

POINTERS ON

..SCHOOL.. SUPPLIES.

In school supplies we offer such assortment and values as should win the trade of those who buy carefully.

In buying pens, pencils, tablets, slates, ink, crayons, sponges, etc., we exercise as much care as we do in buying drugs.

We believe we can do you good on nearly every article in our School Supply department—either a better quality for the same price, or the standard quality for a less price.

A little saving on little things is a saving worth saving.

SCHOOL BOOKS—We expect to furnish your books as well as other supplies.

DR. A. G. NOID,

Canton, S. D.

My Dear Doctor—It gives me great pleasure to inform the public that I have used some of your Dandruff Cure. That after using nearly all of the different kinds on the market it was the only thing I could find that would do the business.

My head has been cleaned of all dandruff and the eczema cured. It leaves the hair soft and pliable.

Anyone using it will never have cause to regret it.

Yours Very Truly,
CHAS. E. JUDD.

DR. A. G. NOID:

I have used your Antiseptic Dandruff Cure and it has completely cured me of dandruff and stopped my hair from falling out. It was falling out quite badly. I have also used it on my three year old girl for eczema on head and back. She had been troubled two years, and your dandruff and eczema cure has completely cured the child in four weeks. It stopped the itching in one application. I can cheerfully recommend it to any one that is troubled with dandruff or eczema.
