Warning to Railroad Men.
Look out for severe and even dangerous kidney and bladder trouble resulting from years of railroad work. Geo. E. Bell, 639 Third St., Fort Wayne, Ind., was many years a conductor on the Nickel Plate. He says: "Twenty years of railroad work left my kidneys in terrible condition. There was a continual pain across my back and hips and my kidneys gave me much distress, and the action of my bladder was frequent and most painful. I got a supply of Foley Kidney Pills and the first bottle made a wonderful improvement and four bottles cured me completely. Since being cured I have recommended Foley Kidney Pills to many of my railroad friends. Sold by SHERMAN & ROCHE."
