PARKER WINS.

Canton High Goes Down in Defeat at the Hands of the Parker Veterans.

Saturday the Canton high foot ball team played the fast team from Parker and was defeated by a score of 33 to 0.

The game was full of many thrills in spite of the different verdict the score might give and at times the Canton boys showed possibilities as foot ball players. The handling of the ball was alone responsible for the Canton team's defeat. When the ball should be handled with care it was fumbled and thrown about with utter disregard who got it. Every bit of foot ball that the boys ever did know was clear forgotten and any eighth graders could have beaten them by the same score. When a tackle meant a loss for Parker the Canton boys prestidigitated upon playing tag and greatly assisted Parker in rolling up a healthy score. Stark and Pulver alone did all they could to stop Parker and win, but the spirit of these two men could not make up for the quitting spirit showed by the rest of the team. That is the sentiment voiced by all who witnessed the game. Such "yellow streaks" were never before seen in a Canton athletic team.

This week considerable shaking up has been given the team and from now Canton will win and the new placing of the men promises a bright future for the rest of the season and a reverse of the scores with the teams they have met when they play the return games.

"THE SPENDTHRIFT."

"The Spendthrift" under the management of America's youngest and most successful dramatic impresario, C. S. Primrose, is one of the special delightful plays Manager O. L. Campbell has secured for the Kennedy Opera House on Monday, Oct. 20th. "The Spendthrift" ranks high among the most interesting of American and London successes not only from a standpoint of extreme cleanliness in atmospheric conditions but also because of its intensely pleasing incidents and natural situations upon which this delightful play is founded. This is the second western tour of Miss Marion Sherwood under the management of Mr. Primrose. Last year Miss Sherwood's delightful work was responsible for the success of "The Thief" under the same management and her clever interpretation of the difficult role is still remembered by the best patrons of the theatre as one of the most highly interesting and enjoyable occasions of the season. The beautiful gowns to be worn by Miss Sherwood in "The Spendthrift" come direct from Paris where the actress and her mother spent the summer. Supported by a picked cast of English and American players, the coming of Miss Sherwood with her excellent company forecasts an event of which the knowing theatre public will take advantage by securing early and choice seat locations.

Mrs. Thomas Thorson's Mother Dies At Dodge Center, Minn.

Saturday forenoon a sad message was received in Canton, that Mrs. Thorson's mother (Mrs. T. J. Hunt) had died the night before. Mr. Thorson left Saturday evening for Dodge Center, Minn., to be with and comfort his wife in her deepest sorrow. Several years ago Mrs. Hunt suffered a stroke of paralysis at Omaha, Neb., when with her husband she was enroute south to spend the winter. From this she never fully recovered and has required constant, careful nursing all the time. Medical aid was of no avail, it was only loving tender care that has kept her alive so long. The end came at her home in Dodge Center, Minn. She slept away gently drifted as it were from here to the hereafter. Went to sleep in a world of suffering to awaken in the glad tomorrow. She leaves a husband, two daughters, Mrs. Miller of California and Mrs. Thorson, and one son, Hamlin Hunt of Minneapolis. The funeral was Sunday afternoon at 2 o'clock. Mrs. Thorson has spent the larger part of this year at the bedside of her mother, leaving only when her own health demanded a change to prevent a complete breakdown. Her father is feeble so she has had double duty to perform much of the time. She has proved steadfast to the end, and the arm of an always loving Father has sustained her and given her strength. The sympathy of all are hers in this sad hour.

Obituary.

Emil Hanson, son of Mr. and Mrs. Andrew Hanson, was born in Grand Valley, January 2nd, 1880. He grew to manhood on the place where he was born. He was baptised and confirmed in the Lutheran faith and was an active worker in church and Sunday School circles at the time of his demise. In 1907 he went to Bowdon, North Dakota, where he resided for about two years, after which he engaged in the hardware business in Coal Springs, South Dakota, where he resided until his recent illness. He was taken to the hospital at Lemmon for medical assistance and everything possible was done to ston the severe hemorrhages, caused by the typhoid fever, but in vain and he gradually grew weaker until about 8 o'clock, Thursday, Oct. 9th, his spirit fled to the one who gave it. Emil was everybody's friend and was seldom seen without a smile. Blessed be his memory. He leaves to mourn his loss, his aged father, Andrew Hanson of Canton, one sister, Carrie A. of Canton, and three brothers, Hans of Meekling, S. D., Charles of Coal Springs, S. D., and Marvin of Canton.

CARD OF THANKS.

We desire to thank our friends and neighbors for their help and kindness during our recent bereavement and for the beautiful floral offerings.

MR. AND MRS. HANS HANSON,
MR. AND MRS. CHAS. HANSON,
CARRIE A. HANSON,
MARVIN HANSON.

B. S. Summerwill acted as referee for the foot ball game last Saturday and filled the position well. Both sides being well pleased with his fair and impartial way of handling the game. Ben himself is an old foot ball star, at one time playing with the famous Lambert Brothers of Ames.

ALL SAVE LABOR IN KITCHEN

Little Helps That Will Leave the Housewife Less Tired When Day's Work is Ended.

A shelf back of the kitchen table on which to place cups, spoons and small vessels that are used frequently, the wash basin, within reach of the roller towel, a drinking cup near the water pail, all save needless exertion and time that may be utilized for something else or rest.

The very best stove holder can be made of an old stocking by cutting off the foot at the ankle and folding it into the leg, fastening it well as it is folded over and over until it is the square shape of the common ironing board. A brass ring in one corner is a great convenience for hanging and such a holder can be laundered.

In the sewing room, patterns should have their place of quick and easy access and if each one is marked it will often prove a blessing. A bag fastened on the lower part of the sewing machine for scraps will likewise be a comfort, and sharp scissors and a work table are absolute necessities.

OLD BREAKFAST TABLE DISH

Spanish Omelet, When Properly Made, Deserves All the Popularity It Has Attained.

Cut four ounces of bacon in very thin slices and then into one-half inch squares. Fry gently until crisp, then add one small onion, a medium sized tomato and five mushrooms, all chopped rather fine. Rub a freshly cut clove of garlic upon the spoon for stirring while cooking 15 minutes. Meanwhile break six eggs into a bowl, season with a saltspoonful of salt, one-fourth saltspoonful of white pepper, one-half teaspoonful of onion salt and turn into a perfectly smooth frying pan, in which a teaspoonful of butter has been melted, and well spread. Do not stir, but shake constantly until the omelet is nearly set. Spread the bacon and vegetables quickly over the omelet, fold over and set it in the oven for about one minute. Then slip it upon a hot platter and serve at once.

Warm Slaw.

Select a nice solid head of winter cabbage and cut it up very fine. Put into a hot frying pan a piece of butter, the size of a walnut, and when melted put in the cabbage with a very little water; let it simmer till well done. Then beat up one egg very light and stir in slowly; lastly, add one-half cup of sour cream; salt and pepper to suit the taste. Another method for "hot slaw" is to simply make a boiled dressing of two egg yolks, two tablespoonfuls of sugar, two tablespoonfuls of sour cream, one cup of vinegar, and a rounded teaspoonful of butter, and pour this over the finely-cut cabbage.

Black Bean Soup.

Soak two cupfuls of black beans overnight. In the morning put on to boil in two quarts of cold water with a small onion and a cupful of tomato meat. Simmer about five hours or until the beans are soft. Add hot water as it boils away. Drain and rub through a sieve; add a tablespoonful of flour and two of butter, rubbed smooth. Add some of the soup to it gradually until it is dissolved. Season with one full teaspoonful of pepper, two dashes of cayenne and a saltspoon of mustard. Cut a lemon in halves and put into a tureen with two hard-boiled eggs cut in thin slices.

When to Buy Shoes.

To get comfortable fitting shoes, buy them late in the afternoon, when the exercise of the day has spread the muscles of the feet to their largest extent.

Rice and Peaches.

Boil one cup of carefully washed rice in a quart of salted milk which was heated before the rice was added. Cook until the rice is tender and the liquid is well absorbed (more milk may be needed). Now add four tablespoonfuls of butter, a quarter of a cup of sugar and mix thoroughly. Place in buttered mold and place in a hot oven for ten minutes. Turn out on a platter, cover with perfect halves of preserved peaches and pour peach syrup over all.

Rice With Cream.

Wash well in cold water three ounces rice; drain well, then place in a saucepan with two gills cold water, three gills cold milk, a good saltspoon salt, one-half saltspoonful of grated nutmeg and two level tablespoonfuls fine sugar. Place on fire and boil thirty-five minutes, mixing once in a while with a wooden spoon to prevent burning at the bottom. Pour into a hot dish and serve with cream, and fine sugar separately.

Graham Puffs.

Two cupfuls of graham flour, one tablespoonful of melted butter, two eggs, one pint of milk, one-half teaspoonful of salt, one teaspoonful of baking powder. Add the butter and salt to the milk and drop in the eggs without beating. Beat into this the prepared flour, making a smooth paste as stiff as for griddle cakes. Drop into hot and well greased gem pans and bake at once in a hot oven.

To Clean Satin Shoe.

Take a piece of flannel and dip it into spirits of wine, rub the satin the way of the nap, turn the flannel as it gets soiled. Any light color may be cleaned this way. White satin shoes should always be kept in blue paper, or the satin gets discolored.

Poulette Sauce.

Poulette sauce is a broth thickened with flour and one egg yolk and seasoned and strained.

TWO DESSERTS THAT PLEASE

Raspberry Charlotte One of the Most Delicious—Baptist Cakes Worth Giving a Trial.

Raspberry Charlotte—Butter a quart pudding dish, sprinkle in a layer of coarse bread crumbs (use the crumbs free from crust), put butter in little bits here and there, a layer of canned raspberries and a sprinkling of sugar. Continue in this way until dish is filled, using about equal measures of fruit and crumbs, one tablespoonful of butter and three-fourths cup sugar. Have the last layer crumbs. Cover and bake half an hour, then remove cover to brown top. Serve hot with cream. Cheap and delicious.

Baptist Cakes—Place in a granite basin two cupfuls milk, one-fourth teaspoonful salt, one-half teaspoon sugar, one rounding teaspoon butter; simmer only until butter is melted, remove from fire and when of blood heat stir in half a yeast cake dissolved in one-fourth cup luke warm water and sufficient sifted flour to form a dough; cover and set in a warm place to rise. Knead thoroughly, breaking off into tiny pieces of walnut size; again let rise and fry in deep fat until crisp and brown. Either chopped nuts or raisins may be added if a richer breakfast bread is desired. Serve very hot in a folded napkin. This quantity makes enough for two meals and may be reheated in the oven.

An Austrian student when informed of his failure in examinations shot dead the professor informing him of the fact. The nervous susceptibility of the student mind sometimes carries it too far.

In the olden times a beach party consisted of a beach, a big lunch and several persons. Nowadays a beach party consists of a man, a girl and a secluded spot.

High School Faculty Have Picnic.

The season for picnics is not yet gone. Tuesday afternoon leaving books and cares behind, the pedagogues tripped gaily down through the camp grounds to the banks of the Sioux. Only one incident occurred to mar the complete enjoyment of the occasion. Professor Graham had the misfortune to lose two buttons from his vest in trying to squeeze through a narrow gateway. "More work for the Domestic Science Department," he exclaimed ruefully.

Fuel was soon gathered for a camp fire. There were those who knew how to set the table and those who could make the coffee boil, but all seemed to know how to roast the steaks. And if you ever went on a picnic late in the afternoon you will understand what appreciative appetites those teachers displayed.

Supper was followed by a trip across the river and another bonfire in Iowa. The stories that were told there, would have done justice to any Halloween party. Someone may have been practicing. The picnic was a decided success, thanks be to those who were the hostesses.

Foot Ball Notes.

The boys all reported Monday night for practice in first class shape and but few even report a bruise.

Royal Rudolph is improving in his tackling.

Young Rowe has already won the hearts of the foot ball fans by his clever all around work.

Ray Pulver is proving his ability to play halfback by his strong off tackle bucks and running interference.

A "dummy" is being used for tackling with great benefit.

Fourteen boys of the high school team will have sweaters for their hard work in school and on the field.

Eddie Engen has improved so much in the last week that he has taken Corson's place and proved himself just the best "find" on the team for the position as left half. He is a strong, "heady" player and has very little thought of his own powers but plays as he should, for the school and the team.

Royal Rudolph, the new captain of the team, is the right man in the right place. His cool head and fighting spirit assures the team of a leader that can lead them to win.

For an all around player and kicker Melvin Hanson hasn't an equal in the state for his weight. His quiet, unassuming airs makes him all the more dangerous to the opposing team.

\$10,000.00 FIRE IN CANTON

Monday Morning Blaze Put Two Firms Out of Business For the Time Being

Early Monday morning blaze burns out the firms of Andrew Toblason, Clothing and Gent's Furnishing Goods; Anderson & Skorhelm Fruit and Ice Cream Parlors and Kandy Kitchens; Drs. Gulbrandsen and Tonseth offices and Redfield and Gifford Land and Loan offices. The building is owned by M. L. Syverud and Mrs. John Isackson. All were well insured with the exception of Dr. Tonseth whose insurance expired Sunday noon.

At 5 o'clock Monday morning night watch Brenner discovered a fire in the rear of Anderson & Skorhelm's Kandy Kitchen and turned in an alarm. The fire had gained such headway that the whole block was threatened as well as the Kennedy Opera House and Linn and Kennedy Blocks. The fire alarm whistle was out of commission so the whistle that was sounded was mistaken by many for an engine whistle. The telephone operator aroused many firemen. The flames made rapid headway and were shooting high, throwing sparks on adjoining buildings when the crowd arrived on the scene. The firemen did heroic work and by 6 o'clock had the fire under control. Canton should be very proud of her volunteer fire department as their work on this occasion was such as to be classed with veteran fire fighters for the clear headed handling of such a bad fire.

Mr. Toblason had just unpacked his stock of fall and winter goods and his store was full. Smoke and water damaged more than fire. The Kandy Kitchen is in ruins and the beautiful electric piano, among other things, badly damaged. The offices upstairs suffered less loss, but enough. The buildings will be repaired and business re-opened as soon as possible.

Henry Hvattum

Henry Hvattum, Republican candidate for County Treasurer, is too well known and has too many friends in Lincoln County to need further endorsement than that of being a candidate, for no man goes before the people without first being sure he has friends. Mr. Hvattum has many who endorse his honesty, generosity and fitness for the office he seeks and predict he is on an easy road to victory.

Peter A. Anderson.

Peter A. Anderson, Republican candidate for Register of Deeds needs no introduction to the voters of Lincoln County. He has lived here over 30 years. He is familiar with office work having had about 20 years experience as clerk and office man in the leading business places of the city of Canton. He is well qualified for the position and justly ambitious to become a County official. If he succeeds at the primaries he will serve the people faithfully. He is a cousin to Ex-State Treasurer Geo. Johnson.
