"The Jolly Good Fellow"

Perhaps you know him? He is one of the good fellows who is everybody's friend. He only gives the worst of it to himself and the girl at home, and he never really realizes the truth patent to everybody but himself.

Many a wife with tear-stained cheeks and aching heart with dread tugging at her heart strings sits alone until the midnight hour ages into morning. She is robbed of happiness while the jolly good fellow full of what the world calls "Good Cheer" is drinking to the health of careless boon companions, and the sorrow of the one who loves him better than the whole gay unthinking crowd with whom he is bankrupting time that really belongs to her.

Many jolly good fellows were numbered among the happy souls who have left the Neal Institute during the time it has been bringing joy into the lives of excessive drinkers. They are thanking their stars today that the Neal Three Day Treatment for the drink habit has enabled them to go back upon the track to good sober fellowship.

The Neal Internal treatment cures the periodical, occasional or moderate drinker, the habitual and the excessive drinker and the nervous man who has to drink to keep from becoming more nervous. It takes away all inclination to drink or desire or craving for drink by neutralizing the poison of alcohol in the system and rids the blood of the poison by a rapid process of elimination, leaving the drinker in the same normal condition he was in before tasting liquor so far as the effects of liquor may be concerned and a new man.

The Neal in fact is the physicians cure for the drink habit. It is the most modern and perfect of known treatments, originated by a physician, compounded by a physician and administered by experienced physicians. It never fails.

There are forty-seven Neal Institutes located in the United States and Canada. One of these Institutes is located at 621 South Summit avenue, Sioux Falls, South Dakota, under the management of an experienced physician. Write or phone for booklet and pamphlets.

I learned of Foley Kidney Pills and their wonderful cures so I began taking them and sure enough I had as good results as any I heard about. My backache left me and to one of my business, expressman, that alone is a great advantage. My kidneys acted free and normal, and that saved me a lot of misery.
