

Treat Your Dollars as You Would be Treated

How would you like to be run out of the state?

Well, your dollar has feelings, too.

Your dollar is the child of industry. Don't treat it like a scamp and send it away from home. Give it a chance to flourish at home with you in the best state in the west—South Dakota.

Your dollars kept in circulation here spell prosperity. Your dollars sent away spell adversity.

Don't buy out of your town when you can get as good for the money here in CANTON!

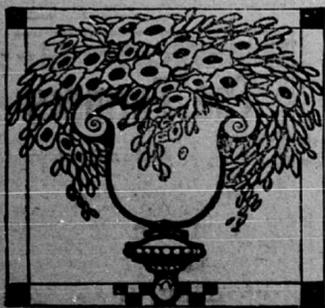

Keep your money in circulation here and help make this the most prosperous community in the state.

Buying at home will do it.
