

It is Thought by Many when the Creator said to woman "in sorrow shalt thou bring forth children," that a curse was pronounced, but the joy felt by every Mother when she first presses to her heart her babe, proves the contrary.

Danger and suffering lurk in the pathway of the Expectant Mother, and should be avoided, that she may reach the hour when the hope of her heart is to be realized, in full vigor and strength.

"Mother's Friend"

so relaxes the system that the natural and necessary change takes place without Nausea, Headache, Nervous or Gloomy Foreboding and at the trying hour makes Child-birth easy, as so many happy mothers have experienced. Nothing but "Mother's Friend" does this. Don't be deceived.

"Mother's Friend" is the greatest remedy ever put on the market, and all my customers praise it highly. —W. H. KING & CO., Whitewater, Tex.

SCHMIDT-HELGERTSON.

Married—Otto E. Schmidt to Miss Mollie E. Helgerson, Wednesday, June 30, at 8 o'clock p. m., Rev. Tetly officiating.

The Evangelical Lutheran church was lastly decorated in honor of the event, which occurred Wednesday night before a large congregation of admirers and friends. At the above mentioned hour the wedding party arrived at the church where the wedding ceremony was performed by Rev. P. H. Tetly of the Lutheran church. The sermon was preached by Rev. F. A. Schmidt, D. D., of Minneapolis, father of the groom. Miss Palma Anderson rendered Mendelssohn's wedding march as the party filed down the aisle. Otto E. Schmidt was born in St. Louis, Mo., and prior to his matrimonial adventure has made his home in Minneapolis with his parents, having been in attendance at the United Church Seminary at that place from which he graduated last month. He was ordained last Sunday in St. Paul. During his attendance at Augustana College three years ago, the LEADER had the pleasure of forming his acquaintance and we have found him a young man of sterling qualities and one who will make the life of the fair lady he has chosen his wife one of happiness and bliss. Miss Mollie E. Helgerson was born in Lyon county, Iowa, on June 30, and uniquely celebrated the anniversary of her birth, and with her parents removed to Canton when a young girl. She has grown to womanhood among the large circle of friends who were pleased to congratulate her Wednesday night. She is a beautiful young lady, possessing a kind heart and an admirable disposition, both of which are important factors in constituting a pleasant home, and in our judgment Mr. Schmidt could never find a better specimen of true womanhood and love than Miss Helgerson. After the sermon Mr. and Mrs. Schmidt, accompanied by their relatives and a large circle of admirers and friends, repaired to the residence of the bride's parents where congratulations and best wishes were showered upon the newly made husband and wife. Mr. Schmidt will make his home in Pullman, Ill., to which place he goes week after next, having been tendered two missionary churches at that place. Mrs. Schmidt will follow later on. The LEADER tenders its most hearty congratulations and wishes Otto Schmidt and his charming bride a life of unalloyed bliss.

HISTV-ELSTER.

In response to request of Mr. and Mrs. James Elster, about two hundred and fifty gathered at the Beaver Creek Church to witness the marriage of Miss Julia Elster to Mr. Gustav Risty, Wednesday, June 23. At eleven o'clock the bride, attended by her bridesmaids, Anna Elster, Mary Risty, Sarah Swenson and Sophia Egge, and the groom attended by his groomsmen, Austin Risty, Albert Elster, Otto Mork and Ed. Elster, marched into the church. The wedding march was played by Miss Christina Anderson of Canton. Rev. H. C. of Sioux Falls, performed the ceremony. After the ceremony at the church, the friends of the young couple repaired to the home of the bride's parents, where they received felicitation from their many friends. In due time dinner was prepared of which all partook. After dinner the crowd was entertained by music, instrumental and vocal. At six o'clock the table was again set and the numerous guests again partook of the delicious viands spread before them. Games were then indulged in until midnight, when the plates were again spread and in wait for those who were still present. The merriment was kept up till daylight the next day, when the last of the guests returned to their homes. The tokens of love and regard were numerous and beautiful. Monday the young couple left for their home in Springdale township. The LEADER joins with the large circle of friends in wishing the young couple a most happy and prosperous journey through life.

GILBERTSON-NYHUS.

At the Evangelical Lutheran church on Wednesday afternoon at 3 o'clock occurred the marriage of Mr. James Gilbertson of Vermillion, and Miss Bertha Nyhus of this city. Rev. Tetly officiating. In days ago Mr. Gilbertson was a resident of this city, being employed in Berney Hanson's harness shop, and was always a favorite among his gentleman acquaintances. The bride has been a resident of this city for many years, and her genial disposition is in a degree responsible for her large circle of friends. After the ceremony the contracting parties and a number of relatives repaired to the home of the bride's parents, where a wedding supper was served. Mr. and Mrs. Gilbertson will go to their future home in Vermillion next week, where Mr. Gilbertson is engaged in the harness business.

Norway.

Gena Gubberud, Anna Jacobson, Oina Jensen and Bertina Rogness are attending institute at Canton.

John Steensland wears an exceedingly broad smile now-a-days, all because he's "papa" now, Mrs. Steensland having presented him with a handsome daughter Wednesday.

H. K. Rise and family visited at Memblious' last Sunday.

Wheat, oats and barley are now doing well in this section, and are heading out.

Mr. Knutson is painting the school house in District No. 19, which will add greatly to its appearance.

Norwegian school closed last week after a term of eight weeks. It was well attended.

Business at Moe is rushing these days and all they can do to attend to customers.

Mrs. Thomas Tredt, aged 66 years, died last week and was buried Wednesday. She had been sickly for about twenty years. She leaves a husband and family of six grown up children.

Knute Rise and Ole Ronning expect to attend a wedding of the former's relative in Brule this week.

Last Tuesday Claus Hegness went to Canton, and of course someone went with him. While returning an accident happened, which caused poor Claus to walk nearly five miles. But Claus is happy just the same.

It is said that Moe has some artistic lady painters.

What can be the attraction at Christopherson's? Every Sunday evening with unending regularity, their home is the scene of "youthful jollity."

The circus at Hawarden proved a great attraction to Norway's citizens, as numerous vehicles were seen going in that direction.

Miss R. feels very grateful for the assistance with that bundle.

One of the parties reported hunting last week has been slightly successful at Canton. Congratulations!

Grand Valley.

June 30, 1897.

The rain Monday night was fine and did much good to crops. Corn is more than "knee high" and growing fast.

Mr. Christopher from Mitchell, has been conducting religious services at the school house nearly every evening during the past week.

Mr. Rogers, the missionary representing the American Sunday School Union in this part of the state, helped us organize a Sunday School at the school house last Sunday. C. S. Maxwell was elected superintendent.

Prof. W. O. Miller was a caller in Grand Valley Tuesday evening.

Oscar, Emma and Emie Carlson and E. Grinnell from Brookline township, on their way to Canton to attend the teachers institute, visited with Grand Valley friends Sunday last.

Misses Hattie Mae and Vallette Flory are attending the teachers institute at Canton this week.

The H. C. and G. V. Ladies' Aid Society will have their annual sale at the residence of E. Olson, Highland, on Tuesday, July 6. Free dinner will be served. A cordial invitation is extended to all. Note the change of time, it will be July 6, not June 30, as first announced.

On invitation a number of the young folks gathered and spent a pleasant evening at the residence of Christ. Strand last Sunday.

The program rendered by the school children last Friday evening was the best ever rendered by the Grand Valley school, much to the credit of their teacher, Miss Hattie Mae Flory.

Miss Lizzie Torkelson is staying with Mrs. M. O. Mickelson this week.

Albert Ferris is in the northern part of this county drilling wells. Albert is getting to be quite an expert at that business.

Who Pays the Tax?

The Republican claim that "the foreigner pays the tax" is amply proved by the following letter, which will appeal to the people of Nebraska and Iowa, as it interests them particularly:

OMAHA, April 10.

The Albion Milling Company, Albion, Neb., Gentlemen—Answering your inquiry of the 7th inst. The explanation of the recent marked advance in the price of burlap bags is in the prospective changes in the tariff. Under the Wilson bill they are on the free list, but the Dingley bill provides for a duty which would amount to something over 1 cent per bag on the 66 inch eight ounce burlap. The price made you on your recent invoice is the lowest which we can offer on the present market. Yours truly,
 BEMIS OMAHA BAG COMPANY,
 M. C. PETERS, Manager.

The consumers of burlap bags who live in this section of the country need not imagine that the increased price of bags concerns them. The foreigner has to pay it.

Congressman "Champ" Clark, in his speech on the Dingley tariff bill, said "the passage of the bill will force every merchant in the land to make a tariff for revenue only speech every time he sells a bill of goods across the counters." The above letter is only one of the tariff speeches referred to by the eloquent and witty Missouri congressman.—World-Herald.

Notice of Tax Deed.

To C. J. Rickford and Lars Berg and F. B. Kennard and L. L. Millage.

You are hereby notified, that on the 5th day of November, 1894, the following described piece or parcel of real estate situated in the county of Lincoln and state of South Dakota, to-wit: The South East Quarter of Section One in Township Ninety-six (96) Range Fifty (50), containing 100 acres, was sold for taxes then due and delinquent for the year 1893, at tax sale, by the Treasurer of said county, to John Mulhall, and the certificate of said purchase was by said purchaser duly assigned to Florence A. Mulhall, who is now the lawful owner and holder of said certificate of purchase, and that the right of redemption will expire, and a deed of said land be made within sixty days from the completed service of this notice.

Elkins on Wages.

"Wages must go down," says Senator Elkins in a recent interview published in the Cincinnati Enquirer. "Wage earners," continued the senator, "do not wish to see it or believe it, but it is so." And again he said, "Wages in America stand against any revival of business."

He was discussing the coal trade. He said, "We do not export coal to Europe because we have wages against us, and that is the whole kernel of the coal trade."

Being asked whether black labor was settled in the mines of West Virginia, he said: "Firmly. It is as effective as white labor and does not combine and conspire, and the negro spends all he makes, while the Italians and Poles send every cent out of the country."

The senator has just as decided ideas on the tariff question. He is firmly convinced that protective duties, especially those on coal, should go up. Tariff up, wages down. That is what happened under the McKinley bill and is what will happen and in fact is happening under the Dingley bill. It is all done in the interest of labor.

Mis Columbia's Overgrown Infant.

I believe in protecting infant industries, but when the infants get to be six feet high and grow whiskers, and when they threaten to kick the end out of the cradle if they don't get more pap, I think it's about time to take the bottle away from them.—Colonel R. G. Ingersoll (Rep.).

Lawrence and His Rams.

"Lawrence is not interested in wool, but in sheep," the Chicago Tribune (Rep.) explains. "He and a score more of Ohioans raise blooded rams, which they sell to the ranchmen to improve the breed of their sheep and better the quality of their wool. This is a prosaic, useful business, but the country would not be ruined if it were stopped. It is in order to be able to sell more rams that Judge Lawrence poses as the disinterested champion of the sheep raisers."
