**Shop in the Leader before you shop in the store**

You may be thinking of buying a coat, a cloak, a hat, a cap, a suit, or an overcoat; carpet or rug, stove or coal, dish or pan. If so, before you go down town, read the advertisements in the LEADER and see what the stores have to say. They are continually talking to you about these very things. It's your fault if you don't profit by their offers.

Rev. Thurston stood before his congregation at the Methodist church last Sunday morning for the first time. We were not able to present but from all reports "he measured up good". The sympathy of all goes out to Richard Trimmer and family for the loss of their son and brother and to Mr. Johnson the unwilling cause of the accident, and to all who witnessed the sad affair which they will never forget. **Book Shower for Canton Library**

At a meeting of the library trustees it was decided to have a "book shower" in the new library building. There have been so many liberal donations of books and the spirit of giving seems so general that it was decided to give the public an opportunity to assist in placing the first books upon the shelves.

It is requested that all donors place their names upon slips of paper in the books that they may be properly accredited in the "accession" book as a permanent record in the library, and the librarian will also paste in each book a slip containing the donor's name.

The reception will be in charge of the following: Ways and Means Committee:

- 1st Ward, Mrs. Edgar Dean.
- Mrs. Averill
- 2nd Ward, Mrs. Seely
- Mrs. Stephenson.
- 3rd Ward, Mrs. Satrum
- Mrs. Eneboe
- 4th Ward, Mrs. Redfield
- Miss Carrie Hanson

The reception will be held Friday evening October 24 from 8 to 10 o'clock in the new library building and a most cordial invitation is extended to the public at large.

Committees of representative citizens will give you most cordial welcome, boys from the high school will take in charge your books and after satisfying yourself that Canton has the finest library building in the state for the money invested you are requested to visit the club and lecture rooms in the basement where fried cakes and coffee will be served.

As soon as possible after the book shower it is designed that the order for new books, magazines and papers shall be placed, furniture put in position, books cataloged and prepared for the shelves and when everything is in readiness the formal opening of the library will be held in the Lutheran church when the speakers from different parts of the state and our own city, will devote an evening to libraries and library interests.

**Canton Lutheran Church Circuit Hold Annual Meeting Here This Week.**

The annual meeting of the Canton Lutheran Church Circuit was held in Canton this week starting Tuesday and ending Thursday night.

Rev. A. O. Berge of Inwood was elected President; Rev. P. H. Tetlie of Canton Vice President; Rev. Moen of Flandreau Secretary and John H. Chraft of Canton Treasurer.

Rev. Bergsaker of Dell Rapids gave an interesting talk on a Lutheran Hospital at Sioux Falls.

The topic: I Peter, 1-3 to 9 was discussed and many interesting interpretations were brought out by the visiting pastors.

The visiting ministers made a host of new friends as well as gladdened the hearts of old and Canton always extends a glad hand to them should they ever see fit to visit our city again.

**Real Heroism.**

To live well in the quiet routine of life, to fill a little space because God will it; to go on cheerfully with a petty round of little duties, little avocations; to smile for the joys of others when the heart is aching—who does this, his works will follow him.
