—Money on Lincoln County Land at 54 per cent per annum. Gray's Information Bureau. Canton, S. D.

Hon. John Holman of Yankton, author of the caucus law, and one of the opponents of the primary law, after contemplating the result of obedience to the demands of the machine, turns with righteous indignation upon the men who induced him to oppose the demands of the people, and declares to the editor of the Viborg Enterprise that he "is doing everything in his power to destroy the dictatorship of the big political boss of the state—Senator A. B. Kittredge." It is a glorious evidence of coming victory to see such leaders as John Holman desert the old rotten machine, and there are hundreds of Holmans who have turned to the people's cause since the betrayal of Senator Gamble.

Misses Cora Anderson, Marie Juel, Edith Thompson and Alma Lunder, of the Canton champion basketball team, were Leader visitors last Saturday. The young ladies feel justly proud of their continued victories over all comers, and we hope the Sioux Falls young ladies will come down and try their skill. The Rock Valley team was defeated by a score of 51 to 10, and the young ladies composing the team took their defeat gracefully. They were royally entertained by the Canton team and feel that it was pleasant to be defeated by such splendid players. The Canton team is composed of Cora Anderson, Captain, Marie Juel, Edith Thompson, Edna Lee, Anna Lunder, Hazel Harris and Nellie Stone. The Leader is proud of the young ladies because they play a fine game with spirit.

There were twelve new subscribers among the Leaders fifty-seven visitors last Saturday. It was the busiest afternoon the editor has had in many years. Our friends were from several parts of the county, including Highland, Lincoln, Norway, Canton, Dayton, Lynn, LaValley, and Fairview townships. Many called to pay subscription, others to talk politics and others to discuss seed corn, and others to subscribe, and so it went for three straight hours, and among the big crowd of men coming and going there were no less than nine ladies who called during the rush. It was a busy time for the editor, but the editor enjoys such busy afternoons. In just one hour six new subscribers were taken as follows: Frank Norton, Gilbert Thompson, P. Paulson, Ulrik Ulrikson, E. H. Tripp, E. E. Carter and the others came in during the forenoon, making over thirty five new subscribers for the week. That's the way the Leader has been growing for the past two months, and a great many prominent republicans from over the state are joining the Leader family. The Leader expects to reach the 1500 mark before February rolls in into March. How the people do love a paper that is not afraid to tell the truth.
