**"GIBSON FAMILY REUNION."**

Home Talent Musical Comedy Opera House April 18 and 19

It no doubt will be with a pleased countenance that the audience will leave the Opera House April 18 and 19, after witnessing the performance of the "Family Reunion" put on by the Book Entertainment Co., under the auspices of the Eastern Star Circle, for the benefit of buying furniture for the new Masonic Temple.

It is very funny from start to finish. Mrs. Talcott will win the house with her quaint Irish brogue, in the part of Molly Kelly, while Mr. Dwight Slade, as stammering Billy O'Lee is equally as funny, taking his part in his own imitable way. The scenes between the two are exceedingly laughable. Mrs. Burns as Mrs. Sadie Gibson plays her part most creditably depicting the "Women's Right and New Thought Women" to perfection. Mr. Raymond Corson as Job Gibson gives a good delineation of the henpecked husband. Mr. Asa Forrest as old Col. Sedwick is an artist and his laugh is very contagious. Miss Majorie Clark and Miss Margaret McDermott as the Gibson daughters are excellent, while Carl Benz, as the duke, is certainly a "dandy." Miss Edna Lee, as Miss Iteynolds, one of the guests at the reunion, Mr. Royal Rudolph, as cousin Ted, and Ben Kennedy as Hans, the Dutch expressman, all take their parts cleverly. The cast is exceptionally good. The entertainment is greatly enhanced by the choruses, which are all well trained. The children's chorus Jack O'Lantern, with Little Esther Otto as soloist is alone worth the price of admission.

Another chorus which will be heartily applauded is "Circus Day" with Mr. Melvin Juel as soloist. Mr. Juel's rendition of the Indian Song will also be very much appreciated. The Pretty Things You say Dear, Little Miss Up-to-date, and College will all be repeated by a storm applause "My Little Persian Rose" given with electric effects and Miss Alma Olson and Dwight Slade as soloists will be one of the most beautiful effects ever seen in Canton. Little Otto Whitmore and Lucille Beinap will form the center of the rose. Don't fail to see this part, it is great. The Entertainment will be given two nights April 18 and 19 at the Opera House. Prices 25c, 50c, 75c. Seats on sale at The Corner Drug Store.

**City Election Passes Quietly.**

Tuesday was the day for city election and everything passed along quietly with perhaps a little excitement over the election of members of the school board.

Many ladies were out to vote on the school question and voted like California women, for the best.

The commissioner of Police and Fire, for full term of five years, W. A. Kibbey was elected without opposition as every one recognized his ability in this capacity.

For commissioner of Streets and Public Property, B. E. Wright was elected over O. R. Isackson by a majority of 41.

For Director of Board of Education, Canton City School District, W. W. Lehart was elected for a term of five years over O. G. Satrum by a majority of 26.

For Director of Board of Education, Canton City School District, Albert E. Jennings was elected for a term of four years over O. L. Wandt by a majority of 27.

The following is the vote by wards.

	1st	2nd	3rd	4th
Kibbey	112	120	74	30
Lehart	119	120	77	30
Wandt	55	39	31	14

**CORRESPONDENCE**

**Canton Township.**

April 14, 1913.

Mr. Sundvold shipped a carload of fat cattle to Chicago Saturday evening.

Mr. and Mrs. E. C. Schneider and children and Miss Annie Alexander visited at the Homandberg home Sunday evening.

Miss Jennie Lloyd was quite sick last week. Dr. Wendt was out every day for a while.

The Schneider family had quite an exciting drive last Friday. They were going up to A. W. Brown's in Dayton twp. when they got about half way and going through a big snow drift both the single trees broke and that frightened the ponies, so they started dragging Mr. Schneider over the dash board. The horses continued in their mad run for a mile and a half when in some way one jumped across the fence there the neck yoke caught on a post and they stopped. It certainly was a lucky run-away after all as no one was hurt not even the horses.

It looks like the Homandberg boys are going in the live stock business for sure. Last week they bought 29 head of hogs of Mr. E. Husman and this week they bought 12 head of hogs of Mr. Schneider and one cow from John Lura, then they sold one heifer to Mr. Sundvold last week and a fresh cow to Mr. Schneider this week. Who can beat that?

Miss Louisa Husman visited Miss Lloyd last week when she was sick.

**Attention!**

The following letter has been received from the Laboratory of Health, of Vermillion, S. D.:

We have just completed the examination of the two well waters and the specimens of ice taken from your well and your river, and beg to report as follows:

So far as we can judge the water in the wells seems to be of good sanitary quality, and the ice seems to be up to the same standard. While the ice is of good quality, at the same time it is not advisable to put ice in the water as it is not safe for drinking purposes.

It is our opinion that our water is of good standard quality.

Supt. Board of Health  
of Lincoln County.

People of this vicinity are rejoicing over the great amount of moisture left in the ground by the recent rain and heavy snow, and though spring work has had a back set, the outlook for good crops are better at present than for several years back.

Several roads and drive ways were completely blocked by the recent snow.

The Metz cars are becoming popular in Fairview and territory, as well as growing numerous, as people in general have figured out that, times demand speed.

Meinek Marken who has been under the weather, is reported well and about at this writing.

The Normandia Choir met for practice last Sunday evening at August Johnson's where they inaugurated a new President and also adopted a new constitution.

Mela Marken is doing fine since he returned from Sioux City, where he underwent an operation for appendicitis, at the St. Josephs Hospital, performed by Dr. Van Buren Knott. Dr. Knott has now performed eight different operations on five different members of the Marken family all being very successful.

Gilbertson Bros. have engaged the services of Rudy Twardt of Canton, while they are busy with the spring work.

This community is as yet strong progressive, and people are planning for 2 or 4 years hence. Very Respectfully,
