

ANNUAL AUGUST BARGAIN FESTIVAL

and ADVANCE SHOWING OF NEW FALL GOODS

Saturday August 15th to Saturday August 29th, 1908

IT HAS always been our policy to never carry our Summer Goods from one season to the next. While as a rule August is a quiet month in most stores, we have always been able to have it one of our busiest, due to the special values we are able to offer during our August Bargain Sale. We are determined that when September comes it will find us with our Summer Goods gone and room on our shelves for the biggest stock of Fall Goods that we have ever shown. We have carefully searched the wholesale houses for extra good values and bargains to offer during this SALE. We have also gone through our stock and picked out the summer goods and will place these on sale at prices that can not fail to make them exceedingly interesting bargains. Special bargains will be offered each day. Also in a number of lines of Fall Goods we have had the best values and most attractive styles obtainable shipped early in order to enable those who wish to do so to make their selections early. These are now on display ready for your inspection.

Summer Wash Goods at Bargain Prices

Half Price and Even Less to Close them out!

We will close out our Summer Wash Goods with but little regard for the actual value of the goods as it is our policy to never carry this class of merchandise from one season to the next.

We still have a nice lot of batistes, lawns, voiles, panamas, organdies, etc. It will pay you to buy these even if you do not make them up until next year.

White Waists Slaughtered—Half Price or Less

We have about five dozen ladies white waists left to close out and they must be closed out no matter what price they bring. It will pay you to buy these waists even if you do not need them until next year when they can be had for so little money.

Handkerchief Specials!

20 dozen ladies fancy handkerchiefs—good size and quality—sale price 4c each.

20 dozen plain white handkerchiefs—just the thing for children school handkerchiefs—sale price 2c each.
