CORRESPONDENCE.

HIGHLAND.
February 24th, 1894.
C. Sandvig is on the sick list.
Another heir of the masculine gender
is stepping with the family of Chas. Mc.
Devitt.

Mr. and Miss Engers of Yankton
county, are visiting at Saly's.

Some of our young folks had a hop at
the old Brockman place last night.

Ole, Hans and Caroline Enstad are
visiting with friends in Yankton county.
Osm'd Steensland was up from Beres-
ford last Thursday.

We note that our friend Slapjack is
beginning to get a little "windy" again.
Our dear old Highland, according to his
doctrine, is not up to the standard, be-
cause of having only one literary society.

We wish to inform him that it is not
quantity but quality that counts with
us; that we have the quality and are
willing to subordinate the statement by
meeting the cream of Norway's three
grand societies in a joint discussion. If
you look favorable upon our proposition,
select your committee to meet with us
and arrange particulars. PUMPKIN.

PRAIRIE GROVE.
February 24th, 1894.

The Ladies Aid Society met at the
home of J. Killingbeck last Thursday; a
good attendance reported.

Those sick at Mr. Keidde's have recov-
ered from the measles.

Two of Miss McGarraugh's friends
from Sioux Falls were visiting Prairie
Grove school this week.

Charles Wimer was visiting his many
friends in Prairie Grove last week.

We understand our school teacher,
Miss McGarraugh, has an assistant
music teacher—Miss Eva Clark, who is
a graduate of Prairie Grove musical
conservatory. We think our teacher has
made a wise choice.

Mrs. S. D. Kinyon has returned to her
home in Harrisburg, from attending her
son Allen, who was sick with the measles.

We hear that D. J. Killingbeck has
contracted all of T. W. Clark's corn
husking for the coming year.

Dan Slack, jr., lost a valuable horse
by falling on the ice last week.

James Davidson's baby is slowly re-
covering from an attack of the measles.

A large number of Prairie Grove young
folks attended the dance at Harrisburg
the 22nd ult. A good time is reported.

Frank Keidde expects soon to return to
his home in Washington, but from all
appearances, we think he will not return
alone. KIOTE.

FOUR CORNERS.
February 22nd, 1894.

Miss Betsy Sater has returned from
Canton.

Ole Himen has the frame up for his
new house.

The Ladies Aid Society met at H.
Sater's today.

Frank Sampka has just returned from
Nebraska. We are informed he did not
like it down there and will stay with us
for a while.

Mr. Pumpkin would like to hear from
Squash every week. We can inform him
that our time is limited and will send in
news as often as possible.

Neils Nelson has been at work making
a new feed mill. He made the burrs
from hard flint rock and it is something
that will last.

Did you notice the northern lights
Thursday night about half past nine
o'clock? The lights turned red and staid
a bright red for as much as 15 minutes.
Is it war?

It has been reported that times would
be better in the spring, but we have not
seen any sign of better times yet. We
did not get any of the United States bonds
nor any money out of the deal. Won't
our republican friends point out the high
prices and good times they promised us
when John Sherman joined Cleveland in
a raid on the people in behalf of the
bankers? SQUASH.

DELAWARE.
February 26th, 1894.

The readers of the LEADER do not hear
very often from good old Delaware, but
we are all alive and doing nicely out
here, and when it comes to benevolence
our people are always ready to do their
share.

Those who live in the vicinity of the
Pleasant View school house have been
quietly at work doing good this winter.

In March 1893, the ladies organized a
society of "Willing Workers." Mrs.
Ingalls is president and Mrs. Eddy sec-
retary. They have been quietly working
what they could towards the support of
Elder N. B. Baldwin, and through their
efforts were enabled to have preaching
every alternate Sunday morning and eve-
ning. During this time, in December I
think, they aided the Childrens Home at
Sioux Falls, and again in February, see-
ing the appeal for help in the paper they
again aided that same institution by way
of a cash contribution to the amount of
\$27.25 and provisions, &c., to the value
of \$9.75; total \$47.00. This was raised by
soliciting, but not all within the society.

On Friday evening February 23rd, the
ladies held a fair and gave an oyster
supper at the home of Mrs. M. A. Young,
which in every respect was a decided

success. As regards attendance there has
never been anything to equal it at a
private home in this section, there being
at the least 125 persons present. It was
a grand affair from beginning to finish.
The supper was elegant and the enjoy-
ment delightful. The "Willing Work-
ers" are successful workers and a true
christian spirit is the motive that prompts
their good work. \$57.30 is the amount
realized from the entertainment.

HARRISBURG.

J. L. Kohn made a flying trip to Canton
last Friday.

L. P. Meinzer returned Wednesday
from a two weeks visit to Delmar, Iowa.

A. B. Couits has resumed his duties as
harness maker for Meinzer & Kehm.

There will be a masquerade ball in the
hall Friday night, March 9th.

Miss Carrie Husby came down from
the Falls Saturday.

J. W. Jones and family visited at the
Falls Saturday.

Some business, which he refused to
divulge, took Sam Abbott of Canton, to
Sioux Falls Saturday. Sam was in a
hurry and took a tie pass as far as Har-
risburg.

A most enjoyable time was had at the
dance last Thursday night, about forty
couples were present.

Frank Parke returned from a few days
visit at Canton Wednesday.

Burt Parker, a student of the Queen
City Commercial College of Sioux Falls
spent Sunday with his parents Mr. and
Mrs. A. M. Parker.

Mrs. W. M. Parke returned Sunday
from a short visit to her sister at Silver
City, Iowa.

There will be a debate held in the hall
Saturday night; question: Resolved that
prohibition is a detriment to the State.

COLLEGE NOTES.
February 28th, 1894.

Misses Dales, Thorsness and Svarstad
made a visit to the orphans home at
Beloit, last Sunday afternoon.

Ole Steensland and Osm'd Hustel made
a flying trip into the country last Sat-
urday night. Upon inquiring, we find
that a basket social was the attraction.

Claus Hegness made a flying trip to
Hudson last Friday. What's the
attraction Claus?

The Oratorical Association will give an
oyster supper Friday, March 2nd.
Everybody invited; come one, come all.
Tickets 25 cents.

Quite a gala day at the college last
Saturday, as the students all marched up
to Hilstad's gallery, and—and broke the
machine.

Knut Jacobson was out Sunday, so
he says, "with the old folks at home,"
but we think there must be some other
attraction.

A great deal of excitement prevailed
last Saturday when it was announced
that A. C. Dale, Janitor of the dining
room, was under arrest for non-perform-
ance of duty.

The college Attorney, M. J. Stolee, is
a good scholar, writer, and a fine
speaker, well versed in law at home
and abroad. We certainly think that
Mr. Stolee has a glorious career before
him.

The Chicago Inter Ocean.
The Chicago Inter Ocean, that great
Republican newspaper, has not suffered
by the recent era of financial depression
but has gone right along adding to its
foundation stones—a large and substan-
tial circulation—with a stride that under
the circumstances is truly wonderful.
At one time additions to the subscription
list were coming at the rate of 800 to 1,100
per day for the daily issue, and as high
as 1,500 per day for the Weekly Inter
Ocean.

The result of this is to place it easily
at the head of the list of great Chicago
newspapers. It is certainly a good, clean,
family newspaper of the highest order.

Vick's Floral Guide, 1894.
It contains descriptions that describe,
not mislead; illustrations that instruct,
not exaggerate. This year it comes to us
in a suit of gold. Printed in eight differ-
ent colors besides black. Colored plates of
Chrysanthemums, Poppies and Veget-
ables. On the front cover is a very ex-
quisite bunch of Vick's New White Bran-
ching Astor and on the back is the New
Double Anemone; 112 pages filled with
many new novelties of value as well as all
the old leading varieties of flowers and
vegetables.

We advise our friends who intend
doing anything in the garden this year
to consult Vick before starting operations.

Send 10 cents to James Vick's Sons,
Rochester, N. Y., for Vick's Guide, it
costs nothing, as you can deduct the 10
cents from first order. It certainly will
pay you.

A STUDENT TALKS.

At a recent college election, the Independ-
ents were defeated by the Republicans, with
majorities ranging from 18 to 25. A great deal
has been said since that time by members of
the victorious party.

The writer has the following to say:
No man with a true conception of the
economical situation of the nation can truth-
fully say that popular self-government in this
country, is a success; disguise the fact as we
will, deplore it as we may, and deplore it as
we should, the plain naked truth remains, that
a government of the people, by the people, and
for the people, no longer exists in this country.

The heritage we received, the privileges we
were granted, and the happy prosperous con-
ditions we are entitled to, have all been taken
from us by the plutocrat, the alien, and the
boodling scoundrels, who owns all, rules all,
and enjoys all; vice flourishes while virtue
dies, corruption succeeds while honesty falls,
and every form of government is made to con-
serve the rich and powerful. The smaller the
offense the greater the punishment, has be-
come an axiom of American jurisprudence.

The tramp who steals a loaf of bread to keep
from starving is sent to prison; while the man
who steals a railroad is sent to the United
States Senate. On account of this, society is
rapidly taking sides and the day of accounting
is drawing near.

Already the muttering thunders of discon-
tent are heard from every section of the
country, and unless quieted ere long, will burst
with destructive force that will paralyze or
destroy the nation.

This language is strong; perhaps, too strong
for many, but, nevertheless, it is a truthful
presentation of the facts as they are.

Let those who rely upon their purse for
future security think and act as they may; but
let the far-seeing, the candid and the thought-
ful bend their energies and concentrate their
forces and try to bring about immediate and
radical reform, or all is lost.

Congress has refused to grant any relief
and basely betrayed the people; while the admin-
istration has become the willing tools of
plutocracy; while the courts, instead of being
judges, have become persecutors, and their
decisions have become mere matters of
merchandise; while truth, honesty and business
virtue have become the mile-post that mark
the way to the poorhouse or the potter's field;
while corruption, dishonesty and infamy is the
road to emoluments and success.

This state of affairs can no longer exist, or
the black flag of the republic will be seen float-
ing from every hill-top in the nation.
J. W. FARLEY.

Turning Rascals Out.
When the Republican postmaster of
Watertown laid down the scepter of office,
he also left behind a deficit of \$800. This
fact led Mark Sheafe to telegraph the
postmaster general the following laconic
message: "The Watertown postoffice has
gone Republican by a deficit of \$800." The
Watertown statesman has had a fresh
opportunity in the land office affair to
repeat his telegram, that the land office
had gone Republican \$1,400 deficit. It
should be remembered that Carpenter,
the retiring official, was Pettigrew's man,
and the breach between Senator Pettigrew
and Governor Mellette had its origin
in Pettigrew forcing Carpenter upon the
people of Watertown.—State Forum.

That Bank Failure.
So the Hand County bank goes to the
wall with a dead sweep of \$25,000. Where
was the great Meyers? Oh, where was
Meyers? The people of South Dakota
pay this man Meyers a handsome salary
to examine banks, and keep his eye on
any signs of totter. In his whole term of
office he has not saved the state one dol-
lar, but by his examination lulled the
depositors to sleep. How could Meyers
pass this bank as worthy of credit, as
meeting the requirements of law when at
the collapse it had but \$500 of cash on
hand, and the merest modicum of credits?
Is this the Sheldon reign, with an illegals-
levy of \$340,000 to be wrung from the
people for its support?—State Forum.

Trying to reform the old parties
is like trying to get service out of an old
leaky, worn-out engine. The time and
material put on a new one would prove
more satisfactory.—Industrial West,
Clarendon, Texas.

Castoria is truly a marvelous thing for
children. Doctors prescribe it, medical
journals recommend it and more than a
million mothers are using it in place of
Paregoric, Bateman's Drops, so-called
soothing syrups and other narcotic and
stupefying remedies. Castoria is the
quickest thing to regulate the stomach
and bowels and give healthy sleep the
world has ever seen. It is pleasant to
the taste and absolutely harmless. It relieves
constipation, quiets pain, cures diarrhoea
and wind colic, allays feverishness, de-
stroys worms, and prevents convulsions,
sooths the child and gives it refreshing
and natural sleep. Castoria is the child-
ren's panacea—the mother's friend.

Castoria is put up in one size bottles
only. It is not sold in bulk. Don't
allow anyone to sell you anything else on
the plea or promise that it is "just as
good" and "will answer every purpose."

A Remarkable Discovery.
A remarkable discovery is one of the chronic
prevalences of advertisers. Cubeb cough
cure is not such. It is an established remedy
with known merit, made on scientific principles
by experienced chemists. It affords instant
relief, and is called the sixty second remedy,
for it stops coughing at once, does not cure but
gives temporary relief to consumptives, and
absolutely cures all other affections of the
throat, lungs, etc. For croup, whooping-cough
and colds of children, cubeb cough cure is in-
valuable. For sale by druggists in 25 and 50
cent bottles.
Sold by Helme & Co.

It must be a good article that will induce
a man to go forty miles to get it. Mr. E. R. Swen-
son, of Fairfax Station, Va., says: "I was badly
afflicted with rheumatism in the hips and legs,
when I bought a bottle of Chamberlain's pain
balm. It cured me in three days. I am all
right today and would insist on everyone who
is afflicted with that terrible disease to use
Chamberlain's pain balm and get well at once.
