certainly will be, he will be found supporting every interest of the people as against the trust policy of what Cannonism stands for.

Hurrah for Thorson.

Correspondence. Lincoln Center. March 28, 1910.

Some Lincoln Center boys attended the sale some miles southeast of Leeville. Guess everything went along smoothly as the boys were looking happy.

Will Ostrander was burning off the oat field that is to be, last Tuesday. Guess it is to be a draw between oats and cackles with a slight advantage for the burs.

Bert Ostrander is in luck. He has some fine oat straw, one advantage of thrashing in the spring at least, and he is able to help his neighbors out who thrashed last fall and are now out of straw.

Wm. Engle got ambitious Tuesday and had seed sowing. We can all begin slow and will make no mistake by following his example.

Will Stengel was shelling his corn Wednesday. Charley Hall was doing the shelling. Will had sold the corn to Gilbert Burnie so he delivered it direct from the sheller, thereby saving much work and hauling.

Ralph Millage was after the long green (not the long greenback) but a light wagon Friday. He was contemplating a trip to Sioux Falls Saturday by bus and corn.

Chas. Collings was at Beloit the latter part of the week purchasing seed corn from Sam Thorson.

We are glad to announce that John Stengel has nearly recovered from his sickness. We missed John when he was confined to his bed.

Mr. and Mrs. Harm Hyronimus were called to the bedside of Harm's brother-in-law, Jere Gasnoe, on Tuesday. He is very low being afflicted with heart failure and there is slight hope of his recovery.

What has Fred Stengel been doing the last few days? Ask him. I have heard the familiar sound of bump bang! Guess he is still plucking corn.

Mrs. Ostrander and son Bert went over to Hurley Saturday to visit an aunt, Mrs. Louisa Chapin, who lives in Nebraska. They came home Sunday evening.

Well, bye bye Rip, don't you wish you had some of my Pepper?

W. L. Noel was a Gate City visitor Monday.

A. J. Tate and wife attended Easter services at the Congregational church at Canton.

Robert Rea was seen fitting a fine new harness to his sorrels at Worthing Monday. There is nothing too good for Mr. Rea either in horse flesh or the straps to drive them with.

Fred James is back from his western trip and is once more migrating between the parental roof and Canton. How is it Fred?

Miss Daniels school reconvened on Monday after a week's vacation.

Art Tate is the first to finish his spring seeding though many others are getting on nicely with theirs.

The weather during this month is as much talked of as Halleys comet, and very likely the comet has some thing to do with it being so warm.

Roy Leffert and lady from north of Canton were calling on friends in this neighborhood recently. Wonder if there were any brown eyes behind the buggy seat?

Clay Johnston has sold his old homestead and valuable home over on Saddle Creek. To say Mr. Johnston and family will be missed from this community does not express the feeling their neighbors have to think they will lose such a valuable family.

Loyde Hicks is now the possessor of a fine new buggy and was seen out riding Sunday with a nice looking young lady, and if our best girl had the same opinion as Mr. Hick's best girl has or ought to have, why somebody would have Loyde for dinner quite often.

Mrs. Manning thinks she had the worst lot of "measly boys" in the neighborhood last week, as she had three in bed sick with measles at one time but they are all better at this writing.

Mr. Noverka from Hawarden, father of Mrs. John Warner, visited his daughter several days last week.

Thanks Rip for informing us where Artie is in the habit of visiting in your locality. Now would you please tell us what the attraction is? Does Mr. Nelson have some attractive daughters or is there good fishing out there? Artie's mother is a driver that far for a good Sunday dinner.

Now for the Baby

As usual we are showing the justly famous "HEYWOOD-WAKEFIELD" line of Go-Carts. They're the standard by which all manufacturers try to come up to, but none of them equal.

The cart shown here is a strictly one motion Collapsible Cart, produced to meet the demand of those who want a thoroughly dependable cart at a medium price.

To fold this cart place one hand on the handle, the other on the dash, give the cart a gentle pull, and it will fold easily. WE MAKE MUCH OF THIS POINT, as many of the so-called one motion carts on the market today require the breaking of the two rear jack braces before the cart can be folded. SUCH CARTS ARE NOT ONE MOTION CARTS. Any child that is old enough to watch a baby can fold our carts. This Cart complete, with hood \$7.50

Canton having adopted the Commission plan of government, it is now up to the citizens to select a Mayor and Commissioners who will meet every requirement of the new system of government. Select your best available men, for they will have to be good men and decidedly patriotic as well to meet the requirements of progressive city government. The LEADER suggests the selection of Ralph Dean for Mayor and J. W. Brenner for one of the Commissioners. Those who assume the charge of government under the new system will find hearty support from the people.

Associate Justice Brewer of the U. S. Supreme Court died suddenly from heart failure at his home in Washington Monday.

Why Do You Suffer With headache, biliousness, constipation and the ills it entails, when Foley's Orino Laxative will relieve and cure you. It tones up all the digestive organs, carries off the waste matter and stimulates the bowels to their normal activity. It is a splendid spring medicine.

There is no cough medicine so popular as Foley's Honey and Tar. It never fails to cure coughs and colds and is especially recommended for chronic and bronchial coughs.—SHERMAN & ROGIE.
