The Tornado and Lightning Season is On!

Cyclonic storms have appeared and already have devastated a wide area, causing loss of life and property at Sanborn, Iowa, and elsewhere almost unparalleled. The lives cannot be replaced; the property loss, though large, can be restored, and in many instances will be through the medium of our policies. The unfortunate feature, in many cases, is that properties were unprotected by insurance.

ARE YOU PROTECTED? I have the Agency of Eight, Old Line, Capital Stock Companies and can write your protection as cheaply as it can be written. Don't delay, storms are appearing earlier than usual. A postal, if you cannot see me in town, will bring me to your farm.

RINGLING DAY ALMOST HERE

Big Circus Bound This Way On Five Great Trains Loaded With Wonders

Children are now on their best behavior in anticipation of a real holiday treat on Aug. 5 when Ringling Brothers' World's Greatest Shows will exhibit in Sioux Falls. It is expected that Canton will send more than its usual number of "sawdust fans" to welcome this popular circus.

Ringling Brothers promise many novelties and innovations and a "big and better everything" is the slogan. Preceding the regular circus performance the new spectacle of "Solomon and the Queen of Sheba" will be enacted on the largest stage in the world. This mammoth 1,250-character pageant cost \$1,000,000 and the costumes, scenery and stage properties are said to be a revelation in gorgeousness. Among the 385 arena acts, are scores of equestrians including the Lloyds, famous English riders; the Borsinis, rolling globe artists; the Balkanis, whirlwind riders from the Balkan mountains; the five highest perch acts ever presented; boxing and wrestling kangaroos; five herds of trick elephants; 50 clowns, 20 families of aerialists and a magnificent horse show and speed tournament. The menagerie is larger and more complete than ever and features many animals never before exhibited in America. A free street parade will be given on the morning of show day.
