

Who Can Measure

The influence of the mother! It shapes the course of unborn generations—goes sounding through all coming ages and enters the confines of Eternity.

With what care, therefore, should the Expectant Mother be guarded, and how great the effort be to ward off danger and make her life happy.

"Mother's Friend"

Allays Nervousness, relieves the Headache, Cramps and Nausea, and so prepares the system that Child-Birth is made easy and the time of recovery shortened—many say "stronger after than before confinement." It insures safety to life of both mother and child. All who have used "Mother's Friend" say they will never be without it again. No other remedy robs confinement of its pain.

"A customer whose wife used 'Mother's Friend,' says that if she had to go through the ordeal again, and there were but four bottles to be obtained, and the cost was \$100.00 per bottle, he would have them." Geo. LAYTON, Dayton, Ohio.

Sent by Mail, on receipt of price, \$1.00 PER BOTTLE. Book TO "EXPECTANT MOTHERS" mailed free containing valuable information and voluntary testimonials.
