There were games, races and base ball games by the girls as well as the boys after which all were ready for the big picnic dinner and supper, returning home in the evening well pleased with the day spent.

The Canton "Red Tops" had the pleasure of shutting out Inwood's fast base-ball team at Fairview last Friday 2 to 0. Fast fielding behind Juel of Canton made the game a tight all the way. Wenig of Inwood pitched a splendid game, allowing two hits and hitting two men. Juel of Canton played his usual strong game allowing 2 hits and striking out 10.

Hon. O. S. Gifford of this city had the distinction and the high honor to be chosen department commander of the G. A. R. for the state of South Dakota, at the annual meeting in Mitchell last week. For some time it has been known that Canton was in the "horse-shoe belt," and the horse-shoe enthusiasts have been numbered by the dozens. For some time H. E. Thayer had a ringer on them all and was conceded to be the best horse-shoe pitcher in this vicinity, until last week John Feldman, who by no means is an amateur, challenged Mr. Thayer for a series of a hundred games. These games have been played off day after day until at the close of the series Mr. Feldman is winner by the narrow margin of two games, thus he must be acknowledged horse-shoe champion of Canton district.

Attorney A. B. Carlson has placed his name high and dry on the tip top pinnacle of fame. Dan Bragstad who was the original dust burner around these parts met defeat at the Fairview celebration when he began "kick in" A. B. Carlson's dog around or in other words his Ford car. Mr. Carlson in his quiet like way challenged Dan to mortal combat, 3 mile race by autos to a finish. Dan smiled real slow like and started for the track closely followed by A. B. the law shark. The race was soon on and it didn't take long to figure out the winner. Mr. Carlson's wiskers were parted in the middle like "Teddy's" teeth and his grunt wagon was fairly flying around the turns, sometimes on two wheels sometimes on one but never more than three at a time. It was but a few moments of this death defying driving before the race was over and Dan was a defeated man but he took his defeat gracefully and invited A. B. to partake of Sioux water and a Hamburg lunch. It was afterwards discovered that Dan carried too much ballast in the shape of Carl Anderson.
