgages, &c., are taxed, not only by the Government, but by States, Counties and Cities.

8th Question. How does the Government raise the money to pay the interest, and is it safe and sure?

Answer. The Government collects, by taxes, internal revenue, and duties on imports, fully three hundred millions each year. This is nearly three times as much as is needed to pay the interest on all the debt, and as soon as soon as the war is ended, the amount not needed to pay the interest will be used in paying of the debt. *Our government has twice paid off all its debt*, and can easily do so again. The interest is sure to be paid promptly, and the debt itself is the very safest investment in the world. It is, as a mortgage on a good farm, and pays a better interest. It is, in fact, a *First Mortgage* on all lands, all incomes, all railroad and canal bonds, and bank or other stocks, mortgages, &c.

Nothing can be safer, for we are all bound for it, and all that we have is firmly held for the payment of principal and interest. How foolish those people are, who keep their gold and greenbacks idle and locked up, or purchase mortgages on railroad stocks and bonds, which pay only 5 or 6 per cent interest, when these Seven-Thirties pay (counting the premium on Five-Twenties,) over ten per cent., and are so much safer and surer.

9th Question. How many Seven-Thirties are there, and how much remains unsold?

Answer. There are only about three hundred and twenty five millions authorized by law, and only about one hundred and ninety millions remain unsold.

10th Question. How long will it take you to sell the balance?

Answer. There are about 800 National Banks all engaged in selling them; also a large number of the old banks, and at least three thousand private bankers and brokers, and special agents will be engaged in all parts of country in disposing of them to the people.

11th Question. How long will it take to sell the whole?

Answer. In less than three months they will be all sold, and will no doubt then sell at a premium, as was the case with the old Seven-Thirties, the first Twenty-Year Loan, and the Five-Twenties.

The above questions and answers, it is believed, will give full information to all. If not, the General Subscription Agent, or any of the Banks or Bankers employed to sell the Loan, will be glad to answer all questions, and to furnish the Seven-Thirties in small or large sums (as the notes are issued in denominations of $50 $100, $500, $1,000 and $5,000.) and to render it easy for all to subscribe thus fulfilling the instructions of Mr. FESSENDEN, who earnestly desires that the *people* of the whole land, (as well as the capitalists,) shall have every opportunity afforded them of obtaining a portion of *this most desirable investment.*

LET NONE DELAY, BUT SUBSCRIBE AT ONCE, THROUGH THE NEAREST RESPONSIBLE BANK OR BANKERS.

Parson Brownlow.

H. W. Cobb writes to the Chicago *Tribune*, from Knoxville, Tenn, of Parson Brownlow and his former persecutors, as follows:

I have just enjoyed a friendly interview with the ventable Parson Brownlow, at his own house. He is now about sixty years old, but looks young and vigorous—good for many years yet, I trust. He lives in a good two-story wood house, in the centre of the city. Has his family of seven children around him, save two sons in the Union army. He is hopeful of Tennessee; says the whole State had 275,000 slaves at the beginning of the war, and East Tennessee but 20,000. The State shall be free, and all the laws that crushed the black man must first be abolished, and he be protected ere he can start much. He is the only candidate for Governor, and is bound to be elected on the 4th of March. I was the more careful to tell him of our Freedmen's Aid Commission. He seemed pleased, and if elected he will help us in our work.

COE'S DYSPEPSIA CURE!

The World's Great Remedy

FOR

"DYSPEPSIA, INDIGESTION,

AND ALL

DISEASES

OF THE

STOMACH AND BOWELS

Prepared by the Proprietors of "Coe's Cough Balsam."

DYSPEPSIA is not only the sure forerunner of death but the composition of a miserable life. It has well been called the Nation's scourge; for more persons, both old and young, male and female, suffer from its ravages, than from all other ailments combined. It robs the whole system of its vigor and energy, gives weariness and total indisposition to those who are strong and active; renders the stomach powerless to digest the food, and leaves its victims

Headache, Heartburn, Constipation, Nausea at Stomach, and General Debility of the whole system.

Rendering its subject a prey to all sorts of nervous ailments or hasty food, without paying the penalty in the most agonizing distress, and effectually complete protection, to meet the terrible ravages of this worst of all diseases, we HAVE PREPARED

"COE'S DYSPEPSIA CURE."

and we pledge our reputation upon our statement, when we say it will

Positively Cure the WORST of You.

not in a year—not in a month—not in a week—but you shall see its beneficial influence at once; immediately, and the day you take it. To you who have lived for years upon broken food and plain diet, who dare not eat any thing the least wise heavy—first, because the Doctor has ordered the plainest food, and secondly, for fear of the disease it represents—rising and stirring on your stomach, he says air down to your dinner, eat as hearty a meal as you wish, and as soon as the food begins to distress you, follow it by a single teaspoonful of

Coe's Dyspepsia Cure!

AND IT WILL

RELIEVE YOU INSTANTANEOUSLY!

(Increasing you, by hearty eating and the use of the cure after each meal, (in place as the food oppresses you, or sours on your stomach,) you will gain in every few days so that you can do without the medicine, except occasionally, and by the time the first bottle is used up, we will guarantee you free from Dyspepsia, and able to eat, digest, and enjoy as hearty a breakfast as you ever sat down to in your healthiest hours, and we will refund to you the price of the bottle, upon your showing that our statement is not correct.

The medicine is powerful but harmless, and whilst a single teaspoonful will at once relieve the Dyspeptic sufferer, the whole bottle full would not materially injure him, as it is entirely vegetable and contains no opiates. All diseases of disease that have their origin in a disordered Stomach and Bowels are expelled in the same instantaneous way, by the

MESSRS EDITORS:—Allow me, through your columns, to acknowledge my gratitude for the benefit I have received from the use of Coe's Dyspepsia Cure. Although I was a great sufferer from Dyspepsia, the first dose gave me great relief, and now it enables me to eat anything I please, without pain. I have now stopped using the medicine, and no longer need it.

MR. COE—The bottle of Coe's Dyspepsia Cure you gave me has backed up your statement concerning it. I have only used half a bottle, and can eat plum apple, sheet cake, or anything else, without trouble, it acts like a charm. The relief it affords is instantaneous.

Those who know my constitution, what my condition has been for the last thirty years, will believe with me that a medicine which will work my case, will reach almost any one. Coe's Dyspepsia Cure has enabled me to eat anything I please, and it agrees with me. I now have to use the medicine. It relieved me in an instant when I was in great pain. My whole system is being strengthened by its use.

IMPORTANT TO TRAVELERS.

While journeying on the cars, my stomach became badly deranged, causing severe pain to my head. Had it been on the water it would have been called sea-sickness. A lady sitting by me, knowing my condition, reached out a bottle, saying, "take a swallow." I did so, and in less than five minutes my trouble was ended. The medicine was "Coe's Dyspepsia Cure," and from the effect it had upon the Stomach, and what I have learned of it since, I think it must be an excellent remedy for sea-sickness and Dyspepsia.

MESSRS. G. CLARK & CO.—GENTLEMEN:—I desire to make known the almost instantaneous effect of Coe's Dyspepsia Cure, in cases of violent nervous headache. I had been for twenty-four hours purging at the stomach and bowels, every fifteen minutes. I went into your drug store to procure some Brandy, as I had always been told that it was a good remedy for Dysentery. My pallid face and my weakness at once attracted the attention of the clerk in charge, and he asked me if anything was the matter? I replied: "I have been for twenty-four hours vomiting and purging, and I am unable to stand or walk from weakness, and this deadly sickness at my stomach completely prostrates me. He produced a bottle of Coe's Dyspepsia Cure, saying, "take a large swallow of that, it is now 11 o'clock, take another after dinner."

From the moment I took that dose of the medicine my sickness at the stomach was gone—the diarrhœa immediately ceased. In an hour I eat my dinner with a relish as ever happy man partook, (as I do so well cleared out of food,) and followed by a dose of the cure. I have not suffered a particle of inconvenience since I took the remedy.

In conclusion, as wonderful and astonishing as it is, that I could hardly believe the evidence of my own senses, and I desire to publicly make known these facts that the whole world may avail themselves of the benefit. Like bread, it should find a place in every one's larder, and I believe there no longer should go away from home without a bottle of it in his pocket, as it can be quickly made available. GEO. L. DRAKE.

ONE OF THE TWENTY-FIFTH.

NEW HAVEN, June 11th, 1864.

MR. COE—SIR: Having been troubled with the Dyspepsia for some eight or twelve months, I have taken the usual kinds of medicines, which have done me no good. I saw your advertisement of a medicine to cure the Dyspepsia. I hesitated and doubted to be the medicine. The first 12 drops (the 7th of June,) that I took, relieved me in one minute. I have taken it three or four times, but have had no distressing feeling in my stomach since taking the first 12 drops; altogether better. I could not eat a meal, and sometimes no more than three or four mouthfuls without distressing me.

Respectfully, J. F. WOODRUFF.

NEW HAVEN, June 11th, 1864.

MR. COE—DEAR SIR:—The bottle of Dyspepsia Medicine I received from you, gave satisfaction in all. I only used it when my food distressed me; it was about five taking two doses in the time to mean, then every other day, increasing the quantity of food and decreasing the medicine, until I was enabled to eat without taking anything at all. My case was an extreme one, having suffered for seven years. I am convinced it cured, and by only using one bottle of Medicine in the space of two weeks. To does was a teaspoonful.
