A GOOD CONCERT.

An excellent concert is in store for lovers of classic and popular music. The services of Professor Phillips, tenor soloist, late of Chicago, of Mr. Wilder, the well-known flute player, and of Mr. Briggs, the brilliant organist of Montpelier, as well as Mr. S. H. Jackson of this city, have been secured. Those who were disappointed in not hearing Mr. Wilder last year are granted a chance this time. The price is lowered to 15 cents that everyone may come. Remember the date, Tuesday evening, May 31, at 8 o'clock in the Congregational church. Titkets are now on sale.

The patients now taking treatment of Dr. E. E. Beeman the Osteopathist belong to our best people.

Building lots in choice location on Hill street opposite French and Richardsonstreets L. M. AVERILL.

Prof. B. G. Wilkins has received a state agency for "The Quaker Folding Bath" from the World M'f'g Co. of Cincinnati, Ohio. Sub agents are wanted for town and counties at once.

To Whom It May Concern:

For the past two years I have been a sufferer from rheumatism. Two years ago I was taken worse, it being in my hands, arms and limbs. At times I could not get my hands to my head or dress myself. My hands and limbs would swell badly and cause me much pain. I could not sleep nights and was so nervous. I could only walk by the aid of my cruches. After doctoring and using different kinds of medicine I was induced to try Magnetic Treatment and was cured by Prof. B. G. Wilkins. I can see after two months treatment I am free from all pain and can do my own work. My appetite is good and I sleep as well as ever. I advise anyone to try this treatment with the assurance that it will be a pleasure to anyone suffering with rheumatism.

Very truly yours,
MRS. T. T. MARTIN.

TO PRESENT A BID.

CITY COUNCIL CHANGES ITS MIND ABOUT THE POSTOFFICE BUSINESS.

The city council met last evening and transacted a small amount of business.

Alderman McFarland presented a bid for the postoffice to be sent to the government. Mayor Gordon told of the very impolite manner in which the aldermen were received by Postoffice Inspector Willis. After a little discussion a vote was taken and it was lost 4 to 3. Postmaster McWhorter is very much in favor of having the postoffice located in the city building. After considering the matter still further, another bid was drawn up and a vote taken and it passed. The bid was given to Mr. McWhorter and mailed to Mr. Willis last evening.

The mayor was authorized to make a temporary loan of $1800 at four and one-half per cent interest. The following permits were granted: J. C. Crowley for an addition to his house on West street, E. T. Rice to re-cover roof of house on Main street with iron, A. D. Morse for a barn on North Main street premises, George I. Towne to build a woodshed in the rear of the Wheelock residence, A. D. Morse for a coal shed between the M. & W. R. and C. V. railroads near the C. V. bridge, H.O.Camp for an addition to his house, George Geake for a sign opposite the American House, W. G. Parker to connect sewer to house on Perry Place.

The following warrants were ordered paid. W. F. Richardson $200, Harvey Hersey $5, National Life Insurance Co. interest on note $500, Martha Childs $51.33, city schools $3586.98. The aldermen voted to accept the invitation of the Grand Army to attend the Memorial Day exercises.

Goddard Seminary.

Richard Gulett goes to Burlington Monday to play in the interscholastic contest. Mr. Hafor is [illegible] speaking with a fine expression. It is more than he will enjoy [illegible]

[illegible] Friday and Saturday [illegible] ing to fourteen of the applications to take the place of those who will resign. They will hold another meeting very soon and will make the new teachers known.

The frame work of the house of U. S. Cheever was burned last evening and this morning not a piece of the remains is standing. The fault seems to lay with the firemen, as they left the building smouldering yesterday morning. A portion of the veranda was burned about 6 o'clock last evening.

Dr. Deziel telephoned yesterday to the insane asylum at Waterbury and inquired as to the condition of James Wilkie who was taken there a few days ago. The superintendant of the asylum said that Wilkie was quieter that he eats and sleeps well and there is considerable hope of his recovery.

GILBERTSON-REYNOLDS

The many friends of William Gilbertson the popular young cornetist and photographer of this city will be interested in learning that he was married yesterday at noon to Miss Mamie L. Reynolds of Rutland, the marriage taking place at the home of the bride. Mr. Gilbertson returned home last night and it is understood that they will reside here in this city.

PAPERS WERE SIGNED.

LAST EVENING FOR THE PURCHASE OF THE BARRE WATER CO.

After the adjourned meeting of the city council the board of aldermen held a meeting last evening to sign the papers for the purchase of the Barre Water Company plant, as previously announced in this paper. E. W. Bisbee, attorney for the water company was present. The matter of signing the papers was talked over freely but were not signed until 11 o'clock.

The conditions of the contract were that all the property of the said Barre water company including maps and charts shall belong to the city of Barre from March 31st. Or if purchased on that date, the city shall receive all water rents and income from March 31st 1898 and to pay all debts contracted since then. The original signature of three persons [illegible] days, and the purchase of [illegible] commission will be appointed.

A NEW SCHEDULE.

Has Been Made Out For Free Delivery Service in Barre

Some time ago the residents of West Hill petitioned for an extention of the free delivery district. The officials at Washington refused and Post Office Inspector Willis, of Boston, was sent here to cut down the district so that the people may have better service with the four carriers allowed.

Mr. Willis was in the city yesterday and a new Schedule was made out. With the new service the delivery can be depended upon and any person or persons who fail to receive their mail as per the new schedule will please notify the postmaster, All who have mail delivered must depend upon the carriers for their mail and not call at the post office as the carriers have their mail out on their route.

The carriers' window will be open evenings from 7 to 8 o'clock, at which time mail will be delivered to all who wish to call. This is the only hour that mail, delivered by carriers, can be had at the office.

This arrangement is made by order from the post office department at Washington, and while it will not please every person it is the best service to be had at the present time.

It would be a great convenience to carriers if everyone would furnish a place at their house or office to deposit their mail as carriers lose much time in waiting to deliver it at the doors.

The following is the new schedule which will go into effect Friday, May 27th.

We publish a list of streets that will not have their mail by carrier. All others will have to call at the post office for their mail. There will be no delivery of mail at the 10 o'clock mail.

WILLIAMSTOWN.

Rev. Charles Farnsworth has been appointed to a Methodist church in Lawrence, Mass.

George Dobbs, late a brakeman on our Williamstown branch railroad, has just moved to Barre.

John Byrnes' son makes the third boy in the Follensby Goodrich school district who has just gone into the Cuban war service.

Our new grand list shows an increase over last year of 10 per cent in the number of polls, and a slight increase in the property of the town.

Rev. William Schofield continues to supply two Congregational churches in Brookfield each Sunday, and we hear good thihgs said of his sermons.

Rev. Thomas E. Mitchell of the Presbyterian church at Barre preached morning and evening in the Congregational church on Sunday, and was much liked.

The Queen Esther Mission Circle of the Methodist church will hold a cowtery sociable at the parsonage on Saturday evening of this week. The program promises a very pleasant entertainment to which the public is cordially invited.

BROOKFIELD.

H. D. Reed and Oliver Dutton was in Williamstown the 23rd on business.

J. Belding is in Burlington visiting friends.

We understand that a bounty of a peck of butternuts is offered to each man that will enlist at East Brookfield.

Miss Mabel Wheatly has returned to her home in Williamstown.

Will Bamikon is to work for S. H. Wheatly in Williamstown.

On the Corner.

Late yesterday afternoon, the following notice was carried to every member of the club

KICKERS ATTENTION.

As the City Council is likely to take important action tonight over the Water question, it is arranged that we shall have a delegate at the meeting of that body who shall immediately bring us information concerning the latest circumperformance of the city kings. In order that we may be in time for our own meeting, all ye wise men, who loaf on corners, and find fault with all local improvements, are hereby commanded to assemble in Central Place at six o'clock Tuesday night, there to remain until ordered elswhere by the Boss. Fail not under penalty of expulsion from our "select" organization.

Per threats of the Boss.

Some member of the club without doubt lost his notice, and it was found by "Bill Gill" who gave it to the Inspector. Promptly at six o'clock I secured a safe hiding place in Central Place and watched for appearances of this gang of "high law makers." In a short time they began to assemble on the paint shop piazza. Now the owner of the shop had just departed for home and the club thought they were safe from disturbance, but just then Chief Howland cried from the police room window" Move on you loafers." Indeed the fates were still against the gang, but to escape arrest they fled followed by the Inspector. They did not find a suitable place for meeting, until they reached the Seminary grand stand, and without being discovered the Inspector secured a place under the stand. By the time the guessing contest concerning the whereabouts of Sampson had been decided to the satisfaction of the reporters present, the club was ready to hear from the City Council, and soon the agent sent to attend that meeting, came running into the camp, and upon learning the action of the City Council, the club at once determined to gain a chance if necessary to settle the price of the plant. Here is the request sent to the City Council.

TO THE WATER BUYERS.

The On The Corner Club would take this time to warn the city government that if and attempt is made to pay the owners of the Barre Water Company for the plant of that concern without asking for advice from this club an injunction will at once be issued to prevent any such act by the city government. This club has many men in its ranks who know something about water, in spite of the fact that their thirst is now quenched with another liquid, and we warn the water buyers that they are on dangerous ground, and further they may run some harm, the club renders its valuable services for the purpose of deciding the price to be paid. Accept our services and peace will continue but reject our offer, and we dare not predict the results which may follow. "Life respectfully betwixt a large number of our local readers will never see any [illegible] anything that is not present or prospective, if the deal for the water plant should be completed without some kind of an injunction. Barre would be breaking her record so white the inspector feels that the City Council is amply able to decide the price to be paid, yet it is to be hoped that some situation will arise which shall aid this city in keeping its record good in the way of injunctions. As the rain commenced to fall at the conclusion of this section by a vote and as the debates between two members of the City Council, is declared off, the club actually adjourned without as much as suggesting any new candidate for Postmaster, City Representative the next Mayor or mentioning the bad names they have frequently applied to the

ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one or two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney, and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail, upon receipt of three two cent stamps to cover cost of postage on the bottle. Mention THE BARRE ENTERPRISE and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.
