Wm. F. Burns who is working at Young's saw mill near Twining, came across Gold Hill one day last week and returned the next.

The public school will give an entertainment next Friday afternoon. This is expected to be the best so far given and all are requested to be present, promptly at 1:30 P. M.

District Attorney E. C. Abbott made Red River a flying visit this week. He is very busy these days but expects to be back in April with his family and spend the summer here.

Tim Heathman was up from the Columbina, last Monday and made arrangement to move his saw mill up the river about three and a half miles of Red River. This will be of great benefit to Red River

Charles Purdy was about crazy last week with the toothache but when Dr. Walters came down from his mine he got his instrments which consisted of a wire pulle , a cork screw and a munkey wench and soon relieved the sufferer.

Dr. T. P. Martin of Taos and a member of the Territorial Board of Health, visited Questa last week to see if he could not stop the spread of diphteria which has quite a hold in that little hamlet. He has ordered a general cleaning up and if his orders are followed out to the letter, the diseased will soon be checked.

Ed. Hatton visited Elizabethtown, yesterday.

About four inches of snow fell in town last night.

SORE THROAT.

The following Recipt for the Cure of Sore Throat, was handed to us last week.

One tea spoon full each of the the following; Terpentine, Nitre, Camphor, Soda, Black Pepper, Red Pepper and Lard. Mix with yelk of one egg. Spread on a thin cloth and apply to the throat as often as necessary. Try it and be healed.

TAOS NEWS.

From Taos Crescet.

P. M. Dolan made a business trip to Santa Fe on Monday.

F. B. Terrill, who spent several months in Taos, has gone to the South Fork camp.

County Clerk Tomas Martinez y Gonzales became the proud father of twins, last week. More deputies?

Our little friend, Clara Buell, is still very ill; her parents have the fullest sympathy of the community.

Dr. H. C. Mueller has rented a room at the house of Juan B. Buell of Ranchos and can be consulted at at that place every Tuesday and Friday afternoon.

Uncle Bob Pooler has returned to his old stamping grounds, Keton, where he intends to spend the balance of the winter. His contemporary young friends miss him greatly.

Charles F. Blake of Jamestown, N. Y., who has been visiting his cousin, A. H. Raynolds, of Questa, is in Twining, with the view of engaging in the mercantile business in the new camp.

At an unearthly hour when all good Christain people are in bed or ought to be at home, there burst into the sanctum McKean, the irrepressible, from Red River, and he had come to stay. Think of it! A new lawyer in town.

From unimpeachable source we learn that three railroads have opened negotiations to enter this valley. Each has a different route in view, but it is pretty safe to predict that a railroad will enter this valley next fall.

About ten car loads of machinery arrived at Tres Piedras during the week for the Fraser Mountain Copper Co. It includes a twelve thousand pound crusher, three sets of ten thousand pound rolls, a hoisting engine and a part of the equipment of the smelter.

Territorial Topics.

The Raton Water Wark company began laying mains on the streets of Raton, last week.

Raton has a number of cases of measles.

Dawson, the new coal camp of Colfax county has about forty pupils in attendance at the public school.

The Methodist and Baptist have each made arrangements to build churches at Santa Rosa this coming spring.

The county commissioners of San Juan county have given notice that they will accept bids for a new court house at Aztec.

Two American foremen and 30 Austrains of a railroad construction gang near Santa Rosa, had a pitched battle. No one injured but twenty of the Austrains were arrested.

The townsite company of Dawson City, is erecting 400 dwelling houses and a number of store building.

Governor Otero Feb. 21, appointed C. M. Light, president of the Normel school at Silver City, a member of the territorial board of education, to succeed F. W. Sanders, of the Agricultural College, who removed out of the territory.

Major Fred Miller on Feb. 21, took charge of the office of receiver of the public monies of the federal land office in Santa Fe, succeeding Hon. E. V. Robert, whose term had expired.

Lieutenant Hal Sayre of Denver, who was visiting in Roswell, was accidentally killed last week. He missed his lodging place and tried to get into the wrong house and was shot as a burglar.

MINING NEWS

The Golden Treasure people are working eight shifts.

The Anaconda drill is down in the new hole, is down about 250 feet.

W. A. Garland the assayer, has a fine specimen of Silvernite ore from Goose creek.
