

BULLETIN

Make the old things look like new—A little paint will do it. We sell paints, brushes, etc.

- There's economy in paint. It is always cheaper to paint than to rebuild.
- Beautify your home. Paint that posh of yours if you want it to last—paint preserves the wood from the elements of the weather and sun. With very little money and "elbow grease" you can have everything looking like new.

Some Cantonites have already put in a little garden. Their neighbors should watch their chickens if they are allowed to run loose. Many unfriendly feelings have sprung up from some one having their garden scratched up from neighbors chickens.

Two of our local high school boys through an urgent call over the telephone, reluctantly called on Christ Sandvig last Thursday morning, and each had to hang on the other for support when they entered. Christ talked of the weather, the new school house that is to be built in 1999 then last but not least, if they knew what day of the month it was. It seems the boys had been to the Sandvig home the night before and had "taken in" a party that they were not invited to and Christ thought a call on April 1st might do the boys good.
