Charles Kundert for Sheriff.

Charles Kundert, one of the most
popular men in the county, and we
believe known by every voter in the
county, announces in this week's
LEADER that he is a candidate for
sheriff. The LEADER knows of no
better man or one more deserving of
the confidence of the people than
Mr. Kundert. He has been in the
restaurant business in this city for
several years and will give up that
business on the first of April. He is
well qualified for the work and has a
host of friends who will be glad to
support him.

First La Grippe, Then Bronchitis

That was the case with Mrs. W. S.
Bailey, McCreary, Ky. "My wife was
taken down with a severe attack of
la grippe, which run into bronchitis.
She coughed as though she had con-
sumption and could not sleep at
night. The first bot. Foley's
Honey and Tar Compound gave her
so much relief that she continued
using it until she was permanently
cured."

Sold by SHERMAN & ROCHE.

A Play With A Romance.

If a woman's devotion to a man in
desperate straits, making a pure love
story of unusual heart interest should
interest playgoers, then Charles
Klein's latest play, "The Third De-
gree," should be heralded as the dra-
matic event of the season. Howard
Jeffries is forced to confess by police
"third degree" methods to a murder
he did not commit. His wife's untir-
ing efforts in his behalf saves his life,
and incidentally makes a great play
with a strong romantic interest.

kidneys, could not sleep at night, and
could not raise my hands over my
head. But two bottles of Foley Kid-
ney Pills cured me."

Of Interest.

The exposition of the methods used
by many financial kings of America
in their nefarious trade of shaping
legislation by means of their power
over weak and unfaithful public ser-
vants to gain their ends is tersely told
in Chas. Klein's great play, "The
Lion and the Mouse".

Henry Hvattum will move to Can-
ton after his big auction on the 26th.
Henry owns a 480 acre farm two and
a half miles east of town and he finds
that its management gives him no
time to enjoy a day off once in a while.
He has rented his three quarter sec-
tion farms and will come to town to
enjoy a much needed rest.

A Warning Against Wet Feet.

Wet and chilled feet usually affect
the mucous membrane of the nose,
throat and lungs, and la grippe, bron-
chitis or pneumonia may result.
Watch carefully, particularly the
children, and for the racking stub-
born coughs give Foley's Honey and
Tar Compound. It soothes the in-
flamed membranes, and heals the
cough quickly. Take no substitute.
