

A. B. CARLSON

Republican Candidate for

States Attorney

Lincoln County, South Dakota

Fifteen Years Active Law Practice

MY MOTTO: Be sure your'e right, then go ahead.

In the face of the facts it is amazing to read the falsehood put out by the Pierre Committee and the reactionary press. Senator La Follette in his magazine says:

"Burke stands for everything in government and legislation that the great body of republicans in South Dakota are against."

"Burke stood faithfully by, day and night, and in that desparate crisis of Cannon and Canonism, recorded himself on every one of the fifteen roll calls always with unswerving fidelity for Cannon and Canonism and the system."

Senator Bristolow says:

"Senator Crawford has been a good senator and has devoted a great deal of time to his work in the interest of the general public. While I have more radical ideas on subjects than he, yet on the whole he has supported Progressive legislation."

Whoever says that Senator Crawford is not a progressive republican, or that he is not standing with the leading progressive Senators, is either ignorant or malicious. He is a thorough-going pro-

gressive, and enjoys the absolute confidence of the progressive republican Senators. Not only so, but he is recognized as a man of great strength and influence. It would be most unfortunate for the progressive cause if Senator Crawford should be defeated. The people can have no better friend that he has been and is.

Yours very truly,
Albert B. Cummins.

The Spelling Contest

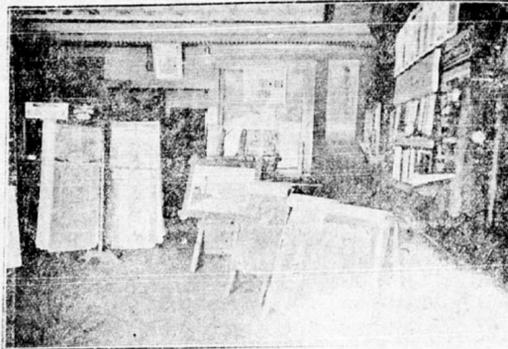

Saturday last in the court room the annual exhibit of work of the rural schools was held. The boys' tree books, girls' sewing, and a spelling contest in which both boys and girls took part. There was a large crowd of interested parents and friends present. At 1:30 Miss Wimple called order and explained the methods of conducting such contests and of judging the same, how the markings were made and why some were not as high as it would seem they ought to be. She gave a most interesting, instructive talk which will not be forgotten by any present and will be of great helpfulness to any who enter the contest another year.

The entire exhibit was most satisfactory and especially good was the spelling. It was really wonderful to see and hear the little ones stand up and correctly spell the words given

out. Following is the list of those who took part:
