Miss Maude Bogert of Hudson was a guest of Miss Alice Hannah over Sunday.

The old saying that "honest goods" brings many customers is true, and that is the reason S. Tossini has such a big trade.

Mrs. S. B. Averill left for Omaha Sunday, where she will be with her sister, Mrs. Brown, during an operation in a hospital in that city.

A man named Charles Wellington, from Iowa, claimed to have been a Sunday School evangelist, but engaged in husking corn for a farmer named Best ten miles north of this city, died from heart disease Friday night.

S. Tossini has many ice cream cans scattered around among his customers. He needs them. Please notify him by phone and he will call and get them. Do this as a favor. 22

The annual Firmen's ball will be held this year on Wednesday night December 11th. Everybody should buy a ticket whether he dances or not and thus aid the boys in keeping up their organizations and help them to meet necessary expenses. Our volunteer firemen is a splendid body of men and always ready to face danger or hardships in protecting public or private property. They count not the cost when duty calls, and it is only fair that our people aid them in every possible manner. Buy a ticket and help them meet expenses incurred while guarding and saving your property.

Claude Coon was called from his class in Augustana College by a flattering offer in the freight department of the Northwestern railroad at Sioux Falls last week. Claude is a splendid young man and his Canton friends hope he will have great success in railroad business and that promotion will come to him in regular order. His brother Francis is assistant bookkeeper in the wholesale house of Jewett Brothers & Jewett at Sioux Falls, and he is also a graduate of Augustana. The Augustana graduates all seem to find lucrative positions as bankers, bookkeepers, preachers, clerks, etc. A graduate from this college carries with him a guarantee of ability, honesty and morality, three essentials that make a foundation for future success a certainty. No institution of learning can give its graduates greater than these.

The first letter in the LEADER mailed Monday morning contained two nice handsome silver certificates, one for two dollars, the other for one, which clearly indicated that our correspondent, Mr. F. J. Aus, of Dayton township, believes in immediate resumption of business on a cash basis, and we congratulate him for his financial wisdom and friendship for the LEADER. Mr. Aus thereby runs his subscription date up into 1909, and helps to keep the LEADER from issuing editorial certificates on the Wall street plan. We hope a large number of our subscribers will follow the patriotic example of Mr. Aus and cease to hoard their wealth. The LEADER treasury is far from being crowded with greenbacks or cashiers' checks, therefore the example of Mr. Aus could be followed with patriotic pride by a great many subscribers which would be fully appreciated by the LEADER. If your greenbacks happen to be in 10s and 20s and 50s, just send along one of Uncle Sam's postoffice notes, and in this connection we may say that one of Uncle Sam's money orders arrived from Katsapell, Montana, Monday morning to pay for a subscription for W. H. Harrison, husband of the late Mrs. Harrison who was the former Mrs. Amanda Naylor of this city. These postal money orders are just as good as gold with us, and we will cash them and drafts.

Playing tennis, lawn tennis, and some ball games at Wood & Benedict's.

—Highest market price paid for good wheat at the Canton mills. 21-2.

Mrs. H. K. Rise came up from Norway Monday to attend the opening number of the Canton lecture course. She never misses one of these popular entertainments.

Mrs. Thomas Thorson and Miss Kit Bullard left for Sioux City Monday, Miss Bullard going home to Council Bluffs and Mrs. Thorson to visit with Mr. and Mrs. Goetz.

—Patronize a home creamery. Your neighbor can't maintain a creamery and high prices alone.

We acknowledge with pleasure the receipt of the first number of the Sioux Falls Posten of which our old Canton friend, Hege Opland is editor and publisher. It is a neat and well printed paper and we wish Brother Opland all kinds of success.

Joe Clopper is back from Parkston and will make Canton his headquarters for the winter, as agent for the South Dakota Grain Co. Joe's old friends on the Canton board of trade will be rejoiced at his return as he was an active and genial member and a good story teller.

Lieutenant Martin E. Tew, a cousin of President T'uve of Augustana College, delivered his famous illustrated lecture on the west at Worthing last week, and those who were present speak in the highest terms of the wonderful and beautiful scenes presented, and of the scholarly and interesting lecture by this brilliant young traveler and soldier. His many friends in Canton will remember him as the gentleman who gave us that splendid illustrated lecture on Norway some time ago. Canton will be pleased to have him come again.

—Tossini's ice cream is delicious and sweet and made from pure cream, \$1.25 per gallon. Private parties or families served promptly. 22

Albert Grane, formerly of Norway township in this county, but now a prosperous young farmer in Hettlinger county, North Dakota, arrived from the north last week for a winter visit with his mother and brother in Norway township. Albert reports lots of prosperity up in that country and came down here loaded with money and called at the LEADER office and helped out our stringency with \$4.50 in silver. Albert reports Bert Thompson, Frank Elredt and Ingalv Alness as happy and prosperous and all wished to be remembered to their Lincoln county friends. Albert will return north early in the spring and we hope our Jammersprairie correspondent will keep the LEADER posted as to his movements during the winter.

We have secured the agency for Orino Laxative Fruit Syrup, the new laxative that makes the liver lively, purifies the breath, cures headache and regulates the digestive organs. Cures chronic constipation. Ask us about it. I. M. Helmey & Co.

—36 pounds good flour at the Canton mills for a bushel of good wheat. 21-2

Knudt S. Kloppen of Highland township, was a visitor and a renewal subscriber last Friday. Knudt and all his family are enthusiastically for the renomination of the President. Mr. Kloppen and sons and his entire family represent a unit in a great family of millions, who in his modest, humble way supports the President in his great battle for human rights. There are millions of farmers who feel and act and talk like Mr. Kloppen, and it is this magnificent body of good citizens who have strengthened and supported the President in his wonderful struggle against corporate greed and financial intrigue, and without this backing the stock gamblers and corporation plunderers would have destroyed his power to save the people from being bound hand and foot to the wheels of industrial slavery. This humble Lincoln county farmer is only one of the millions who stand behind the President, but it is in this combination of honest men that the President finds his greatest support, the power that saves him from political annihilation at the hands of men with world power who stop at nothing to accomplish their ends. Mr. Kloppen is proud of the LEADER for its fearless stand for the renomination of President Roosevelt and the support of Governor Crawford and other genuine friends of the President. He said further "that he was not willing to trust men now who have been against the President in the past. They might be all right but I wouldn't trust them. I want to support men who have been friends of the President when he needed them," and Mr. Kloppen is right, and that's the way Roosevelt republicans feel all over the state.
