UNION PACIFIC ANNOUNCES ROUND TRIP EXCURSION RATES

On January 31st the Union Pacific will run the old time Mid-Winter excursion from all points in Idaho to Los Angeles, Calif. and return, direct via their own lines. This is the first round-trip excursion for over five years, and no doubt those of our people who used to enjoy taking this trip most every winter, will avail themselves of this opportunity to again visit the land where it is now spring and also see Los Angeles—the New York City of the West.

Mr. C. H. Cutting, traveling passenger agent for the Union Pacific System, with headquarters in Salt Lake City, was a visitor to our city recently, having just returned from a trip to Los Angeles and is loud in his praise of both the present climatic and business conditions now existing in the so-called land of sunshine and flowers, and is very optimistic for the future with reference to general business conditions throughout the country, stating the farmers will soon receive better prices for their produce and livestock, and that with the outlook for further reductions in merchandise prices, everybody is looking forward to a big improvement in business conditions for 1922.

Mr. Cutting says he expects enough business from Idaho to warrant a special train, consolidating cars from different districts at Pocatello.

MALHEUR COUNTY LIBRARY NEWS NOTES

The Central Library is open daily except Friday and Sunday, from 2:30 to 5:30, and 7:00 to 9:00.

An American Journalist, Frederick O'Brien, opens up for us in his "White Shadows in the South Seas" a land of dreams and romance. This colorful tale of one happy year spent among the simple, friendly cannibals in the Marquesas Islands, gives picturesque glimpses of an idyllic sunny life. The story of Exploding Eggs, The Valet, of Vanquished Often, the Beautiful Belle, and of the Golden Bed, is as absorbing as a novel.

Among the reference books in the library are the telephone books of both Portland and Boise, each with a classified business directory. When you have forgotten an address call up the library.

A new feature of the income tax law requires that every person who had a gross income of \$5,000 or more for 1921, must file a return, regardless of whether or not that sum yielded him a cent of profit. To illustrate: "A" received from his business and other sources \$5,000 during the year 1921, but his deductible expenses for the year aggregated \$4,500. His net income being less than \$1000, A would not have to pay an income tax. However, he is required under the law to file an income tax return if his gross income was \$5,000, or more, regardless of whether or not he realizes any profit. These returns must be filed in the office of Clyde G. Huntley, Collector of Internal Revenue, not later than March 15, 1922.
