This splendid regiment lost twice as many men at Cold Harbor in fifteen minutes as the Spartans lost at Thermopylae. Over ten thousand men went down in the 30 minutes that Grant's veterans assailed the rebel stronghold. Time Should be Watched
and of all the sentinels that have ever been devised for this business the Hamilton watches are the best. They control every second of time, yet do not monopolize it. The record which they keep is absolutely accurate. If you carry one of our watches you need not guess. You will know and have the satisfaction of knowing that you know.

Death of E. B. Peterson.

The announcement of the death of this well known pioneer was received with general regret, few being aware that he was dangerously sick.

He moved from his farm in Dayton township to Canton about a year ago, as farm work was too strenuous for his weakened constitution rendered so by old age and sickness. He was around town every day until about ten days before the end came which was hastened by a severe cold. He passed away like a child going to sleep in the presence of a devoted wife and most of his family, two daughter's Mrs. Lysnes, being in Kansas and Emma at St. Jo, Missouri, and his son George in North Dakota, but all were present at the funeral.

E. B. Peterson was a square, honorable man, admired and respected by a large circle of friends, among them old friends and neighbors since 1871, when he located in Dayton township this county. He was a quiet unassuming gentleman and had a kind word and a cheerful greeting for all and was a warm personal friend of the writer for many years.

He was born in Sweden September 26th, 1829, and his 80th birthday would have been celebrated on the 26 of this month, but it was not to be.

He was a member of the Lutheran church and lived the life of one who had faith in the future through the promise of Christ.

The funeral service was held at the family home in this city Monday at 3 o'clock and words of comfort were spoken by Rev. Tuttle and Prof. Nordgaard, the latter speaking in English.

The casket was covered with floral emblems by loving friends of the dead pioneer and a great number were present during the funeral service to show their respect for his memory. Interment was in the Lutheran cemetery under the direction of Undertaker Joseph Anderson.

The grand old pioneer has gone to his reward, leaving a devoted wife, two sons and six daughters to mourn his departure.

The family consists of Mrs. Olaf Lysnes of Kansas, Misses Hilda, Olive Edwina, Emma and Clara, and sons George and Omar. Rev. and Mrs. Lysnes and Emma arrived Friday evening and George got here Monday from North Dakota, and with many friends and old neighbors the LEADER joins in extending sincere sympathy to the bereaved family in their hour of sorrow.

A Surprise Party.

Last Sunday C. B. Strand and wife were invited over to Geo. Thinglum's for dinner and were somewhat detained in getting ready and this delay revealed a neat plot to get Chris and his wife away from home. About the time they were ready to go they discovered a hundred or more ladies and gentlemen coming towards the house and Chris got nervous but his wife thought they were all going over to Mr. Thinglum's for dinner and met the crowd with a kindly greeting.

This part of the program was not down on the bills and the surprisers were surprised to find Chris and wife at home.

The surprisers took possession of the Strand home and began to arrange for dinner, and those who were there say it was the finest dinner ever prepared in Grand Valley. After dinner Mrs. Strand was presented a silver cake basket and Sander Brynjulson, was the after dinner orator for the occasion.

Mrs. Strand has recently returned from a three months visit in old Norway and the surprise was arranged in her honor. See Grand Valley correspondence for details of the event.
