### PENNSYLVANIA MAN THANKFUL

Mr. C. E. Brooks,  
Marshall, Mich.

Dear Sir:—

Perhaps it will interest you to know that I have been ruptured six years and have always had trouble with it till I got your Appliance. It is very easy to wear, fits neat and snug, and is not in the way at any time, day or night. In fact, at times I did not know I had it on; it just adapted itself to the shape of the body and seemed to be a part of the body, as it clung to the spot, no matter what position I was in.

It would be a veritable God-send to the unfortunate who suffer from rupture if all could procure the Brooks Rupture Appliance and wear it. They would certainly never regret it.

My rupture is now all healed up and nothing ever did it but your Appliance. Whenever the opportunity presents itself I will say a good word for your Appliance, and also the honorable way in which you deal with ruptured people. It is a pleasure to recommend a good thing among your friends or strangers. I am,

Yours very sincerely,  
JAMES A. BRITTON,  
80 Spring St., Bethlehem, Pa.

Gentlemen:—

I feel it my duty to let you, and also all people afflicted as I was, know what your Appliance has done for me. I have been ruptured for many years and have worn many different trusses, but never got any relief until I got your Appliance. I put it on last November, but had very little faith in it, but must

### Others Failed But the Appliance Cured

C. E. Brooks,  
Marshall, Mich.

Dear Sir:—

Your Appliance did all you claim for the little boy and more, for it cured him sound and well. We let him wear it for about a year in all, although it cured him 3 months after he had begun to wear it. We had tried several other remedies and got no relief, and I shall certainly recommend it to friends, for we surely owe it to you.

Yours respectfully,

### Cured at the Age of 76

Mr. C. E. Brooks, Marshall, Mich.

Dear Sir:—

I began using your Appliance for the cure of rupture (I had a pretty bad case) I think in May, 1905. On November 20, 1905, I quit using it. Since that time I have not needed or used it. I am well of rupture and rank myself among those cured by the Brooks Discovery, which, considering my age, 76 years, I regard as remarkable.

Very sincerely yours,  
High Point, N. C. SAM A. HOOVER.

### Child Cured at Four Months

21 Jansen St., Dubuque, Iowa.

C. E. Brooks,

Dear Sir:—The baby's rupture is altogether cured, thanks to your appliance and we are so thankful to you. If we could only have known of it sooner our little boy would not have had to suffer near as much as he did. He wore your brace a little over four months and has not worn it now for six weeks.

Yours very truly,  
ANDREW EGGENBERGER.

7. There is nothing about it to get foul, and when it becomes soiled it can be washed without injuring it in the least.
8. There are no metal springs in the Appliance to torture one by cutting and bruising the flesh.
