Such is the offer made direct to the public by the large and fearless concern, the Burlington Watch Company.

And this has been made necessary on account of the way manufacturers and dealers in this watch trade hang together in boosting other goods.

If you are posted on watches you have undoubtedly heard heretofore of the factory producing Burlington watches; and now you have the opportunity to own this absolutely superior time-piece, thanks to the special direct offer.

What if the watch does cost a little more than the "cheap," inferior watches—you can get it for \$2.50 a month at the very rock-bottom price, and with the Burlington direct guarantee. It is the most economical watch in the long run.

**Beautiful Watch Pleases All**

Yes, I am enthusiastic about this Burlington Special no-trust watch, for I heard of this latest superb product of the Burlington Company a short time ago, even before it was ready for sale. As soon as the watches were put on sale I bought one and showed it to my friends.

You ought to have heard how they were pleased and surprised. Pleased when I showed them the case, the double-sunk dial, the delicately fine movements and other features of the very, very finest watches.

Surprised when I told them the price—a direct to the consumer no-trust price—on this superb Burlington Special watch.

Well, after I had bought my watch a lady neighbor of ours bought one also—the ladies' Burlington watch—and surely if you had seen it—well, I know you would not think of buying any other kind of watch for your wife, daughter or lady friend.

## \$1,000.00 Challenge to the Waltham and the Elgin

**How the Challenge Started!** The Waltham Watch Company published a challenge to all foreign factories to put 50 foreign watches against 50 Waltham watches in a competitive test of time keeping, the whole 100 watches to become the property of the winner. For copy of this challenge get our free booklet.

**Why Did the Waltham Company** carefully confine its challenge to foreign competitors? Of course the Waltham can afford to challenge Swiss watches, for American-made watches are certainly better—but would the Waltham dare to face a test with the Burlington? Or would the Elgin dare?

### We Challenge the Waltham (also Elgin)

*We have deposited in the Colonial T. & S. Bank of Chicago \$1,000.00 in cash to be forfeited to the winner. We absolutely and positively back any Burlington against any Waltham (or Elgin) of the same size and grade; and we make this challenge irrespective of price. NO MATTER WHAT PRICE the Waltham or Elgin charge. The loser in this contest is to forfeit his \$1,000.00. The bank now holds the \$1,000.00.—Why do not the Waltham or Elgin accept this challenge? Why not?*

**WE CALL THE BIG FACTORIES A TRUST BECAUSE** (with the prices on over twenty similar movements EXACTLY IDENTICAL) THEY HAVE A MUTUAL ARRANGEMENT OF NOTICE ON CHANGE OF PRICES.

**Do Not Miss** this opportunity to get the best watch made anywhere in the world—not the biggest seller, but acknowledged among experts as the best—the genuine BURLINGTON watch—sold by our no-trust plan—on a rock-bottom offer—at no-trust price—one price, direct to the public (and, if desired, on terms of \$2.50 a month).

## SO WRITE FOR THE FREE WATCH BOOK

**BE SURE to write** for this booklet telling all about this challenge, and pointing out the superior quality of the Burlington (at its one direct price), and giving you other facts of importance about watches, especially trust watches.

And the FACTS in this booklet with reports from the Congressional Records, speeches in Congress, and briefs now before the Department of Justice in Washington, will quickly convince you that the American people are paying two prices for some of the best known makes of watches.

**THIS BOOKLET** will quickly convince you, too, that you do want a no-trust watch—made in a smaller but better factory—the independent factory that is fighting the trust as best it can by giving better quality and superior workmanship throughout; the book will convince you that the Burlington watch, on which there is only one rock-bottom price (the same rock-bottom price everywhere) is THE watch for the discriminating buyer; that it is THE watch for the man or woman who wants, not the largest selling brand which everybody has, but the best watch, the watch bought by experts. THE watch that is absolutely perfect in its many points of superiority—the Burlington watch.
