

THE CANTON LEADER

ARTHUR LINN,
Editor and Proprietor

To The People of Canton and Community:

A Camp Meeting is to be held on the assembly grounds in your city from the 28th of July to the 8th of August under the auspices of the Sioux Falls District of the Methodist Episcopal Church. It is expected that this will be one of the greatest religious events in the history of the state and to that end the co-operation and support of all good people is earnestly requested. In the very nature of the case the people of Canton and vicinity will be the greatest beneficiaries of this meeting; their interest, sympathy and support more than any other factor will determine the success of the meeting. While it is hoped and planned to make it district-wide in scope and influence, because it is in your midst and you will reap the largest results and in common fairness would demand that you give the largest support to the enterprise.

We are very fortunate in the leader we have secured for this meeting, Dr. Henry Ostrom is one of the largest factors in the evangelistic world today. Broad, brotherly and brainy, he is a master in the pulpit. Consecrated and Spirit-filled, he is a mighty power in winning souls for Christ. He is highly recommended by the leading Christian workers of the day, Bishop Bashford of the Methodist church and Dr. Charles Sheldon of the Congregational church and author of "In His Step," and other leading men of all denominations declare Dr. Ostrom to be one of the very best evangelists in the country. It will be a rare privilege to sit under the teaching and preaching of such a man. There will be nothing sectarian about his work in this meeting and all representatives of evangelical Christianity will be able to take part with equal pleasure and profit. It is planned to make Friday, August 6th, an Interdenominational Day and the leaders of the other churches as well as Methodists will be invited in to give addresses and participate in the conferences and discussions of the

Henry Ostrom

day. Dr. Ostrom will be accompanied by Mr. John P. Hillis, who is undoubtedly one of the very best "Masters of Song" in the land today. The singing alone will repay everyone for time and effort in attending the meetings. This will furnish unequalled opportunity to all the people of this community to enjoy an intellectual and social, musical and spiritual feast, and if the good people are awake to their opportunity it means the establishment of a permanent institution in your midst that will do more for the moral uplift of the community than can be estimated or expressed in human language. If the Canton people do not stand by it it means that the enterprise is doomed to failure. But I do not look for failure on the part of Canton people. I know them as well perhaps as anyone else, they have manifested that loyal, enterprising, benevolent spirit in the past which inspires me to believe that I can count on them to the last one to support this worthy enterprise.

The Milwaukee railroad has granted excursion rates of one and one-half fare for the round trip on the certificate plan for July 27, 29, 30 and August 2 and 3, good to return up to the 10th of August, provided 60 tickets are sold. Then on August 7 and 7 open excursion of one and one-half fare for round trip. Canton people are urged to extend this announcement among your friends outside of the city so that they may avail themselves of the special opportunity and swell the numbers that we may be sure to have the required number to get the special rates.

Those who have rooms that can be rented at reasonable rates, and rates on this occasion must not be increased above the ordinary if outsiders are going to come, are requested to refer the same to Rev. W. A. Cave, pastor of the Methodist church, and every one is invited and urged to show visitors all kindness and hospitality that their attendance upon the Camp Meeting may be made so pleasant and profitable that they will want another year bringing their friends with them.

I have gone my utmost to make it a great success and shall appreciate the co-operation of all friends of the Christian cause. Faithfully yours,
A. C. SANDERSON,
Dist. Supt. M. E. Church.

Overseth-Hegnes Wedding.

One of the most charming matrimonial events of the mid-summer season took place at the home of Mr. and Mrs. John Hegnes, down in Norway township on the afternoon of July the fifteenth. The wedding united two of the most prominent young people in the county, and both were born in Norway township, and represent two of the most prominent families in that section.

The ceremony that united Mr. James Overseth to Miss Alma Hegnes took place at 4 o'clock at the home of the beautiful bride, and the nuptial knot was tied by Rev. S. J. Nummedal of the Lutheran church. The Lutheran marriage ceremony is impressive and beautiful and on this occasion it was witnessed by nearly fifty relatives of the groom and bride, and many close friends.

The bride looked charming in a white messaline silk, empire style, and carried cream roses, while the tall, handsome groom was attractive in the usual wedding dress. Miss Milda Hegnes was the maid of honor, Miss Agnes Moe of Hudson, bridesmaid and Henry Overseth, groomsmen. Miss Hazel Hegnes of Baltic, daughter of Mr. and Mrs. Claus Hegnes, was the sweet little flower girl, and the bridal music was furnished by Miss Helmina Hegnes, sister of the bride.

A grand wedding dinner was served at 6 o'clock.

The wedding presents were numerous and valuable, expressing beyond measure the love and esteem of their many friends.

The Hegnes family numbers 15 and all were present to witness this happy event.

The groom is a prominent young farmer in Norway township, and with his brother, Henry, manage the old homestead. The bride is one of the beautiful daughters of Mr. and Mrs. John Hegnes, Norway township pioneers, and has a host of friends who extend congratulations, and with the LEADER wishes Mr. Overseth and his bride all the good things in life.

Death of Arthur Anderson.

The death of Arthur Anderson terminated a short life full of suffering and sorrow. The boy was nine years six months and one day old when called home, and for one of that age had suffered greatly from consumption of the entire body. The little sufferer was tenderly cared for by a loving and devoted mother, the husband and father, died a few years ago while an alderman of this city. Everything that medical skill could do for the boy was done, and the mother watched over and cared for him with a devotion that was beautiful. He died last Friday morning and was buried Saturday under the direction of undertaker Campbell. The funeral service was conducted by Rev. Teltle and interment was in the Lutheran cemetery.

CARD OF THANKS.
The undersigned desires to thank the many neighbors and friends for kindly assistance during the last illness and at the funeral of my son, and especially do I thank those kind friends for the beautiful flowers.
Mrs. P. J. ANDERSON.

Canton's New Band.

Canton has a new band composed of young musicians, all residents of the city. This new organization is under the leadership of Prof. Peter Anderson, cornet, and the other members are, Edward Nelson, cornet; Mozart Skartvedt, cornet; Ben Kennedy, cornet; Mr. Fjeld, cornet; Edgar Hervig, clarinet; Arnum Isakson, clarinet; Aunskart Skartvedt, clarinet; Mr. Johnson, Saxophone; Stener Chraft, alto; Henry Feldman, alto; Nels Moe tenor; Joseph Nordseth, baritone; Frank Bankson, tuba; Peter Thompson, snare drum; Alvin Isakson, bass drum; Otis Knutson, piccolo.

The boys made their first public appearance on Tuesday evening of last week, playing at several points along 5th street, and were accorded a hearty welcome, and everybody was delighted and surprised at the proficiency of the young bandsters. They played several pieces with marked ability and were loudly applauded.

The LEADER hopes the boys will stick to their work and Col. McDermott gives them the hotel basement to practice in. Our citizens should encourage them in every way possible and thus help to secure a good band for a town noted for its love of music.

THE CARNIVAL.

The Cash & Hines Carnival Co. is making good as a first-class amusement aggregation. The Ferris wheel is attractive for old and young, and the Merry-go-round is an up-to-date whirler, with a "tub" that gives all who sit inside the finest four-time whirl on earth. The girls who take the "tub" ride are chiefly engaged in holding onto their hair and keeping their feet down. It's a new feature and a good one for the ambitious youth. The sideshow attractions are fine and one must go around to enjoy the combination.

Notice to Catholics.

Mass will be celebrated in Canton on Sunday, July 25, at 10 a. m.

Canton Girl Married in Spokane.

We find the following report of a wedding in Canton, as the bride was born in this city and went to Spokane with her parents about 8 years ago. The father of the bride was a pioneer photographer in Canton and will be remembered by all the old timers. We find the following report of the wedding in the Spokane Evening Chronicle of July 13.

A quiet home wedding was solemnized last night at the residence of the bride's mother, Mrs. Carrie Hilstad, when Miss May Hilstad became the wife of Charles P. Brant. On account of the illness of the bride's mother, only about 25 relatives were present at the ceremony, which was performed by Rev. H. E. Mills. The bride was gowned in pink silk and carried a bouquet of white roses. Her sister, Miss Inga Hilstad, was bridesmaid, and her brother, Oliver Hilstad, acted as best man.

"The bride is a charming and accomplished young lady and has resided in Spokane for about eight years, coming here from the east with her mother.

"After a trip to Seattle and a visit to coast resorts, Mr. and Mrs. Brant will reside in this city."
THE LEADER in behalf of the many old friends of the Hilstad family in Canton and Lincoln county, extends hearty congratulations to Mr. Brant and his beautiful bride.
